ORDINANCE NO. _________

An ordinance amending Section 34-35, “Fair Employment Practices,” of Chapter 34, “Personnel Rules,” of the Dallas City Code; prohibiting discrimination in notices or advertisements relating to employment, apprenticeships, or training; providing for preferences, limitations, or specifications based on bona fide occupational qualifications; providing a saving clause; providing a severability clause; and providing an effective date.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

“SEC. 34-35. FAIR EMPLOYMENT PRACTICES.

(a) City management may not discharge an individual, fail or refuse to hire an individual, or otherwise discriminate against an individual with respect to compensation, terms, conditions, or privileges of employment because of the individual’s race, color, age, religion, sex, marital status, sexual orientation, national origin, disability, political opinions, or affiliations. Nothing in this subsection extends any employee benefits, including but not limited to paid or unpaid leave, medical benefits, or pension benefits, to any individual who is ineligible for those benefits under any other provision of this chapter, the city’s master health plan, the employees’ retirement fund program, or the police and fire pension system, or under any other city ordinance or resolution or state or federal law.

(b) City management may not limit, segregate, or classify employees or applicants for employment in a way that would deprive or tend to deprive an individual of employment opportunities or otherwise adversely affect an employee’s status because of the individual’s race, color, age, religion, sex, marital status, sexual orientation, national origin, disability, political opinions, or affiliations.

(c) City management may not print or publish, or cause to be printed or published, any notice or advertisement relating to employment by the city that indicates any preference, limitation, or specification based on the individual characteristics listed in Subsection (a).
(d) Nothing in this section prohibits a preference, limitation, or specification based on the individual characteristics listed in Subsection (a) if the preference, limitation, or specification is a bona fide occupational qualification for employment.”

SECTION 2. That Chapter 34 of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 3. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 4. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.
