Overview

• Background on the grant and planning process
• Summary of RFP Process
• Project Summary
• Recommendation
Background: HUD Grant

• Dallas awarded a $2.225 million Community Challenge Planning Grant on October 22, 2010 through a competitive grant process.
• One of the largest planning grants awarded; average grant size was $1.09 M
• Grant activities split into two categories: planning and preconstruction (see appendix A, Summary of other preconstruction projects)
Background: HUD Grant

- Planning activities focus on DART’s Red, Green and Blue light rail lines anchored by transit stations at:
  - Park Lane and Walnut Hill Stations (Red)
  - VA Medical Center and Kiest Stations (Blue)
  - MLK, Hatcher, and Buckner Stations (Green)
- Five planning areas (Vickery Meadow, Lancaster Corridor, Buckner, MLK and Hatcher) selected for preliminary planning analysis
- Planning process was initiated in 2012, after selection of consulting team through a RFP process
HUD Grant: Planning Activities

- Consultant conducted market studies for each selected station area
- In May 2012, four **Community Visioning** sessions were held to get community feedback
- Results from workshops and stakeholder meetings helped shape the specific area plans
- Detailed implementation plans were also prepared for key sites (including the proposed Vickery Meadow Library site)
- Area plans were adopted by Council April 10, 2013
HUD Grant: Catalyst Project  Vickery Meadow Library Site

- Mixed-use development on vacant site owned by the City of Dallas (concept generated by area plan)
- Proposed as ground floor library, accompanied by a health clinic and mixed income apartments
- Form: Four-story development with tuck-under parking (covered by elevated building, surface parking).
- Station Proximity: Less than 1,000 feet from Park Lane Station.
- Parking: 208 surface and tuck-under spaces
RFP Process

• On April 18, 2013, City of Dallas issued an RFP to identify a qualified developer for a mixed-use library development at 8255 Park Lane
  – ~4 acres, city owned
• Requested a vertical mixed-use development which may include residential, retail, office, medical, or a mixture of uses, in addition to the library
• Design of ground floor space was requested to accommodate a variety of uses
• Original response period was 6 weeks; held open for an additional 2 weeks for additional responses (revised closing date June 12)
• One submission received
• City review panel made recommendation to proceed in July
  – Scope of work for preconstruction activities defined
• Review package with Council agenda item went to auditor’s office on August 6, 2013
• Auditor made determination that Procurement followed AD 4-05 provisions for processing this single bid on September 10, 2013
Recommended Consultant/Developer Group

- City Staff recommends proceeding with DMA Development Company, LLC (DMA) a co-developer with Carleton Residential Properties (Carleton)
- DMA was formed in 1999 by Diana McIver
  - Austin-based company
  - Completed 25 developments (1,855 units) in Texas (Dallas, Austin and San Antonio, among other cities), Georgia and Washington DC.
- Carleton was founded in 1991
  - Dallas-based company
  - Partners in firm have experience developing more than 20,000 multifamily units throughout Southwest
- Oglesby | Greene identified as project architect
  - Designed Grauwyler Park Branch library (constructed) and North Oak Cliff Branch (design stage)
- See Appendix B for senior leadership of each entity
Mixed-use Library Proposal

• DMA’s response proposed approximately 300 affordable apartment units (primarily 1-2BR), a 20,000 sq ft library, additional retail/flex space and structured parking

• After meeting between the Developer Team and the City, DMA indicated they would work with City to re-scope project, including by increasing number of market rate apartments (up to 15%), decreasing the number of 1 BR apartments and including 3 BR units
  – Will conduct a market study to get a better understanding of local area and revise unit mix
  – Once project is re-scoped and redesigned, DMA/Carleton and City will work through financing package
  – Current estimated total project cost is approximately $41 million
Next Steps

- $750,000 in grant funds are proposed to be used for the preconstruction activities related to this project
  - $445,000 previously approved from Vickery Meadow TIF as local match for the grant (February 27, 2013)
  - $305,000 in federal funds
- While planning work is on-going, Development Team will work with City to negotiate a development agreement
- Committee approval sought for $750,000 for preconstruction expenses
Recommendations

• Recommend approval of a $750,000 consultant contract with DMA Development Company, LLC to proceed with preconstruction work for a mixed-use library at 8255 Park Lane.

• Council consideration on September 25, 2013
