Hello everyone,

17:53:06 From Paul Carden to Everyone:

The meeting will start at 6pm. Thank you

18:02:45 From Elena Stephens to Everyone:

Good Evening!

18:12:47 From Liz Provost to Everyone:

there's someone in the waiting room I think

18:18:21 From Todd Eich to Everyone:

Thank you for that introduction Chad!

18:24:39 From Cesar Hernandez to Everyone:

18:24:45 From Cynthia to Everyone:

18:25:08 From iPhone to Everyone:

Thank you

18:25:30 From Enrique MacGregor to Everyone:

Que gusto que haya tantos hispano hablantes aquí!

18:26:35 From Rob Shearer to Everyone:

Is there an explicit priority to protect existing home owners with an area plan? Or is it more about determining the highest and best use/ maximizing tax value for the city?

18:27:33 From Rob Shearer to Everyone:

The language about 'land use and development' feels more about growing the tax base and less about protecting existing home owners. Have I misunderstood?

18:27:50 From Rosa to Everyone:

Does anyone know how to go about obtaining zoning protection for certain areas?

18:30:17 From Cynthia to Everyone:

How else do you plan on engaging the community in these plans? I feel that the majority of the community is not even aware of this plan

18:30:29 From Rosemary rosales to Everyone:

you all are talking about the participation from most of the residents, this is not a way to communicate with the majority because they preferred door to door or pamphlets to engage with all of us.

18:30:52 From Rosa to Everyone:

+1 rosemary

18:32:19 From Rosemary rosales to Everyone:

we need more time to reach the majority , specially hispanos and elderly

18:32:32 From Sabrina Davis to Everyone:

A request was made for an Authorized Hearing for Jimtown area with MF-2 zoning on March 7, 2019. I do not believe we have had any progress on getting an authorized hearing since.

18:32:54 From Cynthia to Everyone:

In my personal opinion, I feel the City is not making a big enough effort to reach the current residents

18:33:09 From Rob Shearer to Everyone:

+1 Cynthia

18:33:16 From Rosa to Everyone:

+1 cynthia

18:33:41 From damaris to Everyone:

we definitely need more time to reach out to majority of the residents. I can speak for my neighbors in bluebonnet heights as they had no idea this was happening.

18:34:56 From Monique Ward to Everyone:

We will address as many of the specific planning questions in this chat. Regarding additional outreach, we will host 3 more community meetings - Two of which will be In person Open House

meetings on June 12th and 21st. Also, there will be more opportunities for community input as the process progresses.

18:35:07 From iPhone to Everyone:

Could you please provide us Examples of specific plans on specific areas

18:35:59 From Rosa to Everyone:

in my opinion we do need more time to let our neighbors know. I mean we have regular jobs and apparently have to come home and do the COD job and to voice these concerns

18:36:17 From Cynthia to Everyone:

+1 Rosa

18:36:48 From Monique Ward to Everyone:

The upcoming meetings Open House will be on a Saturday morning and week day evening.

18:36:56 From Rosa to Everyone:

+1 iPhone

18:37:22 From Monique Ward to Everyone:

We are also available to speak to neighborhood groups and organizations.

18:37:31 From Liz Provost to Everyone:

we need door flyers and yard signs, why doesn't Chad make that happen? Online communication only does. not. work. for the residents in our area. Have the city mail a flyer to everyone in the area.

18:37:50 From Peer Chacko, Dallas, Texas to Everyone:

Later in the presentation you will see that the preliminary area plan goals includes a commitment to preserving/protecting single family neighborhoods.

18:38:00 From Cynthia to Everyone:

+1 Liz

18:38:23 From Rosa to Everyone:

talking to neighborhood association and groups clearly has not done the job

18:38:59 From Rosa to Everyone:

most residents aren't a part because they don't know about it

18:39:08 From Peer Chacko, Dallas, Texas to Everyone:

This area plan can certainly serve the purpose of establishing policy to protect certain areas.

18:39:18 From iPhone to Everyone:

More meetings need to set up

18:39:20 From Rosemary rosales to Everyone:

so if we the majority opposed what those few elected officials want, is it going to matter what we the tax payers decide?

18:39:26 From Liz Provost to Everyone:

It's super suspect when half the task force are "stakeholders" and don't even live in the area. And the task force chair is a big owner of businesses in our area already. it sends the message that the purpose of this whole thing is to make business owners the most amount of money.

Liz. I only own my house in Oak Cliff, no businesses. I have not other property interests in Oak Cliff. Lived here for 31 years.

18:41:53 From Marco Bayllegas to Everyone:

How many acres and homes are included in the area plan? How does that compare to other area plans in the last 5 years?

18:42:02 From Cynthia to Everyone:

What is the plan for getting representation for these areas? We keep hearing "We need to do this" but how will it get done?

18:42:11 From Rosemary rosales to Everyone:

in blue bonnets area there is not a neighborhood groups.

18:42:19 From Peer Chacko, Dallas, Texas to Everyone:

There will continue to be opportunities for receiving community throughout this process. We will continue to try to engage people whom we have not heard from yet.

I'll message you Mike, my apologies

18:44:27 From htubbs01 to Everyone:

The social pinpoint website is a fantastic tool!

18:45:13 From Rob Shearer to Everyone:

Worth noting that 455 people have signed the petition to adjust the way this plan is going.

18:46:18 From Rosa to Everyone:

all this all online ! most residents in the area don't have that access. Per our prior meetings we have stressed most residents do better on person to person. I guess cod does not really care to really reach out

18:46:32 From Rosa to Everyone:

+1 rob

18:46:36 From Becky Weber to Everyone:

WE will be holding 2 in-person meetings later this month and more later this year.

18:47:44 From Becky Weber to Everyone:

Great. How is the word getting out about those?

18:47:45 From Rosemary rosales to Everyone:

you all are talking about inf and communicating via web, do you all already forgot during the covid vaccine registration? a lot of my neighbors don't have or don't know how to use the web.

18:47:51 From Enrique MacGregor to Everyone:

Daniel -you mean this month right?

18:47:58 From Daniel Church to Everyone:

yes 2 in june

18:48:03 From Daniel Church to Everyone:

june 12 and june 21

18:48:04 From Rosa to Everyone:

how do you planto advise people about THESE meetings?

18:48:29 From Enrique MacGregor to Everyone:

Daniel -how many bilingual fliers have been issued out for distribution for volunteers?

18:48:56 From Enrique MacGregor to Everyone:

I apologize for distracting you

18:48:59 From Daniel Church to Everyone:

1600 last week

18:49:05 From Enrique MacGregor to Everyone:

Thank you.

18:49:28 From Rosa to Everyone:

volunteers should not he the main way to get the word out. I though that is the city's job

18:50:12 From Cynthia to Everyone:

What information will be covered at these meetings? If this plan has been in the works for over a year, 2 meetings does not seem like it will be enough to inform the residents of the possible upcoming changes

18:54:59 From Peer Chacko, Dallas, Texas to Everyone:

Beyond the two upcoming meetings there will certainly be additional meetings and other opportunities for input throughout the process. The future meeting dates and focus of those meetings have not yet been set.

18:55:23 From Peer Chacko, Dallas, Texas to Everyone:

The focus of future meetings will be informed by the input we receive now.

19:00:44 From Daniel Sledge to Everyone:

19:01:18 From Enrique MacGregor to Everyone:

Yes Daniel. That's precisely what the Jimtown group is trying to address.

19:01:32 From Enrique MacGregor to Everyone:

19:02:26 From Liz Provost to Everyone:

don't forget to translate

19:02:39 From Cynthia to Everyone:

A big thank you to Gio (not sure if he's here today) for advertising these meetings. He's the only reason I am here today.

19:02:53 From R to Everyone:

Tienen areas que quieren cambiar a comercio que son de familia. Quien va a comprar las casas? La ciudad?

19:03:52 From Sabrina Davis to Everyone:

Any update on that authorized hearing request Mr. McGregor? We filed the request over 2 years ago Z189-240

19:04:51 From Rosa to Everyone:

2 years ago?? wow way discourage residents

19:07:38 From iPhone to Everyone:

19:13:56 From Rosa to Everyone:

como?

19:14:19 From Daniel Church to Everyone:

They range in size and type, but the other two area plans ongoing with the city currently are 9 square miles and 11 square miles in size (this one is 5 square miles)

19:15:34 From Cynthia to Everyone:

I remember a lot more outreach during election time. Residents want that same effort in reaching them now

19:16:07 From Rosa to Everyone:

how will you get the word out for the in person meeting in june??

19:16:28 From damaris to Everyone:

I agree with Cynthia

19:16:38 From JC Strickland to Everyone:

3 virtuales y 2 en persona?

19:16:44 From Rosa to Everyone:

+1 cynthia

19:17:02 From Daniel Church to Everyone:

we have handed out 2000 flyers, have 100 yard signs up in city parks and locations around the area, and have been using city social media, the press/media to get the word out.

19:17:17 From Rosa to Everyone:

in person doesn't seem hard during election times

19:17:37 From Cynthia to Everyone:

Will in-person meetings be exclusively in person or will they be hybrid?

19:17:53 From Daniel Church to Everyone:

We were not permitted to hold in-person meetings until last month. We plan on holding more meetings in the future in-person.

19:18:06 From R to Everyone:

En un mapa se designo una area de comercio que embarco las casas de familia. Por eso pregunte sobre la compra.

19:18:07 From Rosa to Everyone:

handed out as in just dropped off to rec centers who see less people because gyms are closed?

19:18:20 From Daniel Church to Everyone:

In-Person meetings will be the same materials as the online meetings but will not be hybrid at this time due to technology barriers.

19:18:58 From Becky Weber to Everyone:

Rosa +1

19:19:12 From Todd Eich to Everyone:

Nobody is interested in community organizing until their favorite restaurant is torn down and a developer puts up a parking lot. Then everyone wants to go back in time to try and prevent it. If your neighborhood/community is important to you, you will find a way to get involved.

19:19:28 From Rosa to Everyone:

not permitted? but community clean ups were ok ? wow ok

19:19:37 From Liz Provost to Everyone:

Yes but Daniel, most of those flyers and signs were put up by community volunteers AND were only made available for us to hand out after lots of persistence from us. We need more from yall, It seems like we have to yell at COD to get assistance and change. How many times in this chat are people still asking for more community engagement? Mail flyers.

19:19:49 From Paul Carden to Cynthia(Direct Message):

Hi, I'm not the City, but if you guys want it be a hybrid program for the in person meetings, let me know. The city as far as I know, can't host using Zoom, so Heritage Oak Cliff is hosting this meeting and the next to improve accessibility.

19:20:15 From Rosa to Everyone:

19:24:16 From Sabrina Davis to Everyone:

Are there pdf versions of a bi-lingual flyer for the upcoming events available online?

19:25:59 From damaris to Everyone:

Please mail in flyers about this information for current residents being affected by this. As not many attend recreational centers.

19:26:09 From Todd Eich to Everyone:

Aren't those "We buy houses" signs against city code? I take them down and throw them away when they go up in my neighborhood. They are VERY annoying.

19:26:46 From Daniel Sledge to Everyone:

Any movement on the plan itself?

19:28:27 From iPhone to Everyone:

+1 kaitlin

19:44:26 From Rosa to Everyone:

yes it is possible

19:44:43 From Rosa to Everyone:

they send it with surveys

19:45:10 From Todd Eich to Everyone:

I don't need one. I have filled out the survey multiple times and attended several meetings over the past two years.

19:45:49 From Cynthia to Everyone:

If I recall correctly, attendees in the previous meeting requested that the project be delayed since most residents are not aware of this in the first place.

19:45:50 From Liz Provost to Everyone:

why are you filling out the survey more than once?

19:46:11 From Carina Arellano to Everyone:

We sharing the link on our social media and neighbor to neighbor would work.

19:46:13 From Todd Eich to Everyone:

@LizProvost because I want my voice heard.

19:46:15 From Rosa to Everyone:

so citizens arent worth 25000?

19:46:49 From Carina Arellano to Everyone:

Tienes razón hablando con la gente

19:46:54 From Rosa to Everyone:

but I'm sure yall spend more on department holiday parties

19:47:18 From Liz Provost to Everyone:

Daniel - I wouldn't think you would want one citizen completing the survey multiple times?

19:47:21 From Yolanda Alameda to Everyone:

it's 11,000 houses *50cents, can we explore that more?

19:47:56 From JC Strickland to Everyone:

who were the members of the task force that made recommendations for this area?

19:48:23 From Daniel Church to Everyone:

the taskforce members were listed on slide 5 (these slides will be made public tomorrow morning)

19:48:38 From Jarrett and Tana to Everyone:

\$25,000 seemed like a huge number that was glossed over. Isn't mail \$0.58?

19:48:44 From Yolanda Alameda to Everyone:

Peer, by that time it's too late for them to take action, don't you think?

19:49:09 From Liz Provost to Everyone:

I guess for printing, labor, and envelopes plus postage.

19:49:13 From iPhone to Everyone:

I delivered flyers to business locations on Hampton rd

19:50:18 From Cynthia to Everyone:

Liz, I agree with you. I feel that may throw off stats and not accurately represent the voices in the community.

19:50:37 From Liz Provost to Everyone:

absolutely especially since theres only 140 survey respondents so far

19:50:45 From Marco Bayllegas to Everyone:

+1 Kaitlin

19:51:21 From htubbs01 to Everyone:

I greatly appreciate all the work you are doing to improve our area. What plans are being made to make biking around our community safer and tie it into the greater area (Bishop Arts, Downtown, etc.)?

19:52:41 From HB to Everyone:

I think the website is awesome frankly and very user friendly. people should tell their friends to use it

19:52:48 From Todd Eich to Everyone:

@Liz Provost and @Cynthia - have you taken the survey yet? It is simply sharing your opinions on how you want the area to develop in the future. It is not a vote for anything specific.

19:53:03 From Dulce Morales to Everyone:

Por que no usar las escuelas para repartir los folletos?

19:53:19 From Liz Provost to Everyone:

haha, then why are you filling it out multiple times if you see no value in it?

19:53:34 From Marco Bayllegas to Everyone:

How will Heritage Oak Cliff's input be incorporated into the planning process?

19:53:39 From Peer Chacko, Dallas, Texas to Everyone:

Before a rezoning is initiated all potentially impacted property owners will be notified. This will enable them to voice their concerns or desires before any specific zoning recommendations are made. It is not too late to provide input at this stage.

19:53:41 From Cynthia to Everyone:

Yes Todd, I have, although only once.

19:53:48 From htubbs01 to Everyone:

Thank you!

19:53:54 From Laura Quintero to Everyone:

si.. se puede pasar los folletos a las escuelas. se puede hacer juntas con los papas

19:54:20 From Cynthia to Everyone:

19:55:55 From Elena Stephens to Everyone:

19:57:25 From Elena Stephens to Everyone:

19:57:58 From Enrique MacGregor to Everyone:

I hope they do for the sake of the kids.

19:59:03 From Elena Stephens to Everyone:

Es my importante tener las voces de todos en la area!!!!

19:59:09 From Sabrina Davis to Everyone:

Is the City of Dallas waiting on the completion of this plan to make any movement on the Authorized Hearing that are currently waiting to be scheduled?

19:59:38 From Sabrina Davis to Everyone:

Hearings*

19:59:39 From Enrique MacGregor to Everyone:

Sabrina -the answer varies for each Authorized Hearing

19:59:47 From Enrique MacGregor to Everyone:

Happy to discuss that with you offline

20:00:13 From JC Strickland to Everyone:

20:00:17 From Enrique MacGregor to Everyone:

20:00:48 From HB to Everyone:

Thank you!

20:00:52 From Elena Stephens to Everyone:

Thanks to all! More voices, better results.

20:00:52 From Cesar Hernandez to Everyone:

Would the face to face meetings be on zoom as well or recorded if we could not attend?

20:01:33 From Yolanda Alameda to Everyone:

can I speak to the zoning workshop on June 6

20:01:46 From Paul Carden to Daniel Church(Direct Message):

I'm willing to help but you may need to explain Heritage's role in hosting the meetings

20:01:53 From Sabrina Davis to Everyone:
