Memorandum

DATE February 14, 2014

TO Members of the Economic Development Committee:
Rick Callahan, (Vice-Chair), Jerry R. Allen, Scott Griggs, Adam Medrano, Lee Kleinman

SUBJECT Economic Development Committee
Tuesday, February 18, 2014, 9:00 – 10:30 a.m.
1500 Marilla Street, City Hall, Room 6ES, Dallas, Texas 75201

AGENDA

1. Approval of February 3, 2014 Minutes of the Economic Development Committee

2. Presentation of Proposed Strategic Plan FY 2015 - FY 2017
   LaToya Jackson, Assistant Director
   Strategic Customer Services
   (Estimated time 20 minutes)

3. Upcoming Agenda Items
   • WWF Operating Company – WhiteWave Foods Enterprise Zone Nomination
   • Ryan, LLC Enterprise Zone Nomination
   • Tenet Health Limited – Doctors Hospital at White Rock Lake Enterprise Zone Nomination
   • Courtland, LLC – Crow Holdings – Mountain Creek
   • Summary of FY 2013 Activity in Dallas TIF Districts – TIF Annual Report
   • Upcoming February 26, 2014 Agenda Item: A Resolution requesting the City of Dallas consent to proposed changes in the section 380 Agreement between the City of Irving and Aviall Services, Inc.

Tennell Atkins, Chair
Economic Development Committee

C: The Honorable Mayor and Members of the City Council
   A. C. Gonzalez, City Manager
   Rosa Rios, City Secretary
   Warren M.S. Ernst, City Attorney
   Judge Daniel Solis, Administrative Judge Municipal Court
   Craig Kinton, City Auditor
   Frank Librio, Public Information Officer
   Ryan S. Evans, Interim 1st Assistant City Manager
   Forest Turner, Assistant City Manager

   Jill A. Jordan, P.E., Assistant City Manager
   Joey Zapata, Assistant City Manager
   Charles M. Cato, Interim Assistant City Manager
   Theresa O'Donnell, Interim Assistant City Mgr.
   Jeanne Chipperfield, CFO, OFS
   Karl Zavitkovsky, Director, OED
   J. Hammond Perot, Assistant Director, OED
   Elsa Cantu, Assistant to the CMO

Note: A quorum of the Dallas City Council may attend this Council Committee meeting.
A closed session may be held if the discussion on any of the above agenda items concerns one of the following:

1. Contemplated or pending litigation, or matters where legal advice is requested to the City Attorney. Section 551.071 of the Texas Open Meetings Act.

2. The Purchase, exchange, lease or value of real property, if the deliberation in an Open Meeting would have a detrimental affect on the position of the City in negotiations with a third person. Section 551.072 of the Texas Open Meetings Act.

3. A contract for a prospective gift or donation to the City, if deliberation in an Open Meeting would have a detrimental affect on the position of the City in negotiations with a third person. Section 551.073 of the Texas Open Meetings Act.

4. Personnel matters involving appointments, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee or to hear a complaint against an officer or employee. Section 551.074 of the Texas Open Meetings Act.

5. The deployment or specific occasions for implementation of security personnel or device. Section 551.076 of the Texas Open Meetings Act.

Economic Development Committee DRAFT
Meeting Record
February 3, 2014

The Economic Development Committee meetings are recorded. Agenda materials and audiotapes may be reviewed/copied by contacting the Office of Economic Development, Staff Coordinator at 214-670-1686.

Meeting Date: February 3, 2014  Meeting Start time: 9:09 AM

Committee Members Present:
Tennell Atkins
Rick Callahan
Jerry R. Allen
Lee Kleinman

Other Council Members Present:

Staff Present:
Ryan Evans, Interim First Assistant City Manager, City Managers Office
Karl Zavitkovsky, Director, Office of Economic Development

Proposed Strategic Plan FY2015 – FY2017

Economic Development Briefing
February 18, 2014
Strategic Planning Overview

Mission
Vision
Values
Key Focus Areas

Strategic Planning
- Goals
- Objectives
- Strategies
- Budgeting

Services
- Department Level
- ISO/EMS, Customer Service Initiatives

Performance Indicators
- Benchmarking
- Input, Output
- Annual Targets

Efforts by Individuals
- Employee Performance Plans
- Recognition & Rewards
- City University (training)
- Communication with employees & citizens
  (e.g., branding, newsletters, surveys, town halls, etc.)

Budgeting for Outcomes

Strategic Planning
Purpose of Briefing

Obtain Council input on the draft Economic Vibrancy components of the draft Strategic Plan. Allow council committee members to:

- Review draft and comment on draft strategy map
- Review and approve proposed strategic objectives
- Review and amend alternative work plan items
Proposed Goal

Grow a sustainable economy by job creation, private investment, a broadened tax base, sustainable neighborhoods, and livability and quality of the built environment
Proposed Strategy Map

Economic Vibrancy
Strategy Map

MOBILITY
- Mass Transit & Street Car
- Parking
- Rail & Air Travel
- Streets & Highways
- Cycling & Walking

BUSINESS
- Telecommunications
- Power
- Water/Wastewater
- Flood Control

INFRASTRUCTURE
- Efficiency
- Smart Supply

TOURISM
- Attractions and Entertainment
- Marketing
- Conventions

ATTRACTIONS AND ENTERTAINMENT
- Tourism

ECONOMY

GREAT NEIGHBORHOODS
- Resilience
- Resident Commitment
- Services & Amenities
- Quality Housing

TAX BASE & JOBS
- Business Attraction & Retention
- Ease of Permitting Development
- Strategic Public Investment
- Job Force Development

GROW A SUSTAINABLE ECONOMY BY JOB CREATION, PRIVATE INVESTMENT, A BROADENED TAX BASE, SUSTAINABLE NEIGHBORHOODS, AND LIVABILITY AND QUALITY OF THE BUILT ENVIRONMENT

- Homeless & Supported Housing
- Fair Housing Practices
- Home Repair
- Historic Preservation

- Small Business Initiatives
- Business Indicators
- Incentives
- South Dallas Trust Fund

- growSouth
- Central Business District
- Trinity River Development
- Transit Oriented Development

- S.M. Wright Job Training
- Collaboration with Higher Education

Customer Service
Proposed Strategic Objectives

2.1 By September 2017, improve the mobility index in the Community Survey from 112 to 115
   - Mobility index is composite rating of ease of rail travel, bus travel, car travel, bicycle travel and walking in Dallas

2.2 Through 2017, maintain the overall street condition satisfaction level at its current level
   - Achieving this objective will require additional funding. Otherwise, the objective should be changed to “Continue current spending levels on street infrastructure.”
Proposed Strategic Objectives

2.3 Through September 2017, ensure Dallas’ tax base grows faster than bordering suburbs

2.4 By September 2017, increase rating of neighborhoods as a place to live from 26.95% to 30% on Community Survey
Proposed Strategic Objectives

2.5 Through September 2017, add 5000 jobs as a result of the City’s economic development programs

TO Members of the Economic Development Committee:
   Tennell Atkins (Chair), Rick Callahan (Vice Chair), Adam Medrano, Scott Griggs,
   Lee Kleinman, Jerry R. Allen

SUBJECT WWF Operating Company – WhiteWave Foods Enterprise Zone Nomination
   Council Agenda February 26, 2014

BACKGROUND

The City of Dallas has been approached by WWF Operating Company (WhiteWave Foods) to nominate by resolution its application for an Enterprise Project designation to the Economic Development Bank, part of the Governor’s Office of Economic Development and Tourism. The designation will allow for a rebate of state sales and use tax refunds on qualified expenditures of up to $2,500 per new job created or retained for benefit up to a maximum of $1,250,000 over a five-year designation period. By participating in the program, the company is committing to retain its 225 jobs located in Dallas. Additionally, the company believes the project will result in ten new jobs.

In order to qualify as an Enterprise Zone Project, the business must have plans to invest new capital and hire or retain a minimum number of employees. Capital expenditures for routine and planned maintenance required to maintain regular business operations are only considered qualified capital investment if there will be a measurable increase in production capacity or decrease in cost per unit produced, and are limited to 40 percent of the total qualifying investment at the qualified business site. Businesses must commit to hire a certain percentage of "economically disadvantaged" individuals or Enterprise Zone residents. Currently, the economically disadvantaged hiring requirement for businesses located in an Enterprise Zone is 25%, while the requirement for businesses located outside of an Enterprise Zone is 35%. In order to qualify as economically disadvantaged, the individuals must meet certain criteria such as they were unemployed for at least three months before obtaining employment, received public assistance benefits, is a low-income individual, or an individual with a disability among other criteria.

WhiteWave Foods plans to invest $15 Million at its existing Dallas manufacturing plant in southern Dallas over the next 2-3 years for new processing equipment related to its existing filler lines, as well as approximately $1 million to renovate the warehouse space across Dan Morton Drive from the manufacturing plant to convert the warehouse into ambient-temperature storage space.
In April 2011 the City approved a tax abatement and grant agreement to facilitate the establishment of the WhiteWave Foods facility in Dallas. The agreement required a minimum of 75 new jobs and a minimum investment of approximately $23 million. At this time, the company currently employs 225 people and has invested over $80 million in the plant and equipment, far exceeding the required investment and job creation stipulated in the agreement.

WhiteWave Foods is a leading consumer packaged food and beverage company that manufactures, markets, distributes, and sells branded plant-based foods and beverages, coffee creamers and beverages, premium dairy products and organic produce throughout North America and Europe. The Company is focused on providing consumers with innovative, great-tasting food and beverage choices that meet their increasing desires for nutritious, flavorful, convenient, and responsibly-produced products.

The Company's widely-recognized, leading brands distributed in North America include Silk® plant-based foods and beverages, International Delight® and LAND O LAKES® coffee creamers and beverages, Horizon Organic® premium dairy products and Earthbound Farm® certified organic salads, fruits and vegetables.

This project conforms to the Public/Private Partnership guidelines in that it involves an investment of over $1 million in the Southern Sector and involves the creation/retention of over 25 jobs. This project has no cost consideration to the City of Dallas.

Memorandum

DATE        February 14, 2014
TO           Members of the Economic Development Committee:
              Tennell Atkins (Chair), Rick Callahan (Vice Chair), Adam Medrano, Scott Griggs, Lee
              Kleinman, Jerry R. Allen
SUBJECT     Ryan, LLC Enterprise Zone Nomination
            February 26, 2014 Council Agenda

BACKGROUND

The City of Dallas has been approached by Ryan, LLC (Ryan) to nominate by resolution its
application for an Enterprise Project designation to the Economic Development Bank, part of the
Governor's Office of Economic Development and Tourism. The designation will allow for a rebate
of state sales and use tax refunds on qualified expenditures of up to $2,500 per new job created
or retained for benefit up to a maximum of $1,250,000 over a five-year designation period. By
participating in the program, the company is committing to retain its 348 jobs located in Dallas and
add an additional 70 full-time jobs in Dallas.

In order to qualify as an Enterprise Zone Project, the business must have plans to invest new
capital and hire or retain a minimum number of employees. Capital expenditures for routine and
planned maintenance required to maintain regular business operations are only considered
qualified capital investment if there will be a measurable increase in production capacity or
decrease in cost per unit produced, and are limited to 40 percent of the total qualifying investment
at the qualified business site. Businesses must commit to hire a certain percentage of
"economically disadvantaged" individuals or Enterprise Zone residents. Currently, the
economically disadvantaged hiring requirement for businesses located in an Enterprise Zone is
25%, while the requirement for businesses located outside of an Enterprise Zone is 35%. In order
to qualify as economically disadvantaged, the individuals must meet certain criteria such as they
were unemployed for at least three months before obtaining employment, received public
assistance benefits, is a low-income individual, or an individual with a disability among other
criteria.

Founded in 1991 with headquarters in Dallas, Ryan is the leading tax services firm in North
America, with the largest transaction tax practice in the United States and Canada. Ryan
provides a comprehensive range of federal, state, local, and international tax advisory and
consulting services on a multi-jurisdictional basis.

With a multi-disciplinary team of more than 1,700 professionals and associates in 65 locations
worldwide, Ryan serves many of the world's most prominent Fortune 1,000 companies across a
diverse range of industries, including defense contractors, energy, healthcare, insurance,
manufacturing, retail, oil and gas, and utilities. Through an array of strategic acquisitions and the
addition of many new practice areas, Ryan has expanded its reach and service offerings to grow
into one of the largest state and local tax services firms in the industry. Serving as the company's
global headquarters, Ryan presently maintains 348 full-time employees at its Dallas office.
Over the next five years, Ryan, LLC commits to invest over $5 million to modernize, upgrade and expand the Dallas operations. The Dallas facility will need to expand in order to meet the increasing needs of its global organization. Plans call for the total space occupied by the company to grow by 30,267 square feet, going from 101,284 to 131,531 square feet.

Ryan plans on spending approximately $3 million on leasehold improvements to build out the 1st and 18th floors of its expanding office space at the Galleria. This will allow for at least 86 new workstations, which is in line with Ryan's new job projections. Additionally, Ryan plans to invest $2 million in Disaster Recovery equipment, a server and computer refresh, and additional software to assist with the expanding company. About $500,000 is planned for additional furniture and copying/printing equipment for the Dallas facility. Ryan projects it will hire an additional 70 new jobs for benefit over the five-year designation period.

Ryan will increase its employment levels in the executive, corporate services, and service delivery areas to handle its global expansion and to meet the needs of its clients. The company anticipates creating jobs in accounting, information technology, legal and human resources departments and investing in facilities to accommodate them. As the firm expands its practice to encompass areas not previously served such as federal income tax and certain tax compliance services, tax consultants and additional staff will be hired in Dallas to support the growth in national and international markets.

This project conforms to the Public/Private Partnership guidelines in that it involves the retention of over 150 jobs. This project has no cost consideration to the City of Dallas.

SUBJECT Tenet Health Limited – Doctors Hospital at White Rock Lake
February 26, 2014 Council Agenda

BACKGROUND

The City of Dallas has been approached by Tenet Hospitals Limited (Tenet Hospita's),
the owner of Doctors Hospital at White Rock Lake, to nominate by resolution its
application for an Enterprise Project designation to the Economic Development Bank,
part of the Governor's Office of Economic Development and Tourism. The
designation will allow for a rebate of state sales and use tax refunds on qualified
expenditures of up to $2,500 per new job created or retained for benefit up to a
maximum of $1,250,000 over a five-year designation period. By participating in the
program, the company is committing to retain its 319 full time jobs located in Dallas.

In order to qualify as an Enterprise Zone Project, the business must have plans to
invest new capital and hire or retain a minimum number of employees. Capital
expenditures for routine and planned maintenance required to maintain regular
business operations are only considered qualified capital investment if there will be a
measurable increase in production capacity or decrease in cost per unit produced, and
are limited to 40 percent of the total qualifying investment at the qualified business
site. Businesses must commit to hire a certain percentage of "economically
disadvantaged" individuals or Enterprise Zone residents. Currently, the economically
disadvantaged hiring requirement for businesses located in an Enterprise Zone is
25%, while the requirement for businesses located outside of an Enterprise Zone is
35%. In order to qualify as economically disadvantaged, the individuals must meet
certain criteria such as they were unemployed for at least three months before
obtaining employment, received public assistance benefits, is a low-income individual,
or an individual with a disability among other criteria.

Tenet Hospitals' Doctors Hospital at White Rock Lake, located at 9440 Poppy Drive,
has been providing generations of Dallasites with a broad spectrum of advanced
healthcare programs and clinical services in general medicine, surgery, pediatrics and
obstetrics since it opened in 1959. For the fifth consecutive year, Doctors Hospital at
White Rock Lake has earned the prestigious award for Quality Respiratory Care
Recognition from the American Association for Respiratory Care, a member
organization representing more than 50,000 health professionals involved in
respiratory care nationwide.
Doctors Hospital at White Rock Lake has also received the UnitedHealth Premium Cardiac Care and Rhythm Management specialty center designation in recognition of quality care. The designation is based on detailed information about specialized training, practice capabilities and outcomes.

Over the next five years, Tenet Hospitals commits to invest in Doctors Hospital at White Rock Lake by committing to spend almost $7 million to modernize Operating Rooms. Additionally, it plans on spending $3 million to upgrade the Hospital infrastructure, which will include facility improvements, new equipment and enhancement of service lines. This will include the purchase of new sterilizers, air handlers, and a new telemetry system.

The equipment is expected to be obtained and put in service over a staggered five year timeline.

This project conforms the Public/Private Program Guidelines in that it involves an investment of $10 million. This project has no cost consideration to the City of Dallas.

SUBJECT: Courtland, LLC – Crow Holdings – Mountain Creek
Council Agenda February 26, 2014

BACKGROUND

For the past couple of months, city staff has negotiated with representatives of
Courtland Group, LLC and Crow Holdings regarding a possible new multi-building
industrial/warehouse development under consideration in Mountain Creek Business
Park just east of the intersection of Grady Niblo Road and Mountain Creek Parkway in
Dallas, Texas.

Courtland has a site of approximately 87 acres under contract which it proposes to sell
to Crow Holdings to allow for the construction of two new, speculative
industrial/warehouse buildings. The first building is planned to be 621,920 square feet
on 45.41 acres and the second 594,880 square feet on 41.36 acres. The estimated
total investment for the new facilities is approximately $36,500,000. In order to develop
this project, Courtland requests City Council consideration of a 10-year, 90 percent real
property tax abatement on the added value from the new construction that will be
assigned to Crow Holdings. The developers also have requested a development
agreement related to the planned extension of Grady Niblo Road east to the
development site.

Crow Holdings intends to commence vertical construction of the first building in late
2014. The full project is anticipated to be complete in late 2016. In consideration of the
proposed incentives, Courtland / Crow Holdings will invest a minimum of $30,000,000
in real property improvements. Each building will have a specific real property
abatement.

In order to provide tax abatements in support of the project, creating a Reinvestment
Zone is required pursuant to state law. A public hearing is necessary for the creation of
a Reinvestment Zone.
The cumulative forgone revenue from the proposed 90 percent, ten year real property abatement is $2,618,145. The 10-year net fiscal impact of the proposed development after incentives is $461,649. The twenty-year net fiscal impact of the proposed development after incentives is $3,669,681. This project complies with the Public/Private Program guidelines in that it involves an investment of more than $1,000,000 at this Southern Sector site.

SUBJECT
Summary of FY 2013 Activity in Dallas TIF Districts – TIF Annual Report
Items, February 26, 2014 Council Agenda

Background

During FY 2013 the eighteen (18) active TIF Districts continued to experience
increased activity and success. Growth in property values compared to the
base year of the districts was strong. Overall taxable real property value in TIF
Districts increased by 14.3% ($1,082,496,468) from last year compared to a
4.3% increase for the City as a whole. All districts, with the exception of the
amended City Center TIF, increased in value over last year with the largest
increases in Cypress Waters, 4,673%; Maple-Mockingbird, 41.3%; TOD TIF,
39.0%; and Cityplace, 27.0%.

TIF District property value growth since inception through 2013 is 139.6%. For
the seven TIF Districts created between 1988 and 1998, overall value has
grown by 168.6%. The State-Thomas TIF officially closed in 2008 and the
Cityplace TIF closed at the end of 2012 (the FY 2013 annual report will be the
final); however, those districts have had a major economic impact having grown
929.9% and 1382.7%, respectively and are included in ongoing reporting and
generate $7-8 million annually to the City’s general fund.

The Sports Arena TIF District, as amended grew 676.6% followed by the
Farmers Market TIF District at 378.9% since inception. Newer TIF Districts
created after 2005, had an overall value growth of 122.2%. Among those
districts that had the highest increases were the Cypress Waters (14,171%);
Downtown Connection (281.5%); and the Design District (155.9%) TIF Districts.

Total TIF expenditures or allocations of $923 million leveraged over $7 billion in
added or anticipated property value in TIF Districts since the inception of each
TIF District. For every TIF dollar committed, $8 was returned in private
investment. This return does not include the amount of increased sales tax,
hotel/motel taxes and personal property taxes, nor does it include the taxes
paid to the various taxing jurisdictions, including the Dallas Independent School
District (DISD). Staff estimates the amount of additional taxes paid to DISD for
increased property value in Dallas TIF Districts is over $58 million for the fiscal
year 2013.

Notes: State-Thomas and Cityplace TIFs have legally expired and no longer officially reporting.
Districts with Zone A & B reflect original boundary (Zone A) plus accounts added with different base yr (Zone B)
Sports Arena TIF was amended in May 2012 and includes the Victory Sub-district (reflecting most of the original 1998 boundary) and two new sub-districts that have a longer legal term.
City Center was amended in 2012 including a new Lamar/West End subdistrict Zone B with 2012 base year.
Farmers Mkt & Design District TIFs amended in 2013 (changes are not yet reflected for added property with 2013 base year).

*Dallas – Together, we do it better*
Although most new taxable value growth in TIF Districts is captured to fund public improvements in those Districts, there has been some added benefit to the City's general fund. Both State-Thomas and Cityplace Area TIF Districts have expired, are no longer collecting increment, and they are estimated to contribute over $8 million combined to the City for tax year 2013. Districts created in 2005 and later have varied City participation ranging from 55-90% of total taxes and some have delayed increment collection in the initial years, allowing some new growth into the general fund. Total increment shown below includes both the estimated City contribution and any contributions from other participating taxing jurisdictions. For older TIF districts, there was more participation from other taxing entities whereas those districts created since 2005 have primarily had only City and County participation. Estimates for the prior year 2012, 2013 and projected 2014-2015 increment collection and new general fund revenue is shown below:

![Estimated TIF District Increment Collection and Added General Fund Revenue](image)

*Total increment is estimated TIF collections for all participating taxing jurisdictions.*
*City Increment is the estimated City contribution to the TIF Funds.*
*New City General Fund is the estimated added revenue from increased property value above the base value not captured by TIF Funds (includes estimated annual revenue from State-Thomas & Cityplace TIFs, now expired).*
*Estimates for the prior 2011 tax year based on final values; however, actual collection may vary.*

*^Decrease in estimated total increment is attributed to older TIFs that will have a reduction/elimination in participation by other taxing entities.*

*Dallas — Together, we do it better*
TIF Districts have also been catalysts for improving the real estate market in areas that were lagging, drawing new residents into the City's core and DART station areas, and creating new mixed-use neighborhoods. As of FY 2013, approximately 20,768 new residential units were completed in the City's nineteen TIF Districts (including State-Thomas and Cityplace), an additional 6,439 are under construction, and another 6,706 units are planned. Over 6.8 million square feet of new or redeveloped retail, office, and other commercial space has been completed. Over 1 million square feet of commercial space is under construction and another 4.8 million square feet of space is planned. New hotel construction includes 3,277 completed rooms, 306 under construction and another 951 rooms are planned.

During FY 2013, 273 total multi-family units were demolished in the Skillman Corridor TIF District as part of the redevelopment of the former White Rock/Toscana apartment complexes.

The following table summarizes new development in downtown and non-downtown TIF Districts. The two downtown TIFs, City Center and Downtown Connection, comprised 21% of constructed or planned residential units, 30% of commercial space and 73% of completed or planned hotel rooms.

^Values reflect current DCAD market value for completed projects or estimated value for those planned.

State law requires the preparation of an annual report for each TIF District that summarizes the activities of each area. The state requirements for this report are minimal. In order to better explain the progress of each TIF District, staff has created a report that shows additional information. The reports include the following information:

- Mission Statement for the TIF District
- Accomplishments to Date
- Project Status – Type and amount of new development by project including private investment, new residential units, commercial space created, TIF investment, completion (or expected completion) date
- Other District-wide initiatives, where applicable
- Map of the TIF District

"Dallas – Together, we do it better"
Taxable value and increment revenue summary – what is the captured appraised value for the District and the expected increment collection

Objectives and Success Indicators for the TIF District

Summary of City Council actions related to the TIF District

TIF Project Plan budget status – projected increment revenues to retire TIF fund obligations, expenditures, and the total plan budget

M/WBE participation in TIF Contracts

Bond sales and repayment, where applicable

FY 2014 Work Program

Sixteen of the TIF District Boards of Directors have met and voted to recommend the annual reports for City Council approval. The Downtown Connection and Grand Park South TIF boards do not currently have the minimum five appointed members to convene a meeting; therefore, the annual reports are being forwarded without a board recommendation. State law does not require that the board approve the report prior to City Council. The Annual Reports, upon adoption by City Council, will be submitted to the other taxing jurisdictions participating financially in each District and to the State Comptroller.

Financing

No cost consideration to the City.

Staff recommends City Council approval of all the TIF Annual Reports. Please contact me if you have any questions at 214-670-3296.

Memorandum

DATE February 14, 2014
TO The Honorable Members of the Economic Development Committee: Tennell Atkins (Chair), Rick Callahan (Vice Chair), Scott Griggs, Adam Medrano, Jerry Allen, Lee Kleinman
SUBJECT Upcoming February 26, 2014 Agenda Item: A resolution requesting the City of Dallas consent to proposed changes in the Section 380 Agreement between the City of Irving and AviAll Services, Inc.

The Dallas/ Fort Worth International Airport ("Airport") requests that the Cities of Dallas and Fort Worth consider proposed changes to the Section 380 Agreement between the City of Irving and AviAll Services, Inc. The City of Irving requests the change so they may extend the Freeport Tax Exemption to AviAll Services, Inc. ("AviAll") who plans on relocating business to Airport property.

The City of Dallas entered into an inter-local agreement with the Cities of Irving and Fort Worth on December 21, 1998 to share revenue generated on Airport Property within City of Irving limits. One half of the revenue belongs to the City of Irving, the other half belongs to Cities of Dallas and Fort Worth. Dallas and Forth Worth split their half following their original contributions to the Airport with Dallas receiving 7/11ths and Forth Worth receiving 4/11ths. The inter-local agreement requires that any Section 380 Agreement on Airport property or changes to such an agreement must be approved by the Owner Cities.

On August 24, 2011 the City Councils of Dallas and Fort Worth agreed to allow the City of Irving enter into a Section 380 Agreement and extend a tax incentive to AviAll to bring part of their inventory on to airport property. On November 5, 2013 Proposition 3 passed on the Texas Constitutional Amendment Election allowing the Freeport Tax Exemption of aircraft inventory parts to be extended to 730 days from 150 days.

The City of Irving now wishes to amend the 380 Agreement with AviAll to extend the Freeport Exemption to reflect the change in the Texas Constitution. In consideration of this tax incentive, AviAll has agreed to move their entire inventory of aircraft parts onto Airport property and bring about 340 jobs to the North Texas area.

Additionally, with the inventory receiving a tax exemption, AviAll agrees to pay 3.5% of personal property tax (based on tax year 2013) in addition to the appraised property tax through tax year 2021. The following table details the amounts to be paid to the cities:

<table>
