

Boulder Park Trail

3200 Red Bird Lane

General Description

Boulder Park’s natural trail winds through 106 wooded acres making this park perfect for hiking or mountain biking. You may also see all kinds of wildlife. The City purchased Boulder Park in 1967 to serve as an “overshoot” for the Red Bird Airport runway. While there is no parking, the park is accessible off Red Bird Lane.

Directions to Trailhead from Downtown Dallas

Take I-35 South to US Hwy. 67. Exit Red Bird Lane off US Hwy. 67; turn right. Boulder Park will be on the left.
