Roll cart dimensions (garbage and recycling)

96 gallon cart – 41” height x 30” wide x 36” deep

64 gallon cart – 39” height x 25” wide x 31” deep

48 gallon cart – 34” height x 23” wide x 29” deep

Please place the roll carts facing the point of collection (street or alley), with the handle side toward the residence.

Allow for 3 feet to each side of the roll cart for collection equipment to maneuver.

All carts must be 18” or more from any obstacle - such as fence, gas meter, utility poles, guide wires, utility boxes, tree, shrub, or other potential obstruction. This will help us to collect your materials without causing any damage.

You may use 311 to request: -cart delivery -an exchange of cart size -roll cart repair -other information

Where garbage or recyclable materials are collected from the street curblin adjacent to the property, roll carts must be placed there no earlier than 6:00 p.m. the day before collection day and must be removed to a point at the side or rear of the structure not later than 8:00 a.m. on the day following collection day.

Please let us know if you have questions or concerns about roll cart use, by calling 311.
