Texas Pollutant Discharge Elimination System  
Storm Water Multi-Sector General Permit

The Notice of Intent (NOI) for the facility listed below was received on November 20, 2006. The intent to discharge storm water associated with industrial activity under the terms and conditions imposed by the Texas Pollutant Discharge Elimination System (TPDES) storm water multi-sector general permit TXR050000 is acknowledged. Your facility's TPDES multi-sector storm water general permit number is:

**TXR05Q188**

Coverage Effective: November 01, 2002

TCEQ's storm water multi-sector general permit requires certain storm water pollution prevention and control measures, possible monitoring and reporting, and periodic inspections. Among the conditions and requirements of this permit, you must have prepared and implemented a storm water pollution prevention plan (SWP3) that is tailored to your industrial site. As a facility authorized to discharge under the storm water multi-sector general permit, all terms and conditions must be complied with to maintain coverage and avoid possible penalties.

TPDES Storm Water General Permit No. TXR 05Q188  
Delegating an "Authorized Representative"

Dear Executive Director:

This letter serves to designate either a person or a specifically described position as an authorized person for signing reports, storm water pollution prevention plans, certifications or other information requested by the Director or required by the permit. This authorization cannot be used for signing a TPDES permit application (e.g. Notice of Intent (NOI)) in accordance with 30TAC 305.44. The following person or position is hereby authorized to sign reports, plans or certifications other than the NOI application:

Position/Name	<u>ROB RASMUSSEN</u>
---------------	----------------------

By signing this authorization, I confirm that I meet the following requirements to make such a designation as set forth in either Part III.A.3.(c) of the Texas Multi-Sector general permit or Part III.E.3.(g) of the Texas Multi-Sector general permit.

For a municipality, state, federal, or other public agency, the application shall be signed by either a principal executive officer or a ranking elected official. For purposes of this paragraph, a principal executive officer of a federal agency includes the chief executive officer of the agency, or a senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., regional administrator of the EPA).

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."
