## Swimming Lessons Empower

According to the U.S. Centers for Disease Control and Prevention, **drowning is the second-leading cause of injury-related death** among children under the age of 15. **Empower your children—enroll them in swimming lessons.** If you don't know how to swim, be a good role model and take swimming lessons *with* your child! Children and adults of all ages can take swimming lessons—even children as young as 6 months! Call AWP to find out where swimming lessons may be offered in your area.
