ORDINANCE NO. 24469

An ordinance amending CHAPTER 51A, "PART II OF THE DALLAS DEVELOPMENT CODE," of the Dallas City Code, as amended, by establishing Historic Overlay District No. 101 (Dallas High School - Crozier Tech) comprised of the following described property ("the Property"), to wit:

BEING a tract of land in City Block No. 259, fronting 238.16 feet on the southeast line of Bryan Street, beginning at a point 150.7 feet northeast of the most northerly end of a corner clip at the east corner of Bryan Street and Pearl Street, and containing approximately 49,319.1059 square feet or 1.13 acres of land, more or less;

providing procedures, regulations, and preservation criteria for structures and property in the district; providing a penalty not to exceed \$2,000; providing a saving clause; providing a severability clause; and providing an effective date.

WHEREAS, the city plan commission and the city council, in accordance with the Charter of the City of Dallas, the state law, and the applicable ordinances of the city, have given the required notices and have held the required public hearings regarding the rezoning of the Property; and

WHEREAS, the city council finds that the Property is an area of historical, cultural, and architectural importance and significance to the citizens of the city; and

WHEREAS, the city council finds that it is in the public interest to establish this historic overlay district; Now, Therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

24469

SECTION 1. That CHAPTER 51A, "PART II OF THE DALLAS DEVELOPMENT CODE," of the Dallas City Code, as amended, is amended by establishing Historic Overlay District No. 101 comprised of the following described property ("the Property"), to wit:

BEING a 1.131 acre tract of land situated in the John Grigsby Survey, Abstract No. 495, in the City of Dallas, Dallas County, Texas, and being a part of City of Dallas Block No. 259, and being more particularly described by metes and bounds as follows:

COMMENCING at the southern end of the corner cut at the intersection of the northeast line of Pearl Street and the southeast line of Bryan Street;

THENCE North 15°20'37" East along said corner cut, a distance of 7.15 feet to a point for corner on the southeast line of Bryan Street;

THENCE North 45°10'06" East along the southeast line of Bryan Street, a distance of 150.7 feet to the POINT OF BEGINNING;

THENCE North 45°10'06" East along the southeast line of Bryan Street, a distance of 238.16 feet to a point for corner;

THENCE South 45°25'52" East, a distance of 191.72 feet to a point for corner;

THENCE South 44°49'21" West, a distance of 60.00 feet to a point for corner;

THENCE South 45°15'27" East, a distance of 31.00 feet to a point for corner;

THENCE South 45°31'30" West, a distance of 118.16 feet to a point for corner;

THENCE North 45°15'27" West, a distance of 31.00 feet to a point for corner;

THENCE South 44°49'18" West, a distance of 60.00 feet to a point for corner;

THENCE North 45°25'53" West, a distance of 191.71 feet to the POINT OF BEGINNING, and containing approximately 49,319.1059 square feet or 1.13 acres of land, more or less.

SECTION 2. That the establishment of this historic overlay district shall not affect the existing underlying zoning classification of the Property, which shall remain subject to the regulations of the underlying zoning district. If there is a conflict, the regulations contained in this ordinance control over the regulations of the underlying zoning district.

SECTION 3. That a person shall not alter the Property, or any portion of the exterior of a structure on the Property, or place, construct, maintain, expand, or remove any structure on the Property without first obtaining a certificate of appropriateness or certificate for demolition or removal in accordance with the Dallas Development Code, as amended, and this ordinance. All alterations to the Property must comply with the preservation criteria attached to and made a part of this ordinance as Exhibit A.

SECTION 4. That the building official shall not issue a building permit or a certificate of occupancy for a use on the Property until there has been full compliance with this ordinance, the Dallas Development Code, the construction codes, and all other applicable ordinances, rules, and regulations of the City of Dallas.

SECTION 5. That the director of planning and development shall correct Zoning District Map No. J-7 in the offices of the city secretary, the building official, and the department of planning and development to reflect the changes in zoning made by this ordinance.

24469

SECTION 6. That a person who violates a provision of this ordinance, upon conviction, is punishable by a fine not to exceed \$2,000. In addition to punishment by fine, the City may, in accordance with state law, provide civil penalties for a violation of this ordinance, and institute any appropriate action or proceedings to prevent, restrain, correct, or abate the unlawful erection, construction, reconstruction, alteration, repair, conversion, or maintenance of a building, structure, or land on the Property.

SECTION 7. That CHAPTER 51A, "PART II OF THE DALLAS DEVELOPMENT CODE," of the Dallas City Code, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 8. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of CHAPTER 1 of the Dallas City Code, as amended.

SECTION 9. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas and it is accordingly so ordained.

Exhibit A
PRESERVATION CRITERIA
Dallas High School - Crozier Tech Historic District

1. GENERAL

- 1.1 All demolition, maintenance, new construction, public works, renovations, repairs, and site work in this district must comply with these preservation criteria.
- 1.2 Any alterations to property within this district must comply with the regulations contained in CHAPTER 51A, "PART II OF THE DALLAS DEVELOPMENT CODE" of the Dallas City Code, as amended. In the event of a conflict, these preservation criteria control.
- 1.3 Certificate of appropriateness.
 - a. A person may not alter a site within this district, or alter, place, construct, maintain, or expand any structure on the site without first obtaining a certificate of appropriateness in accordance with Section 51A-4.501 of the Dallas Development Code, as amended, and these preservation criteria. A certificate of appropriateness is required for restoration of the rear facade of the main building following demolition or removal of the 1911 addition.
 - b. The certificate of appropriateness review procedure outlined in Section 51A-4.501 of the Dallas Development Code, as amended, applies to this district.
 - c. Any work done under a certificate of appropriateness must comply with any conditions imposed in the certificate of appropriateness.
 - d. After the work authorized by the certificate of appropriateness is commenced, the applicant must make continuous progress toward completion of the work, and the applicant shall not suspend or abandon the work for a period in excess of 180 days. The Director may, in writing, authorize a suspension of the work for a period greater than 180 days upon written request by the applicant showing circumstances beyond the control of the applicant.
- 1.4 A person may not demolish or remove any structure in this district without first obtaining a certificate for demolition or removal in accordance with Section 51A-4.501 of the Dallas Development Code, except that the 1911 addition, as shown on Exhibit B, may be demolished or removed without a certificate for demolition or removal if the rear facade of the main building is restored to match the historic appearance using materials from the 1911 addition.

24469

- 1.5 Preservation and restoration materials and methods used must comply with the Secretary of the Interior's Standards and Preservation Briefs published by the United States Department of the Interior, copies of which are available at the Dallas Public Library.
- 1.6 No person shall allow a structure in this district to deteriorate through demolition by neglect. Demolition by neglect is neglect in the maintenance of a structure that results in deterioration of the structure and threatens preservation of the structure. All structures in this district must be preserved against deterioration and kept free from structural defects. See Section 51A-4.501 of the Dallas Development Code for regulations concerning demolition by neglect.
- 1.7 Consult Article XI, "Development Incentives," of the Dallas Development Code for tax incentives that may be available in this district.
- 1.8 The period of historic significance is 1907 for the main building, as shown on Exhibit B.

2. DEFINITIONS

- 2.1 Unless defined below, the definitions contained in CHAPTER 51A "PART II OF THE DALLAS DEVELOPMENT CODE" of the Dallas City Code, as amended, apply.
- 2.2 APPROPRIATE means typical of the historic architectural style, compatible with the character of the historic district, and consistent with these preservation criteria.
- 2.3 CERTIFICATE OF APPROPRIATENESS means a certificate required by Section 51A-4.501 of the Dallas Development Code, as amended, and these preservation criteria.
- 2.4 DISTRICT means Historic Overlay District No. 101, the Dallas High School-Crozier Tech Historic Overlay District. This district contains the property described in Section 1 of this ordinance.

- 3.8 Fence location.
- a. Fences are not permitted in the no-build zone in front of the main building.
 - b. Fences in the no-build zone on the sides of the main building must be located a minimum of 30 feet back from the front facade of the main building.

- c. Fences on the east side of the main building and to the rear of the main building may not exceed eight feet in height. Fences on the Pearl Street side of the main building may not exceed six feet in height.
- d. Fences must be constructed of brick, cast stone, metal, stone, a combination of these materials, or other appropriate materials.

4. FACADES

4.1 Protected facades.

- a. The facades shown on Exhibit B are protected.
- b. Reconstruction, renovation, repair, or maintenance of protected facades must be appropriate and must employ materials similar to the historic materials in texture, color, pattern, grain, and module size.
- c. Historic solid-to-void ratios of protected facades must be maintained.
- d. Brick added to protected facades must match in color, texture, module size, bond pattern, and mortar color.
- e. Brick, cast stone and concrete elements on protected facades may not be painted, except that portions of the structure that had been painted prior to the effective date of this ordinance may remain painted.
- f. If the 1911 addition, as shown on Exhibit B, is demolished or removed, the rear facade of the main building must be restored to match the historic appearance using materials from the 1911 addition.

4.2 Wood trim and detailing must be restored wherever practical.

4.3 All exposed wood must be painted, stained, or otherwise preserved.

4.4 Historic materials must be repaired if possible; they may be replaced only when necessary.

4.5 Paint must be removed in accordance with the Secretary of the Interior's Standards and Preservation Briefs published by the United States Department of the Interior prior to refinishing.

4.6 Aluminum siding, stucco, and vinyl cladding are not permitted.

4.7 Historic color must be maintained wherever practical. Color schemes for non-masonry elements should conform to any available documentation as to historic color.

- 4.8 Exposing and restoring historic finish materials is recommended.
- 4.9 Cleaning of the exterior of a structure must be in accordance with the Secretary of the Interior's Standards and Preservation Briefs published by the United States Department of the Interior. Sandblasting and other mechanical abrasive cleaning processes are not permitted.

5. FENESTRATION AND OPENINGS

- 5.1 Historic doors and windows must remain intact except when replacement is necessary due to damage or deterioration.
- 5.2 Replacement of doors and windows which have been altered and no longer match the historic appearance is recommended.
- 5.3 Replacement doors and windows must express profile, muntin and mullion size, light configuration, and material to match the historic.
- 5.4 Storm doors and windows are permitted if they are appropriate and match the existing doors and windows in profile, width, height, proportion, glazing material, and color.
- 5.5 Decorative ironwork and burglar bars are not permitted over doors or windows of protected facades. Interior mounted burglar bars are permitted if appropriate.
- 5.6 Glass and glazing must match historic materials as much as practical. Films and tinted or reflective glazings are not permitted on glass.
- 5.7 New door and window openings in protected facades are permitted only where there is evidence that historic openings have been filled or the safety of life is threatened.
- 5.8 The Secretary of the Interior's Standards for Rehabilitation should be referred to for acceptable techniques to improve the energy efficiency of historic fenestration.

6. ROOFS

- 6.1 The historic slope, massing, configuration, and materials of the roof must be preserved and maintained.
- 6.2 The following roofing materials are allowed: built-up and single-ply membrane.
- 6.3 Historic eaves, coping, cornices, parapets, and roof trim must be retained, and should be repaired with material matching in size, finish, module and color.

24469

11. ENFORCEMENT

- 11.1 A person who violates these preservation criteria is guilty of a separate offense for each day or portion of a day during which the violation is continued, from the first day the unlawful act was committed until either a certificate of appropriateness is obtained or the property is restored to the condition it was in immediately prior to the violation.
- 11.2 A person is criminally responsible for a violation of these preservation criteria if the person owns part or all of the property where the violation occurs, the person is the agent of the owner of the property and is in control of the property, or the person commits the violation or assists in the commission of the violation.
- 11.3 Any person who adversely affects or demolishes a structure in this district in violation of these preservation criteria is liable pursuant to Section 315.006 of the Texas Local Government Code for damages to restore or replicate, using as many of the original materials as possible, the structure to its appearance and setting prior to the violation. No certificates of appropriateness or building permits will be issued for construction on the site except to restore or replicate the structure. When these restrictions become applicable to a site, the Director shall cause to be filed a verified notice in the county deed records and these restrictions shall be binding on future owners of the property. These restrictions are in addition to any fines imposed.
- 11.4. Prosecution in municipal court for a violation of these preservation criteria does not prevent the use of other enforcement remedies or procedures provided by other city ordinances or state or federal laws applicable to the person charged with or the conduct involved in the offense.
