Affirm that an appeal has been made for a Variance ☒ or Special Exception ☐ of Off-street parking.

Application is made to the Board of Adjustment, in accordance with the provisions of the Dallas Development Code, to Grant the described appeal for the following reason: My lot has no rear access and theres no feasible way to meet the off-street parking requirement within the buildable area. I'm requesting

a modest 4ft encroachment to create a usable parking space. This won't negatively impact the neighborhood

Note to Applicant: If the appeal requested in this application is granted by the Board of Adjustment, a permit must be applied for within 180 days of the date of the final action of the Board, unless the Board specifically grants a longer period.
