

May 4, 2021 5:19 PM from Cory Banacka to everyone: Welcome everyone, we will be getting started just after the bottom of the hour.

May 4, 2021 5:25 PM from Cory Banacka to everyone: Glad to see everyone this evening. We will be getting started just after the bottom of the hour.

May 4, 2021 5:26 PM from Cory Banacka to everyone: As a courtesy, please make sure your mics are muted unless you have a comment

May 4, 2021 5:27 PM from Joe Yanez to everyone: Como cortesia a todos, por favor de apagar su microfono cuando no esta hablando.

May 4, 2021 5:30 PM from Iris Summers (privately): You'r able to mute everyone as the host.

May 4, 2021 5:31 PM from Cynthia to everyone: You have several still not muted

May 4, 2021 5:38 PM from Trey Clark (privately): sorry to be that guy but should I be able to hear anyone yet? I tested the volume and it worked fine, but I don't hear a thing in this meeting so far

May 4, 2021 5:43 PM from Cory Banacka to everyone: Should anyone be unable to find how to move to the breakout room, please raise your hands and a staff member can assist.

May 4, 2021 5:47 PM from Denise Requardt to everyone: Are the individuals on the Planning Task Force from Oak Cliff only?

May 4, 2021 5:47 PM from Rob Shearer to everyone: Do you have recordings of those meetings?

May 4, 2021 5:47 PM from Anthony Rash to everyone: CAn you please provide the website where the Task force meetings will be streaming?

May 4, 2021 5:47 PM from Becky Brown to everyone: are they West Oak Cliff residents?

May 4, 2021 5:48 PM from Becky Brown to everyone: those on the task force.

May 4, 2021 5:48 PM from gio to everyone: Clearly, this approach is at a disadvantage for the folks who have to call in. we need to have equitable process that recognizes spanish speakers limitations.

May 4, 2021 5:48 PM from Denise Requardt to everyone: Yes, that is what I am asking. Those on the 'Task Force' that was listed on the slide. Do they all live in West Oak Cliff, or OC in general?

May 4, 2021 5:49 PM from Andy Ramirez to everyone: The Task Force? Are they West Oak Cliff residents ?? That's very important

May 4, 2021 5:49 PM from monique ward to everyone: The Taskforce is made up of West oakcliff residents and stakeholders.

May 4, 2021 5:49 PM from Liz Provost to everyone: They said earlier that those on the task force are a mix of industry professionals and community members taht live in the west oak cliff planning area

May 4, 2021 5:50 PM from Becky Brown to everyone: definition of stakeholder please

May 4, 2021 5:50 PM from Rob Shearer to everyone: Can preserving our single family neighborhoods be more than a recommendation? Can that be a promise by city staff and our councilperson?

May 4, 2021 5:50 PM from Andy Ramirez to everyone: Can we get a list of the Task Force members and the stake holders?

May 4, 2021 5:50 PM from Andy Ramirez to everyone: \*stakeholders

May 4, 2021 5:51 PM from Cynthia to everyone: Keep it single family dwellings...as you have already stated the neighborhood wants.

May 4, 2021 5:51 PM from monique ward to everyone: A stakeholder is an area commercial or land owner

May 4, 2021 5:51 PM from Liz Provost to everyone: the taskforce names were on the slides a few minutes ago

May 4, 2021 5:51 PM from Ramon to everyone: Will these slides be shared?

May 4, 2021 5:52 PM from Becky Brown to everyone: I think it would be good to know the number of residents and number of stakeholders on the task force

May 4, 2021 5:52 PM from Andy Ramirez to everyone: Thank you Liz I must have missed it

May 4, 2021 5:52 PM from rosa to everyone: yes single family dwelling should be kept. It hard enough to find affordable housing as it is.

May 4, 2021 5:52 PM from monique ward to everyone: The presentation will be posted on the website and the recording will be posted after this meeting

May 4, 2021 5:53 PM from Ramon to everyone: thank you Monique

May 4, 2021 5:53 PM from Anthony Rash to everyone: thank you Monique!

May 4, 2021 5:53 PM from Augustine Jalomo to everyone:

May 4, 2021 5:54 PM from Ria Narsiah to everyone: Hi Monique -- how can we adjust for the two meetings next week to ensure that people who are calling in via phone are able to participate in the spanish-speaking environment so that access and opportunity to participate is equitable? Perhaps a different platform besides WebEx? Zoom or Teams?

May 4, 2021 5:54 PM from monique ward to everyone: WOCAP Area Plan Website: <https://dallascityhall.com/departments/pnv/Pages/West-Oak-Cliff-Area-Planning.aspx>

May 4, 2021 5:55 PM from Cynthia to everyone: The purple areas you said were started by Chad and Enrique. Was that done at the encouragement of prospective business developers for those areas?

May 4, 2021 5:55 PM from libb hayhurst to everyone: Thank you!

May 4, 2021 5:56 PM from fatimah valentin to everyone: I've never seen these goals successfully implemented in Dallas. Rezoning always leads to displacement and unaffordable housing.

May 4, 2021 5:56 PM from Rob Shearer to everyone: +1 Fatimah

May 4, 2021 5:56 PM from Orlando Rivera to everyone: Wouldn't keeping the single family zoning increase that unaffordable trend?

May 4, 2021 5:56 PM from Daniel Rosales II to everyone: Same here @fatimah

May 4, 2021 5:56 PM from Chad West to everyone: Task Force Members:

May 4, 2021 5:57 PM from monique ward to everyone: We can make the Spanish version of the presentation for anyone ot review. and we will have a bi-lingual Qand A at the end of this meeting for those on the phone to share comments

May 4, 2021 5:57 PM from Liz Provost to everyone: Thanks Chad

May 4, 2021 5:57 PM from Frances Estelle to everyone: I like having access to public transportation and the proximity to Bishop Arts and Wynnewood Plaza.

May 4, 2021 5:58 PM from Andrew to everyone: I like access to transit and Tyler Station. I would change the zoning to allow for duplexes up to eightplexes.

May 4, 2021 5:58 PM from Elysse to everyone: Love the culture, family connection. What can be improved is walkability and investment in historic preservation and arts .

May 4, 2021 5:58 PM from libb hayhurst to everyone: What about further to the West? El Tivoli/Ravinia Heighrs etc?

May 4, 2021 5:58 PM from Pat Ford to everyone: I like the stable, diverse area we have, we need to protect that.

May 4, 2021 5:58 PM from Anthony Rash to everyone: Good question, Marco

May 4, 2021 5:58 PM from Andy Ramirez to everyone: Sunset Hill should be included, it's in the area included in this planning community

May 4, 2021 5:58 PM from Todd Eich to everyone: Like much of North Oak Cliff, I don't see a lot of greenspace and walkable/bikeable destinations.

May 4, 2021 5:58 PM from Guadalupe Perez to everyone: I agree, walkability can be improved

May 4, 2021 5:58 PM from Liz Provost to everyone: Better use of the green space between Lansford and Elmwood

May 4, 2021 5:59 PM from Becky Brown to everyone: I love the trees and the single family homes with adequate yards. What I would change about this area is downtown Elmwood . It would be lovely to have a walkable retail area of legitimate businesses

May 4, 2021 5:59 PM from Araceli H to everyone: I like that it is a residential/family neighborhood and the historic character. I would love to see an improvement on sidewalks, improvement/addition to bike lanes, and maintenance/improvement to green spaces.

May 4, 2021 5:59 PM from Iris Summers to everyone: My husband and I live at Burlington & Edgefield and love the single family homes. This sense of community. Having single-family dwellings, have allowed us to establish long term relationships with our neighbors. These long-term relationships develop community and therefore, safety.

May 4, 2021 5:59 PM from Andy Ramirez to everyone: @Chad West this needs more planning and maybe more Task Force members before it moves forward

May 4, 2021 5:59 PM from Jesus Valadez to everyone: Biking from Tyler Station on Vernon/Tyler street is too dangerous at night due to speed. would like a road diet by adding a bike lane both north and south

May 4, 2021 5:59 PM from Anthony Rash to everyone: We should be considering all three DART stations holistically and not as separate "moments"

May 4, 2021 5:59 PM from Frances Estelle to everyone: I live on Nolte St in the block of Tyler Station. We need better streets, and a different route for the buses to get to the station. We also need access for walking safely on our streets.

May 4, 2021 5:59 PM from Rob Shearer to everyone: Agreed, Andy Ramirez.

May 4, 2021 6:00 PM from Orlando Rivera to everyone: Please add more street calming measures, specially on Vernon Ave. Many neighbors walk/cross to Wynnewood Village by foot and drivers create a dangerous environment for the residents.

May 4, 2021 6:00 PM from Pat Ford to everyone: I am against up zoning, since increasing density means displacing people that currently live here. And will destroy the exiting tree cover we have. To build apartments or duplexes means tearing up the existing fabric. And no matter what anybody tells you, housing costs will increase.

May 4, 2021 6:00 PM from Araceli H to everyone: +1 to Frances and Oraland's points

May 4, 2021 6:00 PM from rosa to everyone: How can we become task force members?

May 4, 2021 6:00 PM from Todd Eich to everyone: I like the suggestion of considering all three DART stations holistically instead of seperate entities. A nice walking/biking trail along the tracks perhaps?

May 4, 2021 6:00 PM from cat fears to everyone: Improvements to parks in Elmwood especially along the creek. Its a beautiful wild walk but not safe.

May 4, 2021 6:00 PM from Whitney Marsh to everyone: Safety is a big issue, we need the Vapor shop gone. Street lights. Walkable neighborhood friendly retail, markets ect. Speed bump on edgefield!

May 4, 2021 6:01 PM from Ria Narsiah to everyone: Thanks Monique -- providing the presentation afterwards and then a spanish speaking person for Q&A at the end of the presentation still does not allow spanish-speaking folks who are calling in to be active participants in this process. How can we get past this WebEX limitation?

May 4, 2021 6:01 PM from monique ward to everyone: Council Member West identified the Task Force meetings

May 4, 2021 6:01 PM from Karla to everyone: I would like to leave downtown elmwood as is, just clean it up and bring opportunities for businesses to take place. grocery store, coffee, places to eat, stuff like that, that is for the neighbors to go to that is within walking distance. can that be done without demolishing current buildings?

May 4, 2021 6:01 PM from Iris Summers to everyone: I would appreciate more speed bumps throughout the neighborhood, especially Edgefield, as it is highly utilized and the road is unsafe. We have a very busy neighborhood every weekday morning & afternoon with the two schools. It is important to limit reckless driving/speeding, especially if we want to develop a more walkable community.

May 4, 2021 6:01 PM from Justin Warren to everyone: Enjoy access to Dart, opportunities for walkable retail spaces. I would like to see crosswalks, bike lanes, beautification in downtown Elmwood area and new structures, street improvements and additional density to make commercial businesses viable.

May 4, 2021 6:01 PM from Frances Estelle to everyone: Speed bumps and flashing light crossing lanes to slow the car traffic

May 4, 2021 6:02 PM from Todd Eich to everyone: The Vapor Shop is going to be a popular place when the Federal Government legalizes weed!

May 4, 2021 6:02 PM from Andy Ramirez to everyone: We don't want to see this move forward, until there is more equity involved in the planning process that happened before most of the neighborhood knew about this

May 4, 2021 6:02 PM from gio to everyone: Sounds like everyone wants basic city services in their neighborhoods instead of revisioning of their neighborhoods.

May 4, 2021 6:02 PM from Orlando Rivera to everyone: Single family is a great privilege that we have today, but zoning should be changed to allow duplexes and up to fourplexes. We can't talk about equity and deny members of different economic status housing.

May 4, 2021 6:02 PM from Pat Ford to everyone: We do need somehow for the police to focus on the speed of cars on Vernon. It is a pig problem, and when I walk to the station, or to get a taco, I am taking my life in my hand to cross Vernon.

May 4, 2021 6:02 PM from Daniel Rosales II to everyone: +1 Andy

May 4, 2021 6:02 PM from Andrew to everyone: We need to provide more affordable housing options by allowing lots to be subdivided and removal of setbacks so that more housing can be placed in the neighborhood.

May 4, 2021 6:02 PM from T.Conger to everyone: Modernize street design around downtown Elmwood including removing some roads to support walkability. better sidewalks and roads through the area to support businesses. Speed bump entering and exiting the downtown elmwood area. Protected bike lanes. Upzoning to encourage density

May 4, 2021 6:02 PM from Katie to everyone: We love the existing downtown Elmwood businesses. How will they be protected during these changes?

May 4, 2021 6:03 PM from Eleanor Mathis to everyone: Agree 100% with Orlando's comment

May 4, 2021 6:03 PM from Frances Estelle to everyone: We need biking lanes, but not like the black & white bumps implemented on Tyler near Wynwood North.

May 4, 2021 6:03 PM from Orlando Rivera to everyone: The Vernon speeding issue can't be given to the police. It's a design issue that needs to be addressed. The avenue is designed for speed.

May 4, 2021 6:03 PM from Andy Ramirez to everyone: Well you haven't got enough neighbors here to give feedback for this

May 4, 2021 6:03 PM from Daniel Rosales II to everyone: +1 gio

May 4, 2021 6:03 PM from Gabrielle Rodriguez to everyone: The more dense this area is the more traffic. Slowing cars mean more traffic. Hampton, Tyler/Vernon are commuter routes. That's how people get to work.

May 4, 2021 6:03 PM from Becky Brown to everyone: The creek is beautiful but if there were a way to keep the trash under control, it would be wonderful

May 4, 2021 6:04 PM from Pat Ford to everyone: In my comment above, I meant Big Problem, not what I typed by mistake.

May 4, 2021 6:04 PM from Trey Clark to everyone: The area is good. WOuld be great if it was just more walkable. The design of Vernon Tyler is obviously a mess and design should be modernized.

May 4, 2021 6:04 PM from libb hayhurst to everyone: Agree with walkability and quality of life (parks, restaurants, transportation, etc). What about NW corner of this area or making the planned area a little more accessible to all parcels of West OC?

May 4, 2021 6:04 PM from rosa to everyone: @gio exactly what you said is correct. instead of redesign and rezoning can we get basic city services such as code just step up and service the community

May 4, 2021 6:04 PM from Rob Shearer to everyone: @Andrew - that is not a guarantee of more affordable housing. Affordable in this area means no more than 30% of a HH income

below \$40,000 - and that is at the north end. So that is \$1000 per month. But in reality we need housing below that number.

May 4, 2021 6:04 PM from Daniel Rosales II to everyone: +1 rosa

May 4, 2021 6:04 PM from Ryan Behring to everyone: Open up commercial corridors to a greater mixture and density of uses to permit a greater number of jobs and services closer

May 4, 2021 6:04 PM from gio to everyone: Great point @Orlando but if we really want to abandoned zoning privileges we should start with the wealthier Oak Cliff neighborhoods, instead of focusing on Latinx neighborhoods.

May 4, 2021 6:05 PM from Daniel Rosales II to everyone: +1 gio

May 4, 2021 6:05 PM from Becky Brown to everyone: The vape shop is not a place I would go to to buy weed.

May 4, 2021 6:05 PM from Becky Brown to everyone: or weed

May 4, 2021 6:05 PM from Reyna to everyone: leave as single home

May 4, 2021 6:05 PM from Frances Estelle to everyone: Need to extend walking trails to the area and a farmers market, locally sourced.

May 4, 2021 6:05 PM from Cynthia to everyone: Why did the CDC vote against the plan?

May 4, 2021 6:05 PM from Orlando Rivera to everyone: Density is coming whether we like it or not. We need to incrementally build for it. This a growing city and more people are increasingly moving to this area to afford a home.

May 4, 2021 6:06 PM from Pat Ford to everyone: These areas work as is, and need to be protected.

May 4, 2021	6:06 PM	from Orlando Rivera to everyone:	Vernon Ave.
May 4, 2021	6:06 PM	from Karla to everyone:	pedestrian improvements on Edgefield
May 4, 2021	6:06 PM	from Cynthia to everyone:	Vernon
May 4, 2021	6:06 PM	from Trey Clark to everyone:	VERNON
May 4, 2021	6:06 PM	from Gabrielle Rodriguez to everyone:	Do alot of people ride bikes in our area?
May 4, 2021	6:06 PM	from Iris Summers to everyone:	Edgefield
May 4, 2021	6:06 PM	from Anthony Rash to everyone:	along Wright St
May 4, 2021	6:06 PM	from Carlin to everyone:	Cross walk light across from Tyler Station, across Vernon, to encourage walking/riding over from Wynnewood North. If there's any way to buy a lot/lots across from Tyler/Vernon station for park/ride
May 4, 2021	6:06 PM	from Pat Ford to everyone:	Need improvements in crossing Veron.
May 4, 2021	6:06 PM	from Frances Estelle to everyone:	Pedestrian improvements on Nolte and Claredon
May 4, 2021	6:06 PM	from Jazmine Lopez to everyone:	Claredon
May 4, 2021	6:06 PM	from Justin Warren to everyone:	Edgefield
May 4, 2021	6:06 PM	from MrC to everyone:	Vernon needs traffic calming

May 4, 2021 6:06 PM from Ramiro Luna to everyone: I agree there @Ria, there should be a follow up meeting tailored to your spanish only speaking residents of West Dallas.

May 4, 2021 6:06 PM from Andrew to everyone: Every street with a ROW wider than 40' need protected bike lanes

May 4, 2021 6:06 PM from DJ to everyone: Could be safer to cross Vernon and Tyler

May 4, 2021 6:06 PM from Keith Vogelgesang to everyone: Bike lanes and walkability on Edgefield

May 4, 2021 6:06 PM from fatimah valentin to everyone: Vernon, Tyler, Jefferson

May 4, 2021 6:06 PM from Orlando Rivera to everyone: Agree with DJ.

May 4, 2021 6:07 PM from Ryan Behring to everyone: Nolte from Polk to Tyler needs Curb and gutter!

May 4, 2021 6:07 PM from Becky Brown to everyone: pedestrian improvements and biking: Tyler, Vernon, Edgefield, all of Elmwood blvd

May 4, 2021 6:07 PM from Daniel Rosales II to everyone: No to commercial developers

May 4, 2021 6:07 PM from Cynthia to everyone: How do you plan on engaging more of the community in these meetings? There are thousands of residents affected by this project and only 100 people listening today. These meetings should be promoted as much as election campaigns

May 4, 2021 6:07 PM from Araceli H to everyone: Brooklyn and Burlington could use improvements in sidewalks. Burlington could have bike lanes.

May 4, 2021 6:07 PM from Ramon to everyone: I'd like for me, my parents, neighbors not to get displaced. Lived here all my life. It's fine as is, just fix up what's needed, good streets, sidewalks.

May 4, 2021 6:07 PM from Cynthia to everyone: Bike lanes on Edgefield

May 4, 2021 6:07 PM from Rob Shearer to everyone: +1 Ramon

May 4, 2021 6:07 PM from Araceli H to everyone: +1 Cynthia

May 4, 2021 6:07 PM from Frances Estelle to everyone: I like Charles' idea. Hopefully it doesn't stop at Edgefield, but continue East to Tyler on residential streets

May 4, 2021 6:08 PM from Araceli H to everyone: Great comment Iris!

May 4, 2021 6:08 PM from Ria Narsiah to everyone: great call out Iris

May 4, 2021 6:08 PM from Anthony Rash to everyone: thanks for saying that @ Cynthina

May 4, 2021 6:08 PM from Justin Warren to everyone: Sidewalks everywhere. Bike lanes on Edgefield. General revisioning of Clarendon that slows traffic and allows it to serve everyone as an E/W thoroughfare for the area.

May 4, 2021 6:08 PM from Karla to everyone: the street design in the elmwood business area is original to the history of this neighborhood i think. perhaps just add wider sidewalks and not changing the design of the district.

May 4, 2021 6:09 PM from Anthony Rash to everyone: Agree @Gio

May 4, 2021 6:09 PM from Rob Shearer to everyone: +1 Gio

May 4, 2021 6:09 PM from Daniel Rosales II to everyone: +1 gio

May 4, 2021 6:09 PM from Araceli H to everyone: +1 gio

May 4, 2021 6:09 PM from Lily Sanchez to everyone: +1 Gio

May 4, 2021 6:09 PM from Cynthia to everyone: +1 gio

May 4, 2021 6:09 PM from Frances Estelle to everyone: Agreed about prirotizing school areas. We should also consider something for our seniors

May 4, 2021 6:09 PM from Todd Eich to everyone: Get vaccinated so we can get past the pandemic.

May 4, 2021 6:10 PM from Guadalupe Perez to everyone: I'm just glad it's being addressed, during the pandemic is not the most ideal time I agree but I don't think there's an ulterior motive

May 4, 2021 6:10 PM from Jazmine Lopez to everyone: Why let the community know just a few months ago then?

May 4, 2021 6:10 PM from Guadalupe Perez to everyone: City planning and development takes years

May 4, 2021 6:10 PM from Becky Brown to everyone: what if we focus on downtown Elmwood first?

May 4, 2021 6:10 PM from Ryan Behring to everyone: How do we reconcile the priorities of bringing jobs to Dallas and neighbors who don't want jobs in their neighborhood?

May 4, 2021 6:10 PM from Becky Brown to everyone: and the entire part of Edgefield on this map.

May 4, 2021 6:11 PM from Gabrielle Rodriguez to everyone: Somebody explain to me where in the world is "downtown elmwood"

May 4, 2021 6:11 PM from Iris Summers to everyone: I do not know if we should invest in bike lanes, just yet. They can become a headache and take away property from land owners. I believe the first step is ensuring safe sidewalks and safe streets. Safe streets will lead to safer biking options

May 4, 2021 6:11 PM from Rob Shearer to everyone: Ryan - I haven't heard anyone say they don't want jobs in Oak Cliff. I have heard people say they don't want to bulldoze their single family homes to make room for jobs

May 4, 2021 6:11 PM from fatimah valentin to everyone: Rezoning does not provide affordable housing, just the opposite. It's the first step for corporate takeover of a neighborhood

May 4, 2021 6:11 PM from rosa to everyone: it didn't seem that difficult when some members knock door door door mailers when they need Vote

May 4, 2021 6:11 PM from Ryan Behring to everyone: You're funny man

May 4, 2021 6:11 PM from Cynthia to everyone: +1 rosa

May 4, 2021 6:11 PM from Gabrielle Rodriguez to everyone: +1 rosa

May 4, 2021 6:11 PM from Rob Shearer to everyone: +1 rosa

May 4, 2021 6:11 PM from Becky Brown to everyone: Edgiefield roughly from Newport to Tennessee. Is that right?

May 4, 2021 6:12 PM from Rosa Vazquez to everyone: if it's been in the works why do we just know now... and why during a pandemic

May 4, 2021 6:12 PM from Daniel Rosales II to everyone: The city needs to use the mailing services. I have not received anything in the mail about any of these changes being planned or proposed.

May 4, 2021 6:12 PM from Karla to everyone: Fatimah! Yes!

May 4, 2021 6:12 PM from Becky Brown to everyone: maybe Elmwood to Tennessee

May 4, 2021 6:12 PM from Daniel Rosales II to everyone: +1 rosa

May 4, 2021 6:12 PM from Rosa Vazquez to everyone: exactly Fatima

May 4, 2021 6:12 PM from Ofelia Faz-Garza to everyone: Exactky Rosa V.

May 4, 2021 6:12 PM from Daniel Rosales II to everyone: +1 fatimah

May 4, 2021 6:12 PM from Orlando Rivera to everyone: Yes, we shouldn't delay a process that will potentially improve our neighborhood.

May 4, 2021 6:12 PM from rosa to everyone: is there a way to send mass mailers to residents?

May 4, 2021 6:12 PM from Rosa Vazquez to everyone: these huge developments are just kicking people out of their homes

May 4, 2021 6:13 PM from Andy Ramirez to everyone: You can't be serious it's your job to do the outreach and figure it out

May 4, 2021 6:13 PM from Pat Ford to everyone: I agree with the comment above, rezoning will not increase affordability. The driver on the Authorized Hearing was the fact that a developer has bought up land north of the Tyler Street station.

May 4, 2021 6:13 PM from alejandra to everyone: I agree with iris, the streets are not safe at all to focus on biking lanes. People are always speeding down Polk.

May 4, 2021 6:13 PM from javier to everyone: Agree with Rosa

May 4, 2021 6:13 PM from Whitney Marsh to everyone: Please don't delay improvement.

May 4, 2021 6:13 PM from fatimah valentin to everyone: Exactly Rosa!

May 4, 2021 6:13 PM from Gabrielle Rodriguez to everyone: I actually asked to get off work early to be here

May 4, 2021 6:13 PM from Cynthia to everyone: Plenty of projects were placed on hold in the past year, what makes this project different?

May 4, 2021 6:13 PM from Ryan Behring to everyone: @rob - A "developer" puts an offer to buy an automotive shop and turn it into a small office and neighbors freak out. That's a problem.

May 4, 2021 6:13 PM from Andy Ramirez to everyone: We will be happy to help but it's your job to get the word out

May 4, 2021 6:13 PM from Rosa Vazquez to everyone: taxes even this year with a pandemic are crazy high...

May 4, 2021 6:13 PM from Daniel Rosales II to everyone: Just give us basic civil services, not rezoning

May 4, 2021 6:13 PM from Andy Ramirez to everyone: No your not

May 4, 2021 6:13 PM from MrC to everyone: Fatimah,

Not rezoning from single family actually makes it easier to displace and decrease overall affordability. The cheapest two bedroom home in Oak Lawn on Zillow is lower than the cheapest two bedroom in Elmwood.

May 4, 2021 6:13 PM from Trey Clark to everyone: No need to be sorry Gio!

May 4, 2021 6:13 PM from Gabrielle Rodriguez to everyone: A NEIGHBOR owns the automotive shop

May 4, 2021 6:14 PM from Andy Ramirez to everyone: This is only 120 people

May 4, 2021 6:14 PM from javier to everyone: Input: Transparent message with Spanish speakers

May 4, 2021 6:14 PM from Gabrielle Rodriguez to everyone: thats why NEIGHBORS freak out

May 4, 2021 6:14 PM from Pat Ford to everyone: No on new land uses.

May 4, 2021 6:14 PM from Andy Ramirez to everyone: Just ignore all the comments

May 4, 2021 6:14 PM from Rosa Vazquez to everyone: if it's because Dallas is growing why do you have to try to rezone oak cliff.. why not go where there is empty land

May 4, 2021 6:14 PM from Andrew to everyone: The entire area needs an ADU overlay.

May 4, 2021 6:14 PM from Todd Eich to everyone: 120 people out of 40K is probably indicative of our voter turnout.

May 4, 2021 6:14 PM from Daniel Rosales II to everyone: +1 rosa vazquez

May 4, 2021 6:15 PM from Gabrielle Rodriguez to everyone: YES ANTHONY

May 4, 2021 6:15 PM from Andrew to everyone: We need eightplexes allowed within a 1/4 mile of DART stations

May 4, 2021 6:15 PM from Rosa Vazquez to everyone: this is what happened with West Dallas a few years ago... high taxes and making people sell and leaving them with out a home that they have been in for years

May 4, 2021 6:16 PM from DJ to everyone: We are lacking parks and playgrounds in this area.

May 4, 2021 6:16 PM from Cynthia to everyone: Instead of rezoning, why don't we start with stronger enforcement of our code compliance services

May 4, 2021 6:16 PM from Sue Hounsel (privately): need to preserve some essential services & local businesses including auto repair

May 4, 2021 6:16 PM from fatimah valentin to everyone: Oak Cliff nature preserve is great but needs some love

May 4, 2021 6:16 PM from Guadalupe Perez to everyone: Agree Fatimah

May 4, 2021 6:16 PM from Gabrielle Rodriguez to everyone: We're talking about places and streets and landmarks but we should be talking about the neighbors who live in the neighborhood.

May 4, 2021 6:16 PM from Ramiro Luna to everyone: right on Anthony

May 4, 2021 6:16 PM from Daniel Rosales II to everyone: We don't need duplexes just fix our streets and add more green spaces

May 4, 2021 6:16 PM from Andrew to everyone: We need mid block cul de sacs that allow pedestrians and cyclists to pass through but also create pocket park sites

May 4, 2021 6:17 PM from Gabrielle Rodriguez to everyone: @Cynthia how would you like to enforce?

May 4, 2021 6:17 PM from Ric H to everyone: Keep Elmwood dog park as is or expand it.

May 4, 2021 6:17 PM from Rosa Vazquez to everyone: agree with DJ

May 4, 2021 6:17 PM from Becky Brown to everyone: I agree Ric

May 4, 2021 6:17 PM from Daniel Rosales II to everyone: +1 DJ

May 4, 2021 6:17 PM from Rosa Vazquez to everyone: instead of rezoning what about rec centers for the kids

May 4, 2021 6:18 PM from Daniel Rosales II to everyone: +1 rosa

May 4, 2021 6:18 PM from fatimah valentin to everyone: Right on rosa

May 4, 2021 6:18 PM from Cynthia to everyone: Checking COs to verify that land is being correctly used

May 4, 2021 6:18 PM from Violeta Gallardo Montejano to everyone: Ric we are working on adding amenities to the park

May 4, 2021 6:18 PM from Trey Clark to everyone: +1 Rosa

May 4, 2021 6:18 PM from fatimah valentin to everyone: No one cares about a neighborhood until outsiders see dollar signs

May 4, 2021 6:18 PM from Rob Shearer to everyone: "desireable" is an extremely relative term

May 4, 2021 6:18 PM from Daniel Rosales II to everyone: +1 fatimah!!!

May 4, 2021 6:18 PM from Diana Gutierrez to everyone: ^^agree with Fatimah

May 4, 2021 6:18 PM from Frances Estelle to everyone: Good suggestions Anthony. Maybe getting a petition/list of those who have challenges with attending meetings due to time or technology or language.

May 4, 2021 6:19 PM from JC Strickland to everyone: Would love to see a walk-bike trail that connects Tyler-Vernon station to Westmoreland station and beyond.

May 4, 2021 6:19 PM from Iris Summers to everyone: Great point Barbara!

May 4, 2021 6:19 PM from Iris Summers to everyone: Code Enforcement is not working in West Oak Cliff

May 4, 2021 6:19 PM from Whitney Marsh to everyone: Such a good point!

May 4, 2021 6:19 PM from Reyna to everyone: I wish everyone had the 80s 90s mentality that Oakcliff was the worse place to live and just go elsewhere :-(

May 4, 2021 6:19 PM from Rob Shearer to everyone: What we saw on the Bishop/Davis zoning is that they outlawed all automotive use. Existing automotive can stay, but no new automotive can open. It is an intentional effort to zone out not just a business but a class of people.

May 4, 2021 6:19 PM from Daniel Rosales II to everyone: Imaooo

May 4, 2021 6:20 PM from Becky Brown to everyone: Are we one of the areas mentioned by the chief of police this week with high crime?

May 4, 2021 6:20 PM from fatimah valentin to everyone: Reyna 😂

May 4, 2021 6:20 PM from Cynthia to everyone: Instead of focusing on new infrastructures, can we focus on rebuilding the southwest police station? It is in the worst condition of all police stations

May 4, 2021 6:21 PM from Ramon to everyone: as a youth, the tire shop on Clarendon and Edgefield would give me and my friends in high school. More tire shops and businesses who provide outlets to benefit our youth

May 4, 2021 6:21 PM from Todd Eich to everyone: Code Compliance Officer for West Oak Cliff - Dennis Broadnax (469) 515-0341; dennis.broadnax@dallascityhall.com

May 4, 2021 6:21 PM from Jazmine Lopez to everyone: Okay but this is Tyler/Vernon meeting

May 4, 2021 6:21 PM from Andrew to everyone: we need a demo overlay that when a structure is demolished only a more dense structure can replace it. Ex: a SFH is demolished can only be replaced a duplex or bigger

May 4, 2021 6:21 PM from Todd Eich to everyone: Destination sites are key to development in West Oak Cliff.

May 4, 2021 6:21 PM from Anthony Rash to everyone: but who does the development really help?

May 4, 2021 6:22 PM from gio to everyone: Not true Joe. There's businesses and restaurants and a non profit

May 4, 2021 6:22 PM from Whitney Marsh to everyone: We're going to have a coffee shop, and we have a casino 🎰

May 4, 2021 6:22 PM from Rosa Vazquez to everyone: agree bishop arts is packed that it's hard for the people who live here to enjoy it

May 4, 2021 6:22 PM from Gabrielle Rodriguez to everyone: People in this area have old cars with alot of problems. I know I do.

May 4, 2021 6:22 PM from Anthony Rash to everyone: and Downtown elmwood needs to uplift local lantio businesses not overdeveloped, overdesigned facades like bishop arts

May 4, 2021 6:22 PM from Holly to everyone: They don't go to Bishop arts bc it's all valet

May 4, 2021 6:22 PM from Orlando Rivera to everyone: No parking

May 4, 2021 6:22 PM from Becky Brown to everyone: I love the Elmwood garden

May 4, 2021 6:22 PM from Orlando Rivera to everyone: Dallas is a giant parking lot.

May 4, 2021 6:23 PM from Todd Eich to everyone: All of the parking up and down our streets have turned our neighborhoods into single-lane roads.

May 4, 2021 6:23 PM from rosa to everyone: dont we have like a million coffee places in bishop area to build more and more.

May 4, 2021 6:23 PM from Daniel Rosales II to everyone: +! gio

May 4, 2021 6:23 PM from Kelly Wiley to everyone: Oak Cliff people don't to Bishop Arts anymore, it's too inconvenient. They've moved the neighborhood out of Bishop Arts.

May 4, 2021 6:23 PM from Whitney Marsh to everyone: As a small business owner I'd open a shop if we had more foot traffic and it was a safer place.

May 4, 2021 6:23 PM from Ramiro Luna to everyone: downtown Elmwood use to have Grassroots Kitchen how about breaks for real small LOCAL small busniesses

May 4, 2021 6:23 PM from Pat Ford to everyone: Elmwood still has Lulus.

May 4, 2021 6:23 PM from Anthony Rash to everyone: if we discuss what walkability is, it's really a linkage to public transit

May 4, 2021 6:24 PM from Liz Provost to everyone: anyone know who owns all those downtown elmwood buildings? it's not Jim Lake is it

May 4, 2021 6:24 PM from Frances Estelle to everyone: I agree with auto shops meeting code. At the same time offering resources to existing small business owners in the community to help them succeed and provide services as well as jobs.

May 4, 2021 6:24 PM from Justin Warren to everyone: +1 Joe

May 4, 2021 6:24 PM from Iris Summers to everyone: When we did this in Indiana, we had the similar issue with beer/wine. We setup a separate liquor law zone just for the downtown area, to allow for more ease of liquor laws.

May 4, 2021 6:24 PM from Todd Eich to everyone: Grassroots Kitchen was an amazing restaurant and they couldn't make a go of it. :-(

May 4, 2021 6:24 PM from gio to everyone: Bishop has become a tourist destination which has impacted teh surrounding nighbors. ask them about airbnb party homes

May 4, 2021 6:24 PM from Chad Dolezal to everyone: Agree with Joe

May 4, 2021 6:24 PM from Araceli H to everyone: I would love to see development paired with community programs to allow residents of OC to launch their businesses in the city and not get priced out.

May 4, 2021 6:24 PM from Gabrielle Rodriguez to everyone: +1 Araceli

May 4, 2021 6:24 PM from Gabrielle Rodriguez to everyone: Yes, local, local, local

May 4, 2021 6:25 PM from Anthony Rash to everyone: yes @Araceli

May 4, 2021 6:25 PM from Anthony Rash to everyone: take Araceli's comment the whole way

May 4, 2021 6:25 PM from rosa to everyone: how about we add affordable housing instead of ANOTHER coffee and restaurants. by affordable housing I don't mean overpriced apartments / townhouses like on Colorado

May 4, 2021 6:25 PM from Cynthia to everyone: +1 rosa

May 4, 2021 6:25 PM from gio to everyone: @liz it's probably Bob Stimson

May 4, 2021 6:25 PM from Daniel Rosales II to everyone: +1 rosa

May 4, 2021 6:25 PM from Ofelia Faz-Garza to everyone: I used to have a business in the Elmwood area a few years ago and even back then the rent was unsustainable. You can't get more small and local business unless the rent is affordable.

May 4, 2021 6:25 PM from Lily Sanchez to everyone: +1 rosa

May 4, 2021 6:25 PM from Maria Chavez to everyone: +1 rosa

May 4, 2021 6:25 PM from Carlin to everyone: We don't want Downtown Elmwood to be

ever will be Bishop Arts. Just some core

May 4, 2021 6:26 PM from Andy Ramirez to everyone: I agree Carlin that's a terrible idea

May 4, 2021 6:26 PM from Katie to everyone: agree Carlin

May 4, 2021 6:26 PM from Guadalupe Perez to everyone: agree

May 4, 2021 6:26 PM from Ofelia Faz-Garza to everyone: Agree Carlin!

May 4, 2021 6:26 PM from Rosa Vazquez to everyone: agree Carlin

May 4, 2021 6:26 PM from andreea.udrea (privately): I am here, ... :)

May 4, 2021 6:26 PM from Cynthia to everyone: Thank you @gio for voicing the concerns of the residents who were unaware or unable to attend this meeting

May 4, 2021 6:27 PM from Carlin to everyone: Sorry, hit send when editing, but you get the drift

May 4, 2021 6:27 PM from Frances Estelle to everyone: Evans point!

May 4, 2021 6:27 PM from andreea.udrea (privately): we can announce the public input meetings for ZOAC parking code amendment 5.19 and 5.20

May 4, 2021 6:27 PM from Todd Eich to everyone: I have been attending these neighborhood meetins for over two years. Some of you need to get involved in your neighborhood associations so you are better informed.

May 4, 2021 6:27 PM from MrC to everyone: There is room to add affordable housing at Westmoreland station without disrupting the character of the neighborhoods.

May 4, 2021 6:27 PM from Rosa Vazquez to everyone: yes Cynthia if not I would not know about the meeting

May 4, 2021 6:27 PM from Diana Gutierrez to everyone: We're trying @Todd. I found out about this meeting because of Gio.

May 4, 2021 6:28 PM from rosa to everyone: @thanks gio you definitely keeping us more informed than COD staff

May 4, 2021 6:28 PM from gio to everyone: @todd what about the community that doesnt have Neighborhood Assc.s?

May 4, 2021 6:28 PM from Jesus Valadez to everyone: we don't want "another bishop arts" but is their enough clientele to support local businesses? There's a reason why Grassroots closed. Great food but I'm assuming not enough foot traffic to pay the bills.

May 4, 2021 6:28 PM from Cynthia to everyone: Yes Rosa!

May 4, 2021 6:28 PM from Katie to everyone: was it foot traffic or high rent?

May 4, 2021 6:28 PM from Anthony Rash to everyone: Perhaps there is a tactic that we start with street improvements

May 4, 2021 6:28 PM from Anthony Rash to everyone: ?

May 4, 2021 6:28 PM from Becky Brown to everyone: The Elmwood Neighborhood Association rocks

May 4, 2021 6:28 PM from javier to everyone: Found out because of Gio as well

May 4, 2021 6:28 PM from Todd Eich to everyone: Gio, you can join our neighborhood association - Jimtown NA. We'll gladly welcome you!

May 4, 2021 6:28 PM from Trey Clark to everyone: same

May 4, 2021 6:29 PM from Anthony Rash to everyone: Move into development after street improvement?

May 4, 2021 6:29 PM from gio to everyone: @todd Thank you

May 4, 2021 6:29 PM from Trey Clark to everyone: Daniel is out

May 4, 2021 6:29 PM from Daniel Rosales II to everyone: @anthony exactly

May 4, 2021 6:30 PM from Frances Estelle to everyone: Not all have been invited into NA or formed one. NOW one has been newly formed!

May 4, 2021 6:31 PM from Trey Clark to everyone: who is actually afraid of some spray paint?

May 4, 2021 6:32 PM from Gabrielle Rodriguez to everyone: How are the businesses surviving if nobody wants them?

May 4, 2021 6:32 PM from Anthony Rash to everyone: There needs to be "eyes on the streets" that's what makes a community safe, a-la Jane Jacobs

May 4, 2021 6:32 PM from Andrew to everyone: As Jane Jacobs said in her book that a safe neighborhood needs as many eyes on the street so we need more dense housing in downtown Elmwood

May 4, 2021 6:32 PM from Todd Eich to everyone: We have NA meetings and 8 people show up and 4 are couples. Zoom calls couldn't be more convenient for most people and a scant few attend. It is not that NA don't exist, it's that nobody participates.

May 4, 2021 6:32 PM from Anthony Rash to everyone: hahaha! great call @Andrew

May 4, 2021 6:32 PM from rosa to everyone: I think overall everyone's concern that small gentrification tends to bleed out to the neighborhood near by. This leading to skyrocketing tax prices and eventually making neighbors move. This usually affecting lower income residents. all this for what a few more shops

May 4, 2021 6:33 PM from Kelly Wiley to everyone: There's a lot of businesses in Tyler Station, it's walkable and the people don't really visit the Station to shop. It's about 25% of the community that supports us or venture over to us. So we talk about more shops and changing zoning we need more walking traffic.

May 4, 2021 6:33 PM from Daniel Rosales II to everyone: +1 rosa

May 4, 2021 6:33 PM from Cynthia to everyone: +1 rosa

May 4, 2021 6:33 PM from Carlin to everyone: There's a lot coming up about short term rentals in Dallas & my fear is more house flipping, not for neighbors to move in, but investors to set up as STRs, if house sales go down.

May 4, 2021 6:33 PM from Frances Estelle to everyone: Still not inclusive NAs, but thankful receiving help from those experienced.

May 4, 2021 6:33 PM from Trey Clark to everyone: +rosa

May 4, 2021 6:33 PM from Maria Chavez to everyone: =1 rose

May 4, 2021 6:33 PM from Frances Estelle to everyone: Rosa!

May 4, 2021 6:33 PM from Maria Chavez to everyone: +1 Rosa

May 4, 2021 6:34 PM from Rob Shearer to everyone: +1 Rosa

May 4, 2021 6:34 PM from Diana Gutierrez to everyone: Yes Rosa 👍

May 4, 2021 6:34 PM from Araceli H to everyone: +1 rosa

May 4, 2021 6:34 PM from Ofelia Faz-Garza to everyone: Not everyone lives in an area with a neighborhood association. The onus is on the city and our representatives to go out into the community to get the info out.

May 4, 2021 6:34 PM from Todd Eich to everyone: Amazon has made it difficult for the small business owner to succeed. People would rather shop on line and have it delivered to their door that get out and meet their neighbors.

May 4, 2021 6:34 PM from Lily Sanchez to everyone: +1 Rosa

May 4, 2021 6:34 PM from Pat Ford to everyone: I am sorry, but I think Mr Stimson is wrong, in CR zoning residential is not prohibited, unless the City's Zoning website is wrong.

May 4, 2021 6:34 PM from Cynthia to everyone: +1 Rosa and Carlin

May 4, 2021 6:35 PM from Cynthia to everyone: We should be catering to the NEEDS of the community rather than the WANTS

May 4, 2021 6:35 PM from Ramon to everyone: Todd my in-laws live in Jimtown, have you down outreach to neighbors?

May 4, 2021 6:35 PM from Daniel Rosales II to everyone: +1 cynthia

May 4, 2021 6:35 PM from rosa to everyone: +1 cynthia

May 4, 2021 6:35 PM from Todd Eich to everyone: @Ramon. Yes, we have meetings and your in-laws don't attend.

May 4, 2021 6:36 PM from Maria Chavez to everyone: +1 cynthia

May 4, 2021 6:36 PM from Augustine Jalomo (privately): Do you only want residents or property owners, residents to vote on these questions? I live in Kidd Springs.

May 4, 2021 6:37 PM from Anthony Rash to everyone: Agree with Cynthia

May 4, 2021 6:37 PM from Anthony Rash to everyone: Agree with Ofelia

May 4, 2021 6:37 PM from Rob Shearer to everyone: Not just uptown... Bishop Arts

May 4, 2021 6:37 PM from JC Strickland to everyone: What are the street boundaries of Jimtown?

May 4, 2021 6:37 PM from Anthony Rash to everyone: Community and Civic! we need local ownership!!!

May 4, 2021 6:38 PM from fatimah valentin to everyone: +1 rob

May 4, 2021 6:38 PM from Ramon to everyone: @todd next meeting?

May 4, 2021 6:38 PM from Todd Eich to everyone: I love the idea of Civic Use Spaces where neighbors can congregate and get to know each other.

May 4, 2021 6:38 PM from Ramon to everyone: just asked em and they'd like to join

May 4, 2021 6:38 PM from rosa to everyone: clearly code can keep up with the land uses now and we want to add more. all these sound like parking problems already

May 4, 2021 6:38 PM from Anthony Rash to everyone: Would love to make places like Downtown Elmwood sanctuaries for the community, not destinations for tourism. (although this happens as a result of it's own entropy and emergent properties of urbanism)

May 4, 2021 6:38 PM from Karla to everyone: community\civic spaces

May 4, 2021 6:38 PM from Cynthia to everyone: The problem with these multi family homes is the loss of personal space such as a backyards. This is highly valued by many of the residents

May 4, 2021 6:38 PM from gio to everyone: @todd i think we often fail to realize their are a different set of responsabilités than most working poor and working families. There's also barriers of entry such as, haing two jobs, taking care of granparents (most homes are intergenerational). We also have to realize most immigrant communities tend not to engage bc we come from oppressive goverments or are mistrustful of civic process

May 4, 2021 6:39 PM from Daniel Rosales II to everyone: +1 gio

May 4, 2021 6:39 PM from Diana Gutierrez to everyone: +1 Gio!!!

May 4, 2021 6:39 PM from Araceli H to everyone: +1 gio

May 4, 2021 6:39 PM from Cynthia to everyone: +1 gio

May 4, 2021 6:39 PM from rosa to everyone: the land use you describe is turning oak cliff into uptown

May 4, 2021 6:39 PM from fatimah valentin to everyone: +1 Anthony

May 4, 2021 6:39 PM from Anthony Rash to everyone: +1 Rosa

May 4, 2021 6:39 PM from Daniel Rosales II to everyone: +1 rosa

May 4, 2021 6:40 PM from rosa to everyone: loss of green space

May 4, 2021 6:40 PM from Todd Eich to everyone: @gio - Those sound like excuses that you expect someone else to overcome. I am sympathetic to everyone's plight but where there is a will, there is a way.

May 4, 2021 6:40 PM from Cynthia to everyone: +1 rosa

May 4, 2021 6:40 PM from Liz Provost to everyone: @gio what are their needs? how can we develop the neighborhood to cater to them?

May 4, 2021 6:40 PM from Pat Ford to everyone: I am sorry to beat a dead horse, but to increase density, that means building new buildings, and that means displacing current residents. Yes, someone may say that they will have "affordable" housing, but are the residents currently there are just supposed to drive around the block for a few years? People live here because it is currently affordable. I move to Oak Cliff 30 years ago exactly for that reason.

May 4, 2021 6:40 PM from fatimah valentin to everyone: +1 rosa

May 4, 2021 6:40 PM from Maria Chavez to everyone: +1 gio

May 4, 2021 6:40 PM from Cynthia to everyone: +1 pat

May 4, 2021 6:40 PM from Ramon to everyone: @todd you're not coming off like someone I'd like my in-laws to share space with

May 4, 2021 6:40 PM from Karla to everyone: library, art spaces

May 4, 2021 6:40 PM from Gabrielle Rodriguez to everyone: @todd they are your neighbors

May 4, 2021 6:41 PM from Lily Sanchez to everyone: how do we become a member of the Polk/Vernon association? anyone know who I can reach out to?

May 4, 2021 6:41 PM from Ria Narsiah to everyone: Correct Gio -- you are speaking to empathy. Which is essentially walking in someone else's shoes. In order to do that, we first have to take off our own shoes. It's up to each of us to decide whether or not we are willing to take off our own shoes to learn about the journey of others.

May 4, 2021 6:41 PM from Diana Gutierrez to everyone: I have SO many family members who don't know how to download an app and sign up like I did before this meeting. It's not possible for everyone!

May 4, 2021 6:41 PM from rosemary to everyone: I don't know why you don't do this in Kessler Park, why do you target our neighborhood? I don't want west oakclif become like bishop arts

May 4, 2021 6:41 PM from Anthony Rash to everyone: Systemic oppression, classism and racism is what Gio is talking about. Boot straps are a myth

May 4, 2021 6:42 PM from Daniel Rosales II to everyone: +1 anthony!!

May 4, 2021 6:42 PM from Dallas Dunaway to everyone: @Ramon we haven't been scheduling any Jimtown NA meetings during the pandemic. If you'd like to provide your family's contact info, feel free to email me at [dallasdunaway@gmail.com](mailto:dallasdunaway@gmail.com), or have them reach our there and I'll make sure they're informed of the meetings.

May 4, 2021 6:42 PM from Maria Chavez to everyone: +1 rosemary

May 4, 2021 6:42 PM from MrC to everyone: Kessler already did this. There are almost 1000 units of housing going in across the street from them.

May 4, 2021 6:42 PM from Gabrielle Rodriguez to everyone: May I speak about the spanish speaking resources?

May 4, 2021 6:42 PM from Daniel Rosales II to everyone: +1 rosemary

May 4, 2021 6:42 PM from Rob Shearer to everyone: Where, @MrC?

May 4, 2021 6:42 PM from Ramon to everyone: @dallas thank you for the information. I'll be reaching out.

May 4, 2021 6:42 PM from Rob Shearer to everyone: Because I think those units are by Kidd Springs, not Kessler

May 4, 2021 6:42 PM from libb hayhurst to everyone: Is there any development proposed west of hampton?

May 4, 2021 6:42 PM from MrC to everyone: Directly across the street on Beckley. Three separate complexes

May 4, 2021 6:42 PM from Marco to everyone: @cynthia CPC rejected it because the commissioners were concerned that the neighborhood was being deprived of a seat at the table due to a lack of a steering committee. They we're also concerned about the large size of the planning area.

May 4, 2021 6:43 PM from Rob Shearer to everyone: @MrC - that is not Kessler. That is Kidd Springs.

May 4, 2021 6:43 PM from Ofelia Faz-Garza to everyone: Does Webex have a way to do simultaneous translations? I've been in several Zooms where the org partners with a language justice organization for simultaneous translation in different languages. I think that's better than having separate breakout rooms.

May 4, 2021 6:43 PM from MrC to everyone: Those complexes are less than a five minute walk from million dollar homes.

May 4, 2021 6:43 PM from Anthony Rash to everyone: There are plenty of good examples out there referring to how we can connect the neighborhood. Specifically I am referring to the Southwest Corridor in Boston.

May 4, 2021 6:43 PM from Pat Ford to everyone: Marco is exactly correct about the rejection at the CPC.

May 4, 2021 6:43 PM from Rob Shearer to everyone: Still not Kessler

May 4, 2021 6:43 PM from rosa to everyone: let me say we do want to see single dwelling homes mostly

May 4, 2021 6:44 PM from Anthony Rash to everyone: @City of Dallas, keep spatial injustice in mind - this plays out mainly in communities of color

May 4, 2021 6:44 PM from MrC to everyone: It's solidly East Kessler Rob. Their zoning was worked on with the Oak Cliff gateway.

All the complexes I referenced are north of Colorado.

May 4, 2021 6:46 PM from Pat Ford to everyone: On # 5, I walk, ride my bike, and walk over to DART in addition to driving. It will only allow you to select one.

May 4, 2021 6:46 PM from Liz Provost to everyone: So using our empathy hats.... the city wants to know how we want these areas to look like in the future. What do our latinx and/or lower income neighbors need? What would benefit them most in these areas? Or is that just it.... it's not that they need different zoning or land use, they just need better paying jobs!!?

May 4, 2021 6:46 PM from Guadalupe Perez to everyone: I think if we want affordable housing, we'd have to think beyond single family housing and accommodate for the residents that live in intergenerational households like someone said earlier

May 4, 2021 6:47 PM from Eleanor Mathis to everyone: Agree with Guadalupe

May 4, 2021 6:47 PM from Anthony Rash to everyone: also more HUD and City funding from federal government @Liz

May 4, 2021 6:47 PM from MrC to everyone: So if you don't want to change the character of the community but you also want affordable housing for our Latin communities, where do they go?

May 4, 2021 6:48 PM from Liz Provost to everyone: Thanks Anthony, can City government help with that?

May 4, 2021 6:48 PM from Anthony Rash to everyone: I

May 4, 2021 6:48 PM from Carlin to everyone: Mixed use....nope!

May 4, 2021 6:48 PM from kate eberhardt to everyone: @rob - I think he is talking about the ones at beckley near 30, just north of Methodist. That's my guess

May 4, 2021 6:49 PM from Ramiro Luna to everyone: E. Should include with added lighting etc.

May 4, 2021 6:49 PM from Anthony Rash to everyone: I'm not well versed in policy, but I think that's our State representatives first and foremost

May 4, 2021 6:49 PM from MrC to everyone: They're is a workforce/affordable housing proposal at Westmoreland Station. If that is of interest to you, reach out to council.

May 4, 2021 6:49 PM from rosa to everyone: @guadalupe agree. most people that live in multi use buildings more than likely will not be able to afford new town homes basing off the prices of the newer apartments thT have been built 8n the area

May 4, 2021 6:50 PM from Liz Provost to everyone: @Chad how can the city help with affordable housing? Is there much you can do or is it more of a state and federal level thing?

May 4, 2021 6:50 PM from Sue Hounsel (privately): adaptive reuse, make area more viable for restaurants - there have been good ones but they don't survive

May 4, 2021 6:50 PM from Andy Ramirez to everyone: You can't take the poll of 111 people seriously!?!

May 4, 2021 6:50 PM from Ramon to everyone: Real affordable housing.

May 4, 2021 6:50 PM from Andy Ramirez to everyone: This is crazy

May 4, 2021 6:50 PM from Ramon to everyone: not just labeled as such

May 4, 2021 6:50 PM from Daniel Rosales II to everyone: lmaoo for real @andy

May 4, 2021 6:50 PM from gio to everyone: @andy yes!

May 4, 2021 6:50 PM from Anthony Rash to everyone: Does everyone know what mixed-use retail/ development implies? I dont think that result is a good reflection of the earlier conversation

May 4, 2021 6:51 PM from rosa to everyone: +1 andy

May 4, 2021 6:51 PM from fatimah valentin to everyone: Now you can say you asked the neighborhood before going ahead and doing what you've already planned to do. 🙌

May 4, 2021 6:51 PM from Daniel Rosales II to everyone: exactly @anthony

May 4, 2021 6:51 PM from Liz Provost to everyone: silent majority

May 4, 2021 6:51 PM from Cynthia to everyone: Mixed use of land will lead to an increase in taxes that will eventually drive out the lower income community. Where is the affordable housing?

May 4, 2021 6:51 PM from Anthony Rash to everyone: Agree with @andy we need a larger statistical pool

May 4, 2021 6:51 PM from Daniel Rosales II to everyone: +1 fatimah

May 4, 2021 6:51 PM from Andy Ramirez to everyone: A much larger poll! Thank you @Anthony

May 4, 2021 6:51 PM from Andy Ramirez to everyone: \*pool

May 4, 2021 6:52 PM from Pat Ford to everyone: "mixed use" in development terms, means what is going on at Trinity Groves, retail on the first floor, and apartments or condos above. Multi story.

May 4, 2021 6:52 PM from Daniel Rosales II to everyone: +1 cynthia

May 4, 2021 6:52 PM from Trey Clark to everyone: mixed use people are hella quiet tho

May 4, 2021 6:53 PM from rosa to everyone: +1 cynthia

May 4, 2021 6:53 PM from gio to everyone: Can one of the questions be: Who would like the plan to expand to the golf park, there's real opportunity for density there. half kidding

May 4, 2021 6:53 PM from Daniel Rosales II to everyone: Can y'all mail out this poll, to get a larger sample size??

May 4, 2021 6:53 PM from Liz Provost to everyone: depends... what type are easiest to make affordable?

May 4, 2021 6:53 PM from Anthony Rash to everyone: That's my point @Pat - many folks were not interested in that

May 4, 2021 6:53 PM from Cynthia to everyone: +1 daniel

May 4, 2021 6:53 PM from rosa to everyone: +1 daniel

May 4, 2021 6:53 PM from MrC to everyone: Single family is the hardest to keep affordable

May 4, 2021 6:53 PM from Gabrielle Rodriguez to everyone: No no no on the H

May 4, 2021 6:53 PM from Gabrielle Rodriguez to everyone: No more Hs

May 4, 2021 6:54 PM from Orlando Rivera to everyone: I agree Daniel.

May 4, 2021 6:54 PM from Gabrielle Rodriguez to everyone: Hs cost more than mortgage

May 4, 2021 6:54 PM from fatimah valentin to everyone: The ppl who want mixed use moved here bc it was affordable, but don't want the community it comes with.

May 4, 2021 6:54 PM from Guadalupe Perez to everyone: I think that's also the problem as well - not all of us are aware of the implications of building certain infrastructure, me included

May 4, 2021 6:54 PM from Daniel Rosales II to everyone: So affordable houses aren't marketable??

May 4, 2021 6:54 PM from Rosa Vazquez to everyone: affordable housing... there is a wait. oak. life is becoming unaffordable

May 4, 2021 6:54 PM from Orlando Rivera to everyone: Need more housing and/or choices.

May 4, 2021 6:54 PM from Daniel Rosales II to everyone: people need a roof over there heads! people over profits

May 4, 2021 6:54 PM from Daniel Rosales II to everyone: \*their

May 4, 2021 6:54 PM from Rosa Vazquez to everyone: TY daniel

May 4, 2021 6:55 PM from Eleanor Mathis to everyone: I do think that clarification of what "mixed use" limitations would be would be helpful. For example, something like what many neighborhoods in DC have- small businesses on the ground floor and one story of residences above them- is very different than businesses on the ground floor and 10 stories of apartments above them

May 4, 2021 6:55 PM from Lily Sanchez to everyone: most definitely Daniel

May 4, 2021 6:55 PM from Todd Eich to everyone: Who can afford a single-family home in Oak Cliff anymore? Even a small home is in excess of \$250K

May 4, 2021 6:56 PM from fatimah valentin to everyone: Exactly todd

May 4, 2021 6:56 PM from rosa to everyone: @todd right

May 4, 2021 6:56 PM from Diana Gutierrez to everyone: I can't afford a home in Oak Cliff

May 4, 2021 6:57 PM from Todd Eich to everyone: And if you can afford a single-family home, either taxes push you out or exorbitant rent.

May 4, 2021 6:57 PM from Liz Provost to everyone: one of the initial planning goals for this group is "Retain current residents and attract new residents by encouraging new AND affordable housing choices". I don't see polling options for affordable housing choices

May 4, 2021 6:57 PM from Carlin to everyone: I don't want to see residential options in Downtown Elmwood. Needs to remain a business Dist only

May 4, 2021 6:57 PM from Karla to everyone: i needed an extra sec to submit the poll

May 4, 2021 6:57 PM from Andrew to everyone: Spot zoning isn't effective as a blanket upzone. If everywhere gets upzoned then certain neighborhoods can't be pushed out because the affect of developers is spread out over miles and miles instead of a few blocks.

May 4, 2021 6:57 PM from Daniel Rosales II to everyone: +1 Liz

May 4, 2021 6:57 PM from Cynthia to everyone: #MakeHousingAffordableAgain

May 4, 2021 6:57 PM from Anthony Rash to everyone: Affordable housing is market rate and likely doesn't consider other costs of living, specifically with the sky rocketing costs of education and other forms of debt and increasing wealth gaps

May 4, 2021 6:57 PM from Rosa Vazquez to everyone: agree Carlin

May 4, 2021 6:57 PM from Anthony Rash to everyone: it is a very specific market sector

May 4, 2021 6:58 PM from Daniel Rosales II to everyone: +1 cynthia

May 4, 2021 6:58 PM from Araceli H to everyone: + 1 Eleanor. Definitions of mix use vary

May 4, 2021 6:58 PM from JC Strickland to everyone: Is there a none option for this poll?

May 4, 2021 6:58 PM from Liz Provost to everyone: @Daniel... thanks for addressing my question on affordable housing but it didn't sound like something this plan is really going to embrace, did I hear you correctly?

May 4, 2021 6:58 PM from rosa to everyone: +1 cynthia

May 4, 2021 6:59 PM from Rosa Vazquez to everyone: JC...lol... right

May 4, 2021 6:59 PM from Anthony Rash to everyone: Keep the Uptown out of Oak Cliff!!

May 4, 2021 6:59 PM from rosa to everyone: did not like any of the option tbh

May 4, 2021 6:59 PM from Daniel Rosales II to everyone: +! anthony and rosa

May 4, 2021 6:59 PM from Cynthia to everyone: +1jc rosa and anthony

May 4, 2021 6:59 PM from Carlin to everyone: No more retail as those are family homes all around there

May 4, 2021 6:59 PM from rosa to everyone: +1 cynthia

May 4, 2021 6:59 PM from Jazmine Lopez to everyone: More lighting and sidewalks

May 4, 2021 6:59 PM from rosa to everyone: no more retail

May 4, 2021 7:00 PM from Cynthia to everyone: no more retail

May 4, 2021 7:00 PM from Katie to everyone: no more retail

May 4, 2021 7:00 PM from Jazmine Lopez to everyone: More retail = bishop arts

May 4, 2021 7:01 PM from Jazmine Lopez to everyone: We don't need it

May 4, 2021 7:01 PM from Ramiro Luna to everyone: no options, poll seems lopsided.  
Should include options about improving existing infrastructure

May 4, 2021 7:01 PM from Daniel Rosales II to everyone: +1 ramiro

May 4, 2021 7:01 PM from Ramon to everyone: ^^+ + + + +

May 4, 2021 7:01 PM from Cynthia to everyone: +1 ramiro

May 4, 2021 7:01 PM from Diana Gutierrez to everyone: +1 Ramiro!!

May 4, 2021 7:01 PM from Ria Narsiah to everyone: Is the online survey available in Spanish?

May 4, 2021 7:01 PM from Ramiro Luna to everyone: i.e. lights, sidewalks, etc

May 4, 2021 7:01 PM from rosa to everyone: why bring more retail....I aren't they building red bird mall down the street

May 4, 2021 7:01 PM from Katie to everyone: please add an other option on future surveys

May 4, 2021 7:01 PM from Frances Estelle to everyone: Daniel, thank you for hosting and facilitating!

May 4, 2021 7:01 PM from Anthony Rash to everyone: infrastructure first. development second

May 4, 2021 7:01 PM from Rosa Vazquez to everyone: more retail=bishop arts = traffic

May 4, 2021 7:01 PM from Ramon to everyone: These meetings are extremely lacking in language justice

May 4, 2021 7:01 PM from Keith Vogelgesang to everyone: Just wanted to say thank you Daniel for taking the time this evening to run this. Keep up the great work!

May 4, 2021 7:02 PM from fatimah valentin to everyone: +1 Anthony

May 4, 2021 7:02 PM from Orlando Rivera to everyone: Thank you Daniel and Monique.

May 4, 2021 7:02 PM from Cynthia to everyone: Can we get info on the next meeting? And what the plan is to engage more of the community?

May 4, 2021 7:02 PM from Guadalupe Perez to everyone: yes anthony agree

May 4, 2021 7:02 PM from Diana Gutierrez to everyone: This entire meeting makes it feel like they are trying to fix what isn't broken. Yes there is room for improvement but we are talking about real people and their homes! They don't deserve to be data on a poll

May 4, 2021 7:02 PM from Elf to everyone: Thank you so much. Great info and great survey

May 4, 2021 7:02 PM from Daniel Rosales II to everyone: please mail these polls, it would make sense to get an accurate sample size

May 4, 2021 7:02 PM from Rosa Vazquez to everyone: Thank you Giovanni for letting us know. please keep posting on Facebook so we can be involved

May 4, 2021 7:03 PM from Juan Contreras to everyone: Thank you Gio and Chancla Squad for posting/sharing. 🙏

May 4, 2021 7:03 PM from Daniel Rosales II to everyone: +1 diana

May 4, 2021 7:03 PM from Jennifer to everyone: Since non-English speakers who called in were unable to listen to the presentation and did NOT have the opportunity to provide their input like all of us in the English session – will you be scheduling this meeting again in Spanish? Having people watch the Spanish recording afterwards or only sharing the slides is NOT inclusive.

May 4, 2021 7:03 PM from Ashley Guevara to everyone:  
<http://bit.ly/WOCAPEngagement>

May 4, 2021 7:03 PM from Jazmine Lopez to everyone: I agree with Diana

May 4, 2021 7:03 PM from Kelly Wiley to everyone: how about mail drops, or send ahead of time. not the day of.

May 4, 2021 7:03 PM from Cory Banacka to everyone:  
<http://bit.ly/WOCAPEngagement>

May 4, 2021 7:03 PM from fatimah valentin to everyone: Thanks Gio!

May 4, 2021 7:03 PM from Pat Ford to everyone: I agree with Diana G, if it works don't fix it. Wait, might \$\$\$ be involved?

May 4, 2021 7:03 PM from Cynthia to everyone: Thank you Gio for informing us of the meeting! The residents of Oak Cliff greatly appreciate you!

May 4, 2021 7:04 PM from Liz Provost to everyone: there are 3x as many participants in this meeting than the last one... words getting around at least!

May 4, 2021 7:04 PM from Diana Gutierrez to everyone: Does anyone have a link for the NA for the Kidd Springs area?

May 4, 2021 7:04 PM from Jazmine Lopez to everyone: We need these meetings in Spanish because majority of these neighborhoods are Latino and are uninformed

May 4, 2021 7:04 PM from Ramon to everyone: Thank you Gio for letting me know

May 4, 2021 7:04 PM from Ramiro Luna to everyone: Please host a spanish only meeting in person

May 4, 2021 7:04 PM from Enrique MacGregor to everyone: Thank youRia!

May 4, 2021 7:04 PM from javier to everyone: Exactly

May 4, 2021 7:04 PM from Ramiro Luna to everyone: Ria! :)

May 4, 2021 7:04 PM from Jennifer to everyone: Will this meeting be hosted solely in Spanish again?

May 4, 2021 7:04 PM from Daniel Rosales II to everyone: +1 ria!

May 4, 2021 7:05 PM from Ofelia Faz-Garza to everyone: Could the city set-up tables outside of grocery stores and laundry mats to get more responses to the surveys?

May 4, 2021 7:05 PM from javier to everyone: Well it is the community

May 4, 2021 7:05 PM from Andy Ramirez to everyone: Yes Ofelia! That would be great

May 4, 2021 7:05 PM from Jazmine Lopez to everyone: These meetings have to take place after 7pm

May 4, 2021 7:05 PM from Kelly Wiley to everyone: can you do the spanish meeting at the community center

May 4, 2021 7:05 PM from rosa to everyone: can I speak please

May 4, 2021 7:05 PM from Araceli H to everyone: Offering more than one time option will help a bit.

May 4, 2021 7:05 PM from Diana Gutierrez to everyone: Yes. The time of this meeting was ridiculous

May 4, 2021 7:05 PM from Jazmine Lopez to everyone: People get out of work late

May 4, 2021 7:05 PM from Ramon to everyone: hold meetings on the phone as well, y'all trying to do the least while seeking to transform our communities without us

May 4, 2021 7:05 PM from Ramiro Luna to everyone: we can do one at the brewery like when Chad attended

May 4, 2021 7:05 PM from Andy Ramirez to everyone: It should be paused until bigger meetings can happen and the Spanish problem is fixed

May 4, 2021 7:06 PM from Pat Ford to everyone: We need duplicate meetings in Spanish and English.

May 4, 2021 7:06 PM from Ramiro Luna to everyone: yes Martin Weiss too

May 4, 2021 7:06 PM from Ofelia Faz-Garza to everyone: I've been on plenty of Zooms with folks calling in and the organizers have a language justice group provide simultaneous translations. Does WebEx not allow for this?

May 4, 2021 7:06 PM from rosa to everyone: how can I say something not 9n chat

May 4, 2021 7:06 PM from rosemary to everyone: this is very unfair, people don't have the opportunity to get into the online meetings. they need to mail the questions to all the affected homes

May 4, 2021 7:06 PM from JC Strickland to everyone: Host it at the place at Tyler

May 4, 2021 7:06 PM from Rosa Vazquez to everyone: agree rosemary

May 4, 2021 7:06 PM from Francisca to everyone: Thank you Gio for letting the people know. I find it funny how I received a "vote for chad west" last week in the mail but not a reminder of this meeting in the mail. 😞 it would be great to have a meeting not at 5:30 since some (me) are either still in the office or driving.

May 4, 2021 7:06 PM from Diana Gutierrez to everyone: Rosa, you May need to unmute yourself

May 4, 2021 7:06 PM from Daniel Rosales II to everyone: unmute

May 4, 2021 7:07 PM from Cynthia to everyone: +1 francisca

May 4, 2021 7:07 PM from Lily Sanchez to everyone: @Francisca agree!

May 4, 2021 7:07 PM from Ofelia Faz-Garza to everyone: Why not push back that deadline? We are still grappling with the repercussions from the pandemic.

May 4, 2021 7:07 PM from Andy Ramirez to everyone: Yes the dead line needs to be pushed back

May 4, 2021 7:07 PM from Cynthia to everyone: +1 ofelia

May 4, 2021 7:08 PM from Jennifer to everyone: I have a question. Essentially this area plan land use document will inform future City policy? In addition to forwardDallas! (the City's Comprehensive Plan) this plan will also be another guide available for City Plan Commissioners to keep in mind when reviewing FUTURE zoning applications in the West Oak Cliff area?

May 4, 2021 7:08 PM from Andy Ramirez to everyone: Meaningful? How many is that

May 4, 2021 7:08 PM from Rosa Vazquez to everyone: can it be pushed back??

May 4, 2021 7:08 PM from Andy Ramirez to everyone: July is to soon

May 4, 2021 7:08 PM from Karla to everyone: People would participate if someone goes home to home and talk about the polls.

May 4, 2021 7:08 PM from Daniel Rosales II to everyone: how can they participate if yall are not doing everything to reach out??

May 4, 2021 7:08 PM from Ramon to everyone: it's not about not participating it's that more often than not, decisions have already been made and it's just a formality

May 4, 2021 7:08 PM from Guadalupe Perez to everyone: that is very true Ramon

May 4, 2021 7:09 PM from Kelly Wiley to everyone: Yes Francisca, I did receive a flyer for Chad West also in the mail, I got a email from a friend that works at the city today

May 4, 2021 7:09 PM from Lily Sanchez to everyone: +1 Ramon

May 4, 2021 7:09 PM from Todd Eich to everyone: If you keep pushing these planning meetings and deadlines back, corporate America will bulldoze your house and put up a parking lot to make a buck. We have to encourage our neighbors to get involved to envision our neighborhoods for the next 25 years.

May 4, 2021 7:09 PM from sylvia Lagos to everyone: Agreed Ramon

May 4, 2021 7:09 PM from Daniel Rosales II to everyone: +1 ramon

May 4, 2021 7:09 PM from Rosa Vazquez to everyone: your right Ramon... this is just to cover it up n say we have a say on it and they have already made up their minds

May 4, 2021 7:09 PM from Yolanda Alameda to everyone: that's not enough Joe

May 4, 2021 7:09 PM from Jazmine Lopez to everyone: Thanks to gio for getting word on on social or I would of not known about this meeting to translate to my parents who own their home here in the area but you need to inform more people ahead of time.

May 4, 2021 7:09 PM from Andy Ramirez to everyone: Maybe reach out to Lulac on Edgefield

May 4, 2021 7:10 PM from Lily Sanchez to everyone: agree @Rosa

May 4, 2021 7:10 PM from Rosa Vazquez to everyone: budget??? really????

May 4, 2021 7:10 PM from Daniel Rosales II to everyone: ????

May 4, 2021 7:10 PM from Andy Ramirez to everyone: You've got to be kidding me

May 4, 2021 7:10 PM from Rosa Vazquez to everyone: that is a slap in the face with budget

May 4, 2021 7:10 PM from Carlin to everyone: Someone offered to cover it

May 4, 2021 7:10 PM from Rosa Vazquez to everyone: black n white paper

May 4, 2021 7:10 PM from Enrique MacGregor to everyone: Huh?

May 4, 2021 7:11 PM from Andy Ramirez to everyone: That's great Carlin!

May 4, 2021 7:11 PM from rosemary to everyone: yes people want to participate in the local government. people will find a way to read it in English

May 4, 2021 7:11 PM from Cynthia to everyone: I almost feel as if objecting to delaying the project is a sign that this is a wrong move for the community. The best for our community is to not rush into this especially since we are only starting to recover from the pandemic

May 4, 2021 7:11 PM from Pat Ford to everyone: I think Ramon may be right, but that is why we have to be proactive in this process. And get everyone possible involved, and knowing what is going on.

May 4, 2021 7:11 PM from Daniel Rosales II to everyone: +1 cynthia

May 4, 2021 7:11 PM from Andy Ramirez to everyone: So do you take all this feedback in the chat?

May 4, 2021 7:12 PM from Andy Ramirez to everyone: Into account moving forward

May 4, 2021 7:12 PM from rosemary to everyone: I spoke to a lot of people in this area and they want to take part on this project. after all they are tax payers

May 4, 2021 7:12 PM from Ramon to everyone: I have a comment on language justice.

May 4, 2021 7:12 PM from Cynthia to everyone: Still waiting for an answer to rosas question

May 4, 2021 7:12 PM from Andy Ramirez to everyone: Lulac for help with Spanish translation

May 4, 2021 7:13 PM from rosa to everyone: even maybe providing door hangers

May 4, 2021 7:13 PM from Andy Ramirez to everyone: Or Lulac to help contact Spanish neighbors

May 4, 2021 7:13 PM from sylvia Lagos to everyone: Understanding the process is important.

May 4, 2021 7:14 PM from Gabrielle Rodriguez to everyone: grocery stores

May 4, 2021 7:14 PM from Ria Narsiah to everyone: People absolutely want to participate in designing their future -- but they need to have confidence that their feedback and input will be taken into serious consideration. That piece is crucial.

May 4, 2021 7:14 PM from rosa to everyone: I mean covid education was door ro door why can't we soothe same for rhis

May 4, 2021 7:14 PM from Daniel Rosales II to everyone: +1 ria

May 4, 2021 7:15 PM from gio to everyone: the city should hire block walkers to help distribute and talk to neighbors.

May 4, 2021 7:15 PM from rosa to everyone: @gio great idea

May 4, 2021 7:15 PM from Liz Provost to everyone: <https://elmwoodna.org/downtown-elmwood>

May 4, 2021 7:15 PM from Enrique MacGregor to everyone: Gio thats a great idea

May 4, 2021 7:15 PM from Ria Narsiah to everyone: Agreed Gio

May 4, 2021 7:15 PM from Rosa Vazquez to everyone: yes Gio, this is important to say there is no budget to get the word out.

May 4, 2021 7:15 PM from Yolanda Alameda to everyone: yes, we have to be on the street

May 4, 2021 7:15 PM from sylvia Lagos to everyone: History of being ignored is very real.

May 4, 2021 7:15 PM from Ramon to everyone: they choose not to have the budget

May 4, 2021 7:16 PM from Cynthia to everyone: Budget is not an issue, since this is a City of Dallas issue, departments usually tend to collaborate when trying to spread the word about something.

May 4, 2021 7:16 PM from Kelly Wiley to everyone: I didn't get any information from Tyler Station about this meeting

May 4, 2021 7:16 PM from rosa to everyone: clearly the budget is problem when it comes to lower income residents

May 4, 2021 7:16 PM from Cynthia to everyone: +1 rosa

May 4, 2021 7:16 PM from Kelly Wiley to everyone: We're talking about Elmwood and Tyler Station

May 4, 2021 7:16 PM from gio to everyone: @rosa is on point tonight

May 4, 2021 7:16 PM from Daniel Rosales II to everyone: +1 rosa

May 4, 2021 7:17 PM from Todd Eich to everyone: Wouldn't it be great if neighbors walked their own block and met the people up and down their streets? I walk my neighborhood everyday and there are peopel that won't even look up when I say 'hello' or 'good morning'.

May 4, 2021 7:17 PM from ray oconnor to everyone: Agreed Typo is great

May 4, 2021 7:17 PM from Gabrielle Rodriguez to everyone: @Todd it's called culture clash

May 4, 2021 7:17 PM from Jazmine Lopez to everyone: Okay but you aren't thinking about the Latino owners who've worked for years to own their property just so it could be bought out by the city

May 4, 2021 7:17 PM from Todd Eich to everyone: Kindness is culture class? WOW!

May 4, 2021 7:17 PM from Cynthia to everyone: +1 jazmine

May 4, 2021 7:17 PM from Daniel Rosales II to everyone: +1 Jazmine

May 4, 2021 7:17 PM from rosa to everyone: +1 jazmine

May 4, 2021 7:18 PM from Gabrielle Rodriguez to everyone: @Todd obviously you don't understand culture class

May 4, 2021 7:18 PM from Sue Housel (privately): Great job with an active group!

May 4, 2021 7:18 PM from Ashley Guevara to everyone: Here is the link once again:  
<http://bit.ly/WOCAPEngagement>

May 4, 2021 7:18 PM from Ramon to everyone: Todd, come down Wilton. I'll say hello

May 4, 2021 7:30 PM from Justin Warren to everyone: Chad West's team sends a weekly email with city/district updates. You can subscribe by emailing ashley.long@dallascityhall.com. Information about this meeting (and many others) is there. It's helpful and informative.

May 4, 2021 7:34 PM from Jennifer to everyone: This meeting should be done in spanish again given the lack of inclusion

May 4, 2021 7:34 PM from Pat Ford to everyone: Who are the delvelopers on the task Force? Do they own land in the study area?

May 4, 2021 7:34 PM from Cynthia to everyone: There's money for Kessler. Why not this part of oak cliff?

May 4, 2021 7:37 PM from Cynthia to everyone: The job of neighborhood vitality is to be out there in the community not just certain areas of the community

May 4, 2021 7:37 PM from Pat Ford to everyone: yes Ramon!!

May 4, 2021 7:37 PM from Lily Sanchez to everyone: Yes @Ramon!!

May 4, 2021 7:37 PM from Ria Narsiah to everyone:How many spanish speaking residents were there in the breakout room?

May 4, 2021 7:38 PM from Ria Narsiah to everyone:@Enrique let's have a game plan to change that outcome for next week's meetings

May 4, 2021 7:38 PM from Cynthia to everyone: Thank you Ramon!

May 4, 2021 7:38 PM from Ofelia Faz-Garza to everyone: Zoom has the capacity to o simultaneous translation.

May 4, 2021 7:39 PM from Karla (privately):Yes Ofelia!!!

May 4, 2021 7:39 PM from Jazmine Lopez to everyone: Make a meeting by Facebook live or something to reach the spanish community

May 4, 2021 7:39 PM from Cynthia to everyone: Doesn't the city hire translators? Why can't we have them here?

May 4, 2021 7:39 PM from Pat Ford to everyone: There has to be tech that can make these meetings work in two languages.

May 4, 2021 7:39 PM from Rosa Vazquez to everyone: zoom is supported by everything... you can do better

May 4, 2021 7:39 PM from Karla (privately):have everyone in the same room.

May 4, 2021 7:39 PM from Ashley Guevara to everyone: We will be uploading this meeting to our youtube channel and can be found here:  
<https://www.youtube.com/channel/UCzkF1C1bAiJ1xSwmyKBSbHQ/featured>

May 4, 2021 7:40 PM from sylvia Lagos to everyone: Ask our Councilman why the city does not allow Zoom?

May 4, 2021 7:40 PM from Ashley Guevara to everyone: The 4/27 meeting can be found there as well.

May 4, 2021 7:40 PM from Liz Provost to everyone: lol, not supported? Someone make a private account and host it from Zoom! Who cares if the city doesn't support it, create your own accounts

May 4, 2021 7:40 PM from Lily Sanchez to everyone: There's ways ; however it's convenient to not utilize platforms

May 4, 2021 7:40 PM from Rosa Vazquez to everyone: you should do better , don't give excuses

May 4, 2021 7:40 PM from Ramon to everyone: but we shouldn't say valid point, then continue the process. should pause all this until it's done right

May 4, 2021 7:40 PM from Pat Ford to everyone: Can City Council adress this real issue??

May 4, 2021 7:40 PM from Cynthia to everyone: Zoom was not allowed by the city due to privacy issues, but there are other platforms available that could've been used

May 4, 2021 7:40 PM from Pat Ford to everyone: Yes we should pause.

May 4, 2021 7:41 PM from Ria Narsiah to everyone: Since District 1 is about 75% Latin, i think having a Spanish-speaking only session is a reasonable ask.

May 4, 2021 7:41 PM from Cynthia to everyone: +1 ria

May 4, 2021 7:41 PM from Gabrielle Rodriguez to everyone: +1 ria

May 4, 2021 7:41 PM from sylvia Lagos to everyone: Agree Ria.

May 4, 2021 7:41 PM from Liz Provost to everyone: yes Ria!

May 4, 2021 7:41 PM from Liz Provost to everyone: great idea Yolanda!

May 4, 2021 7:42 PM from Ria Narsiah to everyone: so instead of 4 english speaking sessions, let's do 2 english speaking and 2 spanish speaking -- this is equitable access

May 4, 2021 7:42 PM from Pat Ford to everyone: With district 1 being 75% Latino, it is us english speakers who ought to be in the seprate room.

May 4, 2021 7:42 PM from Lily Sanchez to everyone: if not set plan is in place to involve our spanish family members for the next meeting, why proceed? this a action is actively ignoring the issue.

May 4, 2021 7:42 PM from Yolanda Alameda to everyone: thank you Ramon!

May 4, 2021 7:42 PM from Daniel Rosales II to everyone: +1 lily

May 4, 2021 7:42 PM from Liz Provost to everyone: great!

May 4, 2021 7:42 PM from Cynthia to everyone: no need for a 3rd party cod is responsible to the community. As public servants, that is the job of the city staff. Saying that's how've done it in the past is an excuse

May 4, 2021 7:43 PM from Yolanda Alameda to everyone: I hear you Cynthia!

May 4, 2021 7:43 PM from rosa to everyone: +1cynthia

May 4, 2021 7:43 PM from Karla (privately):Send out information to homes in spanish and english, with the surveys, links, etc. and invite people to the meetins. I promise there's someone in the household that speaks english, or the majority do. People just don't know this is happening.

May 4, 2021 7:43 PM from Ramon to everyone: all mediums available should be utilized. not one or the other

May 4, 2021 7:44 PM from Enrique MacGregor to everyone: sorry about the dog barking

May 4, 2021 7:44 PM from Karla (privately):\*\*meetings\*\*

May 4, 2021 7:44 PM from Cynthia to everyone: Yes! ALL voices need to be heard. The more voices from the community, the better.

May 4, 2021 7:44 PM from Daniel Rosales II to everyone: yes

May 4, 2021 7:44 PM from Monique Garcia to everyone: agreed

May 4, 2021 7:44 PM from Marco to everyone: Yes

May 4, 2021 7:44 PM from rosa to everyone: yes id like a repeat

May 4, 2021 7:45 PM from Liz Provost to everyone: Does the Zoom chat translate?

May 4, 2021 7:45 PM from Karla (privately):but they're not getting the same feedback as this group.

May 4, 2021 7:45 PM from Todd Eich to everyone: Input is so very important, but over 1/3 of the people attending this call didn't even bother to fill out the poll/survey questions.

May 4, 2021 7:46 PM from Liz Provost to everyone: Didnt Monique say they'd look into finding a community partner so they could host a Zoom?

May 4, 2021 7:46 PM from Liz Provost to everyone: 10 or so of them were city employees that didn't respond

May 4, 2021 7:46 PM from rosa to everyone: it just seems very disrespectful with jokes that really insinuate we don't have money for you

May 4, 2021 7:46 PM from Liz Provost to everyone: which is good, they shouldn't respond

May 4, 2021 7:46 PM from Cynthia to everyone: +1 rosa

May 4, 2021 7:46 PM from Daniel Rosales II to everyone: agreed @rosa

May 4, 2021 7:47 PM from Yolanda Alameda to everyone: that doesn't matter

May 4, 2021 7:47 PM from Pat Ford to everyone: Toood, Maybe there was not an appropriate box to check. I did not respond to a few, because there was not a "best" response.

May 4, 2021 7:47 PM from rosa to everyone: clearly when its important since we're here. it might have been shorter

May 4, 2021 7:47 PM from rosa to everyone: so spanish speakers are a burden tobyall?

May 4, 2021 7:47 PM from Daniel Rosales II to everyone: lol for real

May 4, 2021 7:48 PM from Todd Eich to everyone: @Pat Ford, my name is Todd, not Toood.

May 4, 2021 7:48 PM from rosa to everyone: that is the energy I'm receiving.

May 4, 2021 7:48 PM from Jazmine Lopez to everyone: No money to inform the community c'mon

But you have the money to "update" the community

May 4, 2021 7:48 PM from Ramon to everyone: in zoom you can have simultaneous interpretation and mute English audio

May 4, 2021 7:48 PM from Rosa Vazquez to everyone: well if we care, we will be there. it's up to you if you want to be there for 3-4 hours. we should do it in person so everyone feels included

May 4, 2021 7:48 PM from rosa to everyone: I'm appalled smh

May 4, 2021 7:49 PM from Pat Ford to everyone: Sorry about that. I need spell check. No disrespect meant.

May 4, 2021 7:49 PM from Ofelia Faz-Garza to everyone: Exactly Yolanda! The technology allows for that to happen without extending the length of time spent in the meeting.

May 4, 2021 7:49 PM from Ria Narsiah to everyone: We need to host meetings that are purely in Spanish.

May 4, 2021 7:49 PM from Marco to everyone: The original question was about in person. Yes, there is value in having the in person meeting a

May 4, 2021 7:49 PM from Liz Provost to everyone: Why do you have to proceed with next weeks meeting? it's gonna be even worse because next week's meeting topic is even more heavily Latinx. Postpone it!

May 4, 2021 7:49 PM from Rosa Vazquez to everyone: post pone it!!!!

May 4, 2021 7:49 PM from Cynthia to everyone: Publicizing is one thing, promoting the meetings to the community is another. Publicizing is doing the bare minimum

May 4, 2021 7:50 PM from Karla (privately): Meetings should be for both simultaneous, otherwise how do we learn about each other?

May 4, 2021 7:50 PM from Rosa Vazquez to everyone: let's do both, in person and live...

May 4, 2021 7:50 PM from Liz Provost to everyone: next week's topic area is HEAVILY Latin residents.

May 4, 2021 7:50 PM from Daniel Rosales II to everyone: postpone next meeting

May 4, 2021 7:50 PM from Daniel Rosales II to everyone: @liz definetly

May 4, 2021 7:50 PM from Lily Sanchez to everyone: I really hope that voicing our concern about involving our spanish-speaking members is taken seriously and not just "taken to account".

May 4, 2021 7:50 PM from Maria Liendo to everyone: Can'tthank Gio enough for getting the word out!

May 4, 2021 7:50 PM from Cynthia to everyone: I think people logged off because they keep getting the run around on questions

May 4, 2021 7:51 PM from Enrique MacGregor to everyone: I'm with Liz on that !

May 4, 2021 7:51 PM from Todd Eich to everyone: I am anxious to see if we get this kind of response/attendance next week in the 75211 neighborhood. I hope my neighbors are equally as enthusiastic as the Elmwood/Tyler-Vernon neighborhood.

May 4, 2021 7:51 PM from Liz Provost to everyone: or rather, our Latin neighbors voices heard!!!! <3

May 4, 2021 7:51 PM from Cynthia to everyone: Thank you Gio!

May 4, 2021 7:51 PM from Enrique MacGregor to everyone: Yes @Todd!

May 4, 2021 7:52 PM from rosa to everyone: is there cash in the small cod budget?

May 4, 2021 7:52 PM from Karla (privately):I think having someone knocking on doors.

May 4, 2021 7:53 PM from Liz Provost to everyone: @Chad you still on?

May 4, 2021 7:53 PM from Cynthia to everyone: There was certainly enough in the budget for the mayor to buy new furniture for his office

May 4, 2021 7:53 PM from Liz Provost to everyone: looks liek hes already signed off, isn't this his planning group?

May 4, 2021 7:53 PM from Karla to everyone: knocking door to door, getting info out. hold meetings in both english and spanish simultaneously so everyone gets the same information, and we get to know each other.

May 4, 2021 7:54 PM from Ria Narsiah to everyone: Thanks Peer. We need to make sure our Spanish speaking residents' input is part of the record.

May 4, 2021 7:54 PM from Daniel Rosales II to everyone: +1 karla

May 4, 2021 7:54 PM from Todd Eich to everyone: Did Rosa ever ask her question?

May 4, 2021 7:55 PM from Daniel Rosales II to everyone: woowoow @fatimah

May 4, 2021 7:55 PM from Liz Provost to everyone: @cityofdallasemployees yall don't have support from your boss, that sucks, y'all are having to front all these questions for him.

May 4, 2021 7:56 PM from Rosa Vazquez to everyone: budget should not be an issue when it's things like this....

May 4, 2021 7:57 PM from Todd Eich to everyone: I hope my neighbors in 75211 are kinder than some of you folks in the Elmwood/Vernon-Tyler neighborhood.
