You are invited to a neighborhood meeting to gather input on the potential for amending Planned Development District No. 366, the Buckner Boulevard Special Purpose District located on the map above (an area generally located on the east side of Buckner Boulevard between Military Parkway and Ricardo Drive). The City Plan Commissioner for District 4 would like to hear from property owners, residents, business owners, and other parties regarding the interest in amending the Planned Development District, specifically as it relates to certain uses and development regulations.

The Commissioner would like to know if any changes should be made to the existing zoning regulations for this area. It is in your best interest to attend the community meeting and be heard as you may be affected by future amendments.
