

“SEC. 51A-10.125. MANDATORY LANDSCAPING REQUIREMENTS .

“(a) Single family and duplex uses.

(1) Except as provided in Section 51A-10.127, a lot containing a single family or duplex use established after May 29, 1994, must comply with this subsection before the final inspection of any building on the lot. The lot must have at least three trees with a caliper equal to or exceeding two inches. At least two of these trees must be located in the front yard. The trees must be species listed in Section 51A-10.134(b). The trees may be located in the public right-of-way if all private licensing requirements of the city code and charter are met.

APPROVED REPLACEMENT TREES

<u>SCIENTIFIC NAME</u>	<u>COMMON NAME</u>
