

PET REGISTRATION NOTICE

Dallas City Code Section 7-4.2 requires all pet owners living in Dallas to register their pets with the City. A valid registration allows Dallas Animals Services to quickly locate you and ensure that your pet is safely returned to you if you lose your pet. It will also increase the likelihood that your pet will receive emergency medical care (if needed) and an extended stay at our shelter if extra time is needed to locate you.

[Vaccinate/register your pet on time to avoid late fees and/or citations.](#)

Registration Fees:

- Unaltered (not spayed/neutered) pets - \$30 each. *This includes puppies/kittens.*
- Spayed/neutered pets - \$7 each.

***If the owner is 65+ years old registration is free for up to 3 altered (spayed/neutered) pets.

You may purchase/renew your pet's registration at our offices Mon-Fri 8-5 or by mail. Bring/mail the payment along with a copy of your pet's current rabies vaccination certificate. Make the check or money order payable to City of Dallas.
