

**Kiest Cliff Neighborhood Plus  
Meeting Notes  
Saturday, January 14, 2017**

*At the first meeting held, January 14<sup>th</sup> at the Dallas Executive Airport, the following statements were voiced by the residents:*

Concern about Dallas Executive Airport flights on Sunday during church services.

Concern about the quality of tar used to cover pot holes and pave streets in the community.

Residents would like a dog park in the community.

5-mile creek erosion

Would like community gateway signage

Illegal dumping on Rio Grande

Redevelopment of Red Bird Mall. Residents of Kimball want to be included in mall redevelopment meetings.

Residents should join the Old Oak Cliff Conservation League.

Need Bulk Trash pickup near West Cliff Church.

The Kimball Area was once known as a bedroom community.

Residents suggested creating work groups to facilitate implementation of the rapid response action plan and long term transformation action plan.

Find out NPO and the DPD officer for the area. Make them aware of commercial properties and the trash problems. (Marshalls – Illegal Dumping)

Want a link between 3-1-1 requests and duplicates?

Want thicker asphalt like what is poured on Preston Road, for Kiest.

Kimball Estates; Pomeroy and Kimballdale; residents are selling cars

Train tracks need to be removed at Westmoreland and Cockrell Hill

Code responders only address one spot and not across the street

Need the number for suspected drug activity??

Alley repair / tree trunk roots are breaking up the concrete

Blue Ridge Housing Development on hold; need to make changes to the plan

Next meeting is Saturday, February 4<sup>th</sup> @ 10:30am – Freedom Missionary Baptist Church on Westmoreland, near Kimball High School.
