How “green” is your green thumb?

Discover environmentally-friendly landscaping at two **free** seminars on Saturday, March 21, 2009.

Plan to attend one or both of our free seminars Saturday, March 21, at the Brookhaven College Performance Hall, 3939 Valley View Lane, Farmers Branch 75244. For directions, go to www.brookhavencollege.edu/maps.

Landscape designer and author Bonnie Reese will be the speaker at both sessions. The first 100 attendees at each session will receive a copy of Ms. Reese’s book, “Common-Sense Landscaping.” A drawing for one free landscape consultation with Bonnie will be held at the end of the morning and afternoon seminars. Attendees can also enter a drawing for one free rain barrel at the end of each session.

Seminars are presented in English.

Making a reservation

Space is limited, please register by calling us at 214/670-3155 or register online at www.ci.dallas.tx.us/forms/water_conservation_contact.html in the comment/question section. Let us know which seminar you would like to attend, and how many will be attending in your group.

Water-Wise Landscape Design 101

Saturday, March 21 • 9 a.m. to 12:30 p.m.

Whether you have a new landscape or plan to update an existing area, it is critical to begin with a good design. This program teaches the principles of landscape design with an emphasis on how to create a beautiful landscape that will save resources - natural and financial!

Fantastic Plants for North Texas

Saturday, March 21 • 1:30 p.m. to 5 p.m.

Using colorful photographs, Bonnie demonstrates the natural beauty of native and adapted plants that thrive in the North Texas region. Learn when, where and how to plant each of the recommended plants, their size and height at maturity, seasonal color, texture and more. This program provides information on trees, shrubs, vines, perennials, groundcovers and turf grasses.

Seminars sponsored by City of Dallas Stormwater Management, Dallas Water Utilities Conservation and Brookhaven College.

Already using Water-Wise principles?
