

Id	Amendment #	Are you proposing a new segment, an alignment change, or a facility type change?	What street or trail are you proposing to amend? If new, on what street or trail alignment are you proposing to add a bike facility? (For example: Forest Lane)	If amending a current network alignment, on what street are you proposing to add a bike facility? (For example: Northaven Road)	What are the segment limits? (For example: Marsh Lane to Midway Road)	What is the proposed facility type?	Is there funding to implement the proposed bike facility?
1 #1		Alignment Change	Akard St		Griffin St E to Griffin St W	Visually Separated Bike Lane	Unsure
