

Draft 2030 Transit System Plan Technical Recommendations Summer 2006 Public Meetings

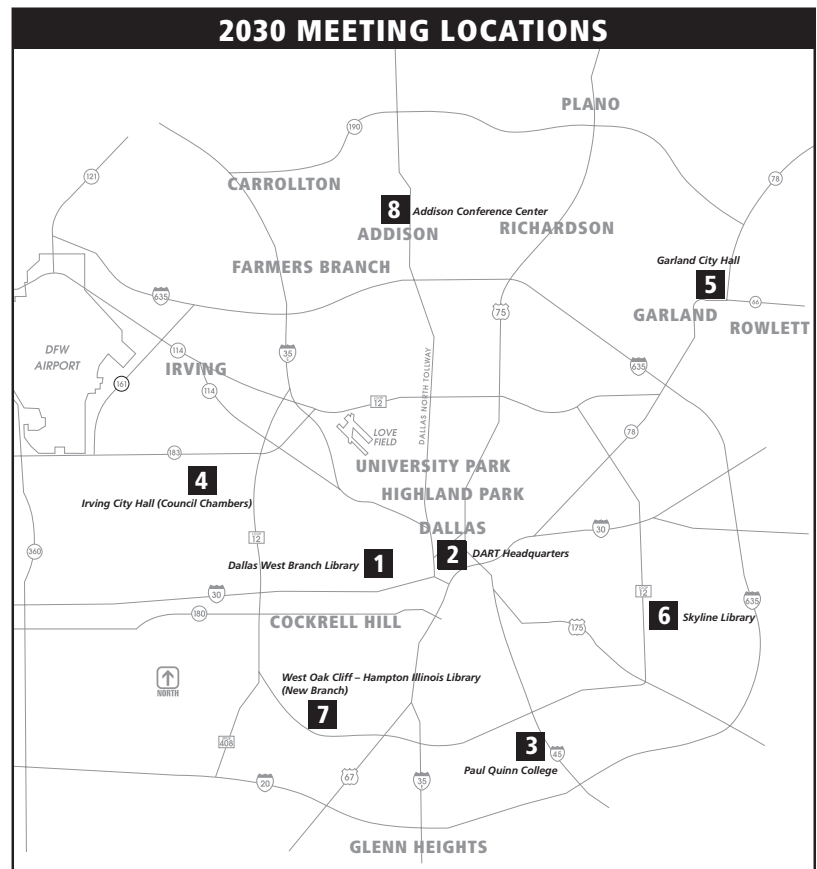

DART has held numerous meetings, including two rounds of Public Meetings in April 2004 and August 2005, on the development of the 2030 Transit System Plan (TSP). On July 11, 2006 the DART Board of Directors approved a resolution authorizing staff to distribute the Technical Report for the Draft 2030 TSP to the public and member cities for review. The Draft 2030 TSP is based on technical staff recommendations and takes into consideration public and member city comments received to date. The DART Board requests your input prior to their adoption of a Final 2030 TSP.

The 2030 TSP builds upon the current transit system plan and provides a vision for addressing transportation needs in the DART Service Area through the year 2030. Go to www.DART.org/2030plan or your nearest public library to view draft recommendations.

Your input is important and will support the development of the Final 2030 TSP. A series of public meetings are scheduled to present the technical findings for the Draft 2030 TSP. Information to be presented at the meetings includes:

- Overview of Draft 2030 TSP
- Land Use and Economic Development
- High Occupancy Vehicle (HOV) Lane, Bus, Rail, and Paratransit Recommendations
- Systemwide Mobility Recommendations, Related to Items Such as Vanpools, Intelligent Transportation Systems (ITS), Passenger Facilities, and Safety and Security
- Proposed Project Phasing and Implementation

DART invites you to view information, hear about the evaluation, and discuss the technical recommendations for the Draft 2030 TSP. Each meeting will include an open house and presentation, and will feature information for the entire 13-member city DART Service Area.

LOCATIONS, DATES AND TIMES ARE AS FOLLOWS:

1 Dallas West Branch Library
August 28 (Monday)
6 p.m. Open House / 6:30 p.m. Presentation and Public Comment
2332 Singleton Blvd. • Dallas – Mapsco 43-R

2 DART Headquarters
August 30 (Wednesday)
11:30 a.m. Open House / 12 noon Presentation and Public Comment
1401 Pacific Ave. • Dallas - Mapsco 45-K

3 Paul Quinn College
September 7 (Thursday)
Science Auditorium
6:30 p.m. Open House / 7 p.m. Presentation and Public Comment
3837 Simpson Stuart Road • Dallas – Mapsco 66-Q

4 Irving City Hall (Council Chambers)
September 11 (Monday)
6:30 p.m. Open House / 7 p.m. Presentation and Public Comment
825 W. Irving Blvd. • Irving - Mapsco 31B-W

September 14 (Thursday)
6:30 p.m. Open House / 7 p.m. Presentation and Public Comment
200 N. 5th St. • Garland – Mapsco 19-V

6 Skyline Library
September 18 (Monday)
6 p.m. Open House / 6:30 p.m. Presentation and Public Comment
6006 Everglade Road • Dallas - Mapsco 48-J

7 West Oak Cliff- Hampton Illinois Library (New Branch)
September 19 (Tuesday)
6:30 p.m. Open House / 7 p.m. Presentation and Public Comment
2919 S. Hampton Road • Dallas - Mapsco 53-V

8 Addison Conference Center
September 25 (Monday)
6:30 p.m. Open House / 7 p.m. Presentation and Public Comment
15650 Addison Road • Addison – Mapsco 4-Y

Plan Preliminar de Sistema de Tránsito 2030

Recomendaciones Técnicas

Juntas públicas - Verano de 2006

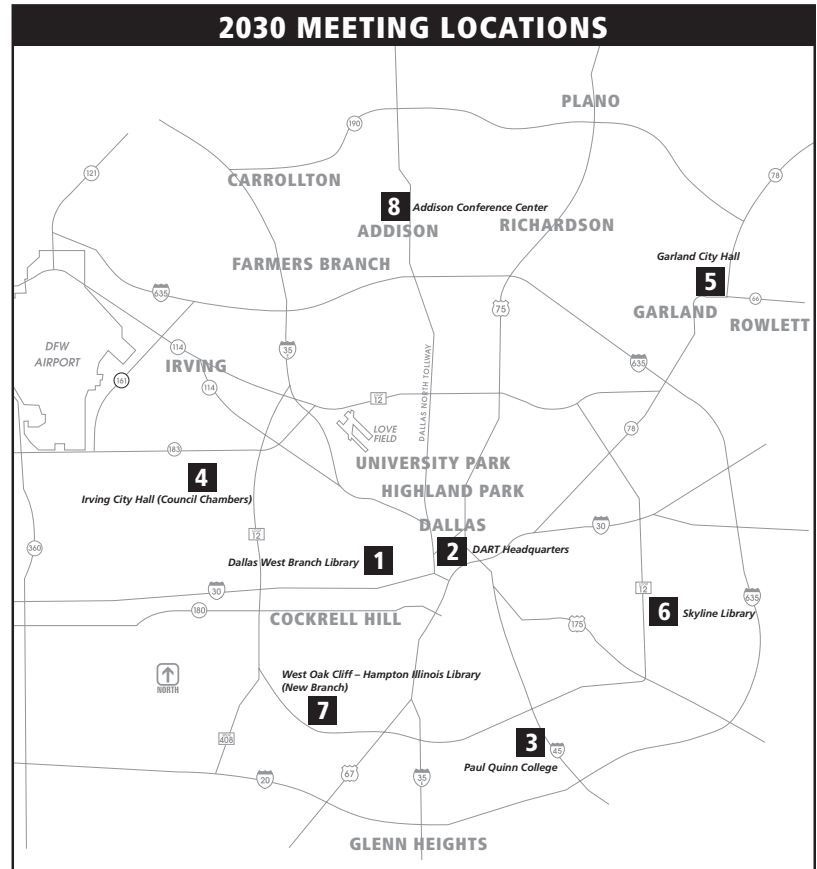

DART ha realizado numerosas juntas, entre ellas dos series de Juntas Públicas en abril de 2004 y agosto de 2005, sobre el desarrollo del Plan de Sistema de Tránsito 2030 (TSP, por sus siglas en inglés). El 11 de julio de 2006 el Consejo Directivo de DART aprobó una resolución que autoriza al personal a distribuir el informe técnico del TSP Preliminar 2030 al público y a las ciudades miembros para su revisión. El TSP Preliminar 2030 se basa en recomendaciones del personal técnico y toma en consideración los comentarios del público y de las ciudades miembros recibidos hasta la fecha. El Consejo Directivo de DART solicita su opinión antes de que se adopte un TSP Final 2030.

El TSP 2030 se desarrolla en base al plan de sistema de tránsito actual y brinda una perspectiva para tratar las necesidades de transporte en el Área de Servicio de DART hasta el año 2030. Visite www.DART.org/2030plan o la biblioteca mas cercana para revisar las recomendaciones preliminares.

Su opinión es importante y apoyará el desarrollo del TSP Final 2030. Hay una serie de juntas programadas para presentar TSP Preliminar 2030. La información que se presentará en las juntas incluye:

- Visión general del TSP Preliminar 2030
- Utilización de terrenos y desarrollo económico
- Recomendaciones sobre carriles para vehículos de más de un pasajero (HOV), autobuses, trenes y Paratransit
- Recomendaciones sobre movilidad en todo el sistema, relacionadas con temas tales como camionetas compartidas (Vanpools), Sistemas de Transporte Inteligente (ITS), instalaciones para pasajeros y seguridad
- Fases del proyecto e implementación propuestas

DART lo invita a examinar la información, escuchar sobre la evaluación y debatir sobre las recomendaciones técnicas para el TSP Preliminar 2030. Cada junta incluirá una reunión a puertas abiertas (open house) y una presentación, y se presentará información para toda el Área de Servicio de DART en las 13 ciudades miembros.

LOS LUGARES, LAS FECHAS Y LOS HORARIOS SON LOS SIGUIENTES:

- | | | |
|--|--|---|
| <p>1 Dallas West Branch Library
