

Dallas Animal Services and SPCA of Texas to offer free/spay neutering services at local park facilities

WHAT: The City of Dallas and the SPCA of Texas will be providing low cost vaccinations, microchip identification and free spay/neutering surgeries for Dallas pet owners at local park facilities. The park facilities provide easy access for residents who need veterinarian services for pets.

Vaccinations will be two for \$17 and microchip identification is \$20. Spay/neutering is free to Dallas residents who show that they receive state assistance. The Dallas Animal Services Spay and Neuter Program offer these services at reduced cost to residents who may not be able to afford them.
