CITY OF DALLAS

QUARTERLY INVESTMENT REPORT

March 31, 2015

Quarterly National Economic and Market Update Quarter Ended March 31, 2015

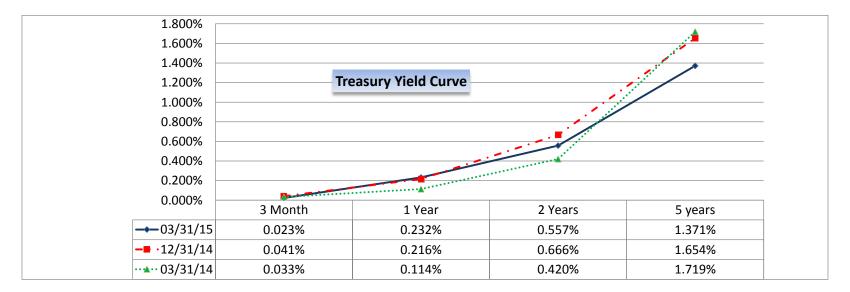

- Economic growth slowed during the first quarter. The pace of job gains moderated, and the unemployment rate remained steady.

- Inflation has declined further below the Federal Open Market Committee's (FOMC) 2 percent longer-run objective, largely reflecting declines in energy prices.

- The FOMC anticipates that it will be appropriate to raise the target range for the federal funds rate when it has seen further improvement in the labor market and is reasonably confident that inflation will move back to its 2 percent objective over the medium term.

City of Dallas Strategy Statement and Compliance by Portfolio As of: 12/31/14 - 03/31/15

STRATEGY COMPLIANCE STATEMENT

For the quarter ended March 31, 2015 the portfolios are in compliance with the relevant provisions of the Public Fund Investment Act and the investment strategies adopted in Sec. 17.0 of the City's Investment Policy.

STRATEGY STATEMENT BY PORTFOLIO

1) City's Investment Pool

The City's Investment Pool is an aggregation of the majority of City funds that includes tax receipts, enterprise fund revenues, fine and fee revenues, as well as some, but not all, bond proceeds, grants, gifts and endowments. This portfolio is maintained to meet anticipated daily cash needs for City of Dallas operations, capital projects and debt service. In order to ensure the ability of the City to meet obligations and to minimize potential liquidation losses, the dollar-weighted average stated maturity of the Investment Pool shall not exceed 1.5 years.

2) Convention Center Bond Reserve and Water Bond Reserve

Non-pooled reserve funds for outstanding revenue bonds (Convention Center and Water) are set at levels required by their respective bond ordinances. These funds will be used to pay principal and/or interest at final maturity or if called prior to final maturity.

3) Art Endowment

The Art Endowment Fund was created by the City from a \$1,285,026 repayment to the General Fund from the Convention Center. Pursuant to Resolution No. 84-311 dated September 26, 1984, this endowment fund was created to provide additional monies for the arts, not to replace the current level of support. Funds received as gifts to the City with instructions that the income generated by the investment of said funds be used for specified purposes are invested as separate non-pooled portfolios in order to maximize return.

4) Ida Green Library Endowment

The Ida M. Green Endowment Fund was created with the proceeds from the sale of stock from the estate of Ms. Green pursuant to Resolution No. 87-0836. Its purpose is to provide funds for the operating and capital expenses of the library's Texas Center for the Book and Children's Center. Funds received as gifts to the City with instructions that the income generated by the investment of said funds be used for specified purposes are invested as separate non-pooled portfolios in order to maximize return.

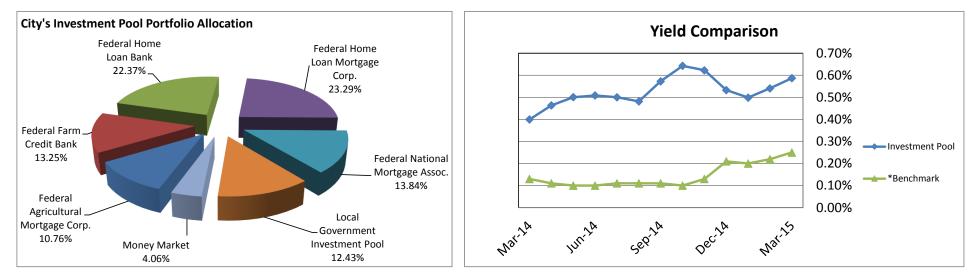

5) DWU Commercial Paper Program and GO Commercial Paper Program

The City issues tax-exempt commercial paper notes as an interim financing tool for construction and capital projects. Proceeds from the issuance of commercial paper debt must be liquid in order to fund periodic payments to contractors and must be invested in tax-exempt securities in order to avoid costly and complex arbitrage rebate computations. In order to meet these requirements, commercial paper proceeds will be invested in tax-exempt money market mutual funds.

6) Trinity Parkway Escrow

The Trinity Parkway Escrow portfolio was created with the deposit of \$5,000,000 on November 16, 1999 in an escrow account in accordance with an agreement dated as of January 1, 1999 between the City and the North Texas Tollway Authority ("NTTA") pertaining to development of the Trinity Parkway. A subsequent deposit of \$4,500,000 was made in June 2009. These funds will be used to reimburse NTTA for specified payment related to project feasibility. Permitted investments for this account are defined in the Escrow Agreement as those that are consistent with the Public Funds Investment Act.

Gains and losses are realized only when a security is sold prior to maturity. Since it is the City's strategy to hold investments until they mature, the temporary gains and losses are unlikely to be realized.
