   Jeanne Chipperfield, Chief Financial Officer
   Shawn Williams, (l) Public Information Officer
   Elsa Cantu, Assistant to the City Manager – Mayor & Council
   J. Hammond Perot, Assistant Director, OED
   Karl Zavitkovsky, Director, OED

Dallas-Together, we do it better
Dallas Public Improvement Districts (PIDs) Overview and Update

Economic Development Committee
August 18, 2014
Dallas PID Overview - Purpose

- Review PID governance, operating parameters, management and reporting
- Provide the Economic Development Committee with brief overview of the 12 PIDs including:
  - 2014 Assessment Rates; and
  - Review of updated PID 2014/2015 Service Plans
- Request Economic Development Committee approval of 2014 Assessment Rate and 2014/2015 Service Plans for twelve PIDs
Dallas PID Overview – Current PIDs

- Dallas Downtown Improvement District
- Deep Ellum Public Improvement District
- Klyde Warren Park/Dallas Arts District Public Improvement District
- Knox Street Public Improvement District
- Lake Highlands Public Improvement District
- Oak Lawn-Hi Line Public Improvement District
- Prestonwood Public Improvement District
- South Side Public Improvement District
- Tourism Public Improvement District
- University Crossing Public Improvement District
- Uptown Public Improvement District
- Vickery Meadow Public Improvement District
Dallas PID Policy – Governance

- PIDs governed by state law and the City of Dallas PID Policy (originally adopted in December 2005 and last amended on October 23, 2013)

- Individual PIDs governed by property owner elected boards and managed by a specifically formed non-profit organization or homeowners’ association

- State law requires that City Council annually to:
  - Adopt updated PID Service Plan,
  - Hold a public hearing to give property owners a chance to state concerns/positive comments about PID operations, and
  - Set annual PID assessment rate for each district
Dallas PID Policy – Governance (cont.)

• Special Purpose PIDs may be requested by the City Manager’s Office to address unique issues, subject to state law requirements
  • These Special Purpose PIDs are allowed to fund any item allowable under state law
  • May be used for special facilities, such as parking garages
• The maximum PID assessment is $0.15/$100 valuation
• PID administrative expenses are limited by policy
Dallas PID Policy – Boundaries

• With the exception of the Klyde Warren Park/Dallas Arts District and Tourism PIDs, no future PIDs will be allowed to be created that overlap the boundaries of another Dallas PID

• Boundaries of existing PIDs can ONLY be modified as part of a renewal process

• An existing PID may petition the City to be dissolved and re-created with a new boundary subject to petition requirements and approval by City Council ($15,000 application fee required to cover City costs for review)

• The boundary of the Tourism PID includes all hotels located in Dallas that contain 100 or more rooms at the time of creation. Hotels that drop below the 100 room level will be removed from the Tourism PID assessment rolls. New hotels may only be added as part of renewal process
Dallas PID Policy – Creation/Operating Parameters

- To create a PID, property owners petition City to authorize special assessments on all property located within defined PID boundaries to improve services and infrastructure.

- In new and renewing PIDs, the City requires signed petitions of support from:
  - Owners representing at least 60% of the value; **AND**
  - Owners representing at least 60% of land area **OR** 60% of all record Owners.

- There is a higher requirement in Single-Family PIDs,
  - Owners representing at least 66.7% of the value; **AND**
  - Owners representing at least 66.7% of land area **OR** 66.7% of all record Owners.
In Dallas, PIDs are authorized for a period of up to seven (7) years with the option of renewal.

The renewal process requires preparing a budget, service plan and assessment plan for the district and petitioning property owner concerning the renewal.

A PID application for creating or renewing a PID shall include a section that clearly identifies the benefit of the PID to the affected property owners and to the city as a whole, an assessment plan, and also evidence of insurance.

PID applications include a map and a legal or clear description of the property included in the District.
Dallas PID Policy – Creation/Operating Parameters (cont.)

- PIDs are required to be self-sufficient and not adversely impact ordinary service delivery of the City.
- PIDs in Dallas will be allowed to fund any item provided by state law.
- Most of the PIDs are in mixed-use districts but the PID policy allows for the establishment of PIDs in residential districts like Prestonwood.
- The PID Policy does NOT allow the creation of PID Districts in undeveloped subdivisions.
With the exception of the Tourism PID, PID assessments will be based on a set rate applied to total property value. The maximum PID assessment in Dallas shall be $0.15 per $100 valuation.

The assessment rate for the Tourism PID is unique – it is based on 2% of hotel room nights sold.

PID petitions for new or renewing districts will be due on April 1st annually for approval by October 1st. Signatures for PID petitions must be gathered between October 1 and April 1 prior to the submission of the petition.
• Administrative expenses, including costs for day to day City Staff administration, for a PID are limited to 15% of the total budget in any year

• A PID Service Plan shall contain procedures for the termination of the PID without imposing unintended costs on the City of Dallas.

• A PID cannot be dissolved without a petition from property owners and must be sufficient as for creation or renewal in accordance with Chapter 372, Section 372.005(b).
Dallas PID Policy
Management and Reporting

All PID management entities are required to:

➢ Submit quarterly reports on activities and expenditures
➢ Have an independent audit annually
➢ Hold an annual open meeting with at least two weeks prior notice to all property owners for input on the service plan (budget)
➢ Allow City representatives to attend regular board meetings
Dallas PID Policy – City Staff PID Oversight Cost

City Staff’s PID oversight cost will be charged to the PIDs

- Costs related to the annual Assessment Rate and Service Plan approval process:
  - Public hearing notice printing, stuffing, postage and mailing to the property owners in the PID.
  - Staff time for City Council items preparation
  - Public hearing notice publication cost in the Dallas Morning News. For example, in 2013, the publication cost for each PID was $1,492 (subject to change).
  - Chapter 372.016, section b and c: The assessment notice must be published in a newspaper of general circulation before the 10th day of the public hearing and mailed to the property owners

- Cost of PID oversight (including City staff time for attending meetings, reviewing reports, preparing tax rolls, etc.)

This allows the PID monitoring process to be budget neutral for the City.
Dallas PID Policy – City Staff PID Oversight Cost (cont.)

**PID oversight cost (staff time, publication cost etc.):**

- DID $20,877
- Deep Ellum PID $14,147
- Klyde Warren $18,071
- Knox Street $4,551
- Lake Highland $6,174
- Oak Lawn $4,711
- Prestonwood $6,101
- Southside $6,557
- University Crossing $12,699
- Uptown $9,731
- Vickery Meadow $8,380

Dallas PID Overview – Valuation/Assessment Rates

• **PID assessment rates:**
  - All twelve PIDs will keep the same assessment rate as last year

• **PID Service Plans**
  - Tourism PID operates on October 1 – September 30 fiscal year
  - All other PIDs operation on calendar year

• The Tourism PID will collect approximately $12.8 million in assessment revenue to enhance marketing and incentive programs to bring more conventions, meetings, and visitors to Dallas

• The remaining eleven PIDs will collect an estimated $11.2 million in assessment revenue to provide a range of enhanced services and improvements next year that the City would not otherwise fund due to limited City resources
Dallas PID Overview – Miscellaneous

- Expiration dates based on date of formation or last renewal.
- Number of property owners range from a low of 46 (Oak Lawn-Hi Line) to 2,330 (Vickery Meadow).
- Many Service Plan budgets focus on public safety. Other common budget line items include: parks, infrastructure improvements and business promotion/marketing.
- Dallas Downtown Improvement District (DID) is the only PID where City owned properties are assessed. The City agreed to the assessment based on benefits received by the many City owned facilities in the downtown area.
For each City owned property, an assessment is paid based on its market value.
DID – City Owned Property (cont.)

DID benefits to the City:

- **Services/improvements:**
  - DPD supplemental security services
  - Homeless court/case management
  - Trash collection and public area maintenance
  - Median improvements, landscaping, tree replacement
  - Banners and holiday tree lighting
  - Leadership to help address issues such as loitering, parking, and retail recruitment; coordination with DPD; the Downtown 360 Plan; trolley planning; marketing; and signage/wayfinding.

- Direct benefits to the City from the DID exceed the cumulative assessment paid by 3:1.

Recommended Next Steps

Economic Development Committee recommendation for Council approval of:

✓ Action on August 27, 2014 to call public hearings to consider annual assessment rates for all Dallas PID's

✓ Hold public hearings on September 10, 2014

✓ At close of hearings, set 2014 Assessment Rate and adopt 2014/2015 Service Plan for the twelve PID's (called hearing on August 27, 2014)
Appendix 1

**Notes:**

1. Assessment collections are higher than originally anticipated due to increased occupancy at the hotels that comprise the District.
2. Budget includes the final 10 months from the Tourism PID’s initial five year term. Accordingly, expenses are estimated and are subject to the PID’s successful renewal.
3. Incentive funds are committed to future scheduled events. These funds will not be expended until the event occurs.
Memorandum

DATE August 18, 2014

TO Members of the Economic Development Committee:

Tennell Atkins (Chair), Rick Callahan (Vice Chair), Adam Medrano, Scott Griggs, Lee Kleinman, Jerry R. Allen

SUBJECT Deep Ellum TIF District – Plan Amendment

Ryan S. Evans
First Assistant City Manager

C: A.C. Gonzalez, City Manager
Warren M.S. Ernst, City Attorney
Craig D. Kinton, City Auditor
Ross A. Rios, City Secretary
Daniel F. Solis, Administrative Judge
Jill A. Jordan, P.E., Assistant City Manager
Forest E. Turner, Assistant City Manager

Joey Zapata, Assistant City Manager
Charles M. Cato, (l) Assistant City Manager
Theresa O'Donnell, (l) Assistant City Manager
Jeanne Chipperfield, Chief Financial Officer
Shawn Williams, (l) Public Information Officer
Elsa Cantu, Assistant to the City Manager – Mayor & Council

"Dallas, the City that Works; Diverse, Vibrant and Progressive"
Deep Ellum TIF District – Plan Amendment

Economic Development Committee
August 18, 2014
Purpose

• Provide background and update on the Deep Ellum TIF District
• Review Plan Amendment for the District
• Provide overview of upcoming TIF Projects
• Obtain Economic Development Committee’s Approval for Consideration by City Council of the following:
  – Call a Public Hearing on August 27, 2014 (required to amend Deep Ellum TIF District Plan)
  – Hold Public Hearing on September 10, 2014; and
  – At close of Public Hearing, approve Proposed Plan Amendment
Deep Ellum TIF District: 
**Background**

- Created in 2006 with a budget of $51,706,392 ($27,162,083 NPV)
- Initial Term 22 Years (Through 2027)
- Created to assist in redeveloping the area into a more diversified, pedestrian friendly, mixed-use neighborhood and improve the urban fabric and connections between Central Expressway and Fair Park.
- Taxing Jurisdiction Participation Rates and Estimated Contribution (in estimated total dollars)
  - **City** – Participation Rate is 85% $46,912,330 – estimated total collections
  - **County** – Participation Rate is 55% $4,794,062- estimated total collections

Total Value: $70,504,952
Deep Ellum TIF District: **Issues**

- **Cost of redevelopment** in the Deep Ellum core area is an obstacle
- **Structures with deferred maintenance** - many of the commercial structures in the District were developed prior to World War II; others built more recently lack architecture detail
- Until recently – **lack of consolidated ownership of property**
- **Deteriorated infrastructure** - inadequate sidewalks and streets, aging utility lines and storm water facilities, faulty lot layouts and platting, unsanitary or unsafe conditions, and deteriorated site improvements
- **Long blocks** – inhibit pedestrian access between Elm, Main and Commerce Streets
- **Parking issues** – not convenient for all business locations, variety of private owners, differing rates and rules for each lot
- **High commercial vacancy rates** – (now improving)
- **Lack of catalyst development** and overall redevelopment plan for Deep Ellum core
- **Inadequate connections** to downtown, Farmers Market area, Fair Park and Arts District
Amend Deep Ellum TIF District boundary to include an additional 51.0 acres:
- Core area of Deep Ellum – Main, Commerce and Elm Streets between IH-45 and Hall Street; and
- Old Dallas High School site (Crozier Tech)

Amend Deep Ellum TIF District Plan to increase project budget by approximately $6M
The proposed plan amendment is projected to encourage an additional $50M in private investment in the Deep Ellum core and $42M on the Old Dallas High School site.

City of Dallas
DALLAS ECONOMIC DEVELOPMENT
Deep Ellum TIF District:  
Plan Amendment – Total Impact of Plan Amendment

• **Cumulative increased property value is expected to reach approximately $883 million** during the 22-year term of the TIF District (See Appendix A)
  • Includes approximately $545 million in increased taxable value attributable to new private investment; and
  • $338 million in increased taxable value due to property appreciation.

• Projections assume City participation at 85% of the new property taxes created in the TIF District through 2017 and Dallas County at a 55% participation rate

• **DISD, DCCCD and DCHD** are not anticipated to participate in the extended term of the District
Deep Ellum TIF District: Proposed Plan Amendment - Rationale

• To provide approximately $6M in additional funding to help reduce the cost of redevelopment in the Deep Ellum core area
  • Enables property owners to address physical needs of older/outdated buildings in the area
  • Addresses deteriorated infrastructure - inadequate sidewalks and streets, aging utility lines and storm water facilities, faulty lot layouts and platting, unsanitary or unsafe conditions, and deteriorated site improvements
  • Provides mid-block connections between Elm, Main and Commerce Streets
• To creates potential funding source to help encourage redevelopment of Old Dallas High School site
• To address parking issues, potentially in combination with future bond funding
• To help address inadequate connections to downtown, Farmers Market and Fair Park areas through redevelopment of Deep Ellum core area
• To improve marketability of commercial properties through improved infrastructure and consolidated property ownership
• To attract catalyst development in the Deep Ellum core area
Plan Amendment

Benefits – Potential Catalyst Project

Deep Ellum Crossroads –

- Owner assembled 22 sites in Deep Ellum core – Properties located on both the north and south sides of the 2600 and 2700 blocks of Main Street, as 2646 Elm, 2653 Commerce, and the parking lots at 2703, 2705, and 2711 Commerce

- Buildings have varied redevelopment needs
  - Historic red-brick buildings constructed between the 1920s and 1940s set tone for district and require sensitive renovations
  - Concrete masonry block buildings built between the 1960s and 1970s may require major renovation
  - Several are currently vacant, and are in need of repair and restoration

- Owner developed comprehensive redevelopment plan for area, subject to City financial help
  - New tenanting plan
  - More mid-block cut-through spaces
  - Plaza-like, multi-use north/south streets become more pedestrian and retail oriented
  - Added landscaping and lighting
  - Comprehensive parking strategy

- Estimated private investment - $15M

Before and after plans – (above) Mid-block cut-through and (below) streetscape and building improvements
Plan Amendment

Benefits – Potential Catalyst Project (cont.)
Plan Amendment

Benefits – Potential Catalyst Project (cont.)
Deep Ellum TIF District: Plan Amendment Benefits

- Encourages reinvestment in the core buildings and venues that give Deep Ellum and the southeastern section of downtown its identity
- Stimulates redevelopment and increased development density on key sites surrounding the core, such as the Union Bankers parcel
- Extends private development to the eastern portion of the downtown area
- Assists with development or lease of parking facilities within the core area of Deep Ellum to better serve this entertainment/dining venues in the area
Next Steps

- On August 27, 2014, Call a Public Hearing to be held on September 10, 2014, to consider amendment to Deep Ellum TIF District plan to 1) increase boundaries; 2) increase the budget; and 3) make other related changes
- Hold a Public Hearing on September 10, 2014, to receive citizen comments on proposed amendments to the Deep Ellum TIF District and Project and Reinvestment Zone Financing Plan
- At the close of the Public Hearing, consider approval of the proposed amendments to the Deep Ellum TIF District and Project and Reinvestment Zone Financing Plan

Memorandum

DATE August 18, 2014

TO Members of the Economic Development Committee:
Tennell Atkins (Chair), Rick Callahan (Vice Chair), Adam Medrano, Scott Griggs, Lee Kleinman, Jerry R. Allen

SUBJECT Desoto Boundary Adjustment and ETJ Waiver Proposal

On Monday, August 18, 2014, the Economic Development Committee will be briefed on the Desoto Boundary Adjustment and ETJ Waiver Proposal.

Briefing material is attached.

Should you have any questions or concerns, please contact me at (214) 671-9837.

Ryan S. Evans
First Assistant City Manager

c: A.C. Gonzalez, City Manager
Warren M.S. Ernst, City Attorney
Craig D. Kinton, City Auditor
Rosa A. Rios, City Secretary
Daniel F. Solis, Administrative Judge
Jill A. Jordan, P.E., Assistant City Manager
Forest E. Turner, Assistant City Manager

Joey Zapata, Assistant City Manager
Charles M. Cato, (I) Assistant City Manager
Theresa O'Donnell, (I) Assistant City Manager
Jeanne Chipperfield, Chief Financial Officer
Shawn Williams, (I) Public Information Officer
Elsa Cantu, Assistant to the City Manager – Mayor & Council

"Dallas, the City that Works: Diverse, Vibrant and Progressive"
DeSoto Boundary Adjustment and ETJ Waiver Proposal

Economic Development Committee

August 18, 2014
Background

• In 2012, USAA Real Estate Company (USAA) undertook the development of a new 157-acre business park (Southfield 35 Park) located within both the City of Dallas and the City of DeSoto.

• As part of a June, 2012 development agreement with the City of Dallas, USAA committed to work with the City to secure a southward municipal boundary adjustment to ensure that three planned buildings within the business park would be fully located within the City of Dallas.
Background

- As part of the USAA project, approximately $2.1 million in roadway, water, and wastewater improvements along Danieldale Road and Old Hickory Trail were incorporated to support the development of Southfield 35 Park.
  - USAA has funded $1,170,757.94 (50%) of the cost for these improvements.
  - Roadway improvements are scheduled to be completed by September, 2014.
Background

• With the completion of the roadway improvements, USAA has now undertaken development of four new commercial warehouse buildings.

• The proposed waiver of the ETJ and subsequent boundary adjustment will accommodate the placement of three commercial warehouse buildings totaling approximately 1.207 million square feet within the City of Dallas.
  
  – City staff is currently pursuing a tenant deal concerning the building site located in the northeastern corner of Southfield Park 35.

• An additional speculative warehouse building totaling approximately 1.128 million square feet will be located within the City of DeSoto.
Background

• The City of DeSoto has been approached by Dermody Properties, who is interested in developing a 95-acre tract on the southeast corner of Danieldale Road and Polk Street.

• Development will include a distribution facility totaling approximately 1.3 million square feet.

• To accommodate this proposed building, the city limit boundary will be adjusted to the north. This will result in the City of Dallas giving the City of DeSoto approximately 4.5 acres of land.
Proposed Process

• **Step One: Waiver of the ETJ**
  – The City of Dallas will waive the ETJ on approximately 3.1 acres of land.
    • The City of DeSoto will annex the property, which will result in contiguous city boundaries.

• **Step Two: Two Boundary Adjustments**
  – **Boundary Adjustment Area One**
    • The boundary along the west line of Old Hickory Trail will shift to the west to include the right-of-way for the widening of Old Hickory Trail in the City of Dallas.
    • The north-south boundary will shift to the south to ensure that three planned buildings within the business park will be located within the City of Dallas.

  – **Boundary Adjustment Area Two**
    • The boundary along the south line of Danieldale Road, east of Polk Street will shift to the north to include two planned buildings in the City of DeSoto.
Locations of ETJ Waiver and Boundary Adjustments
Dallas receives ±13.053 acres; DeSoto receives ±7.253 acres

Note: Acreages are approximate and will be determined by certified boundary surveys to be provided by the City of DeSoto.
Step 1
Waiver of the ETJ

City of Dallas City Limit Line
City of DeSoto City Limit Line
ETJ
Step 1a
City of DeSoto annexes property

After Dallas waives the ETJ, the City of DeSoto will annex the property. The city limits will be contiguous after annexation.

After annexation by DeSoto:
City of Dallas City Limit Line
City of DeSoto City Limit Line
Step 2
Boundary Adjustment Area One – Danieldale Road and Old Hickory Trail

City of Dallas City Limit Line after boundary adjustment
City of DeSoto City Limit Line after boundary adjustment

To Dallas
Step 2a
Boundary Adjustment Area Two – Danieldale Road and Polk Street

City of Dallas City Limit Line after boundary adjustment
City of DeSoto City Limit Line after boundary adjustment
Next Steps

- Schedule City Council consideration of the ETJ waiver (pending certified boundary surveys from the City of DeSoto).
- DeSoto annexes property
- Schedule City Council consideration of boundary adjustments at both locations

SUBJECT Amendment to the Vickery Meadow TIF District Plan

Staff reviewed a request by Half Price Books, Records, Magazines, Inc. to consider expanding the Vickery Meadow TIF District to help facilitate the redevelopment of the former Parker Plaza along with the development of two vacant adjacent properties. The site, which is located at the northeast corner of Northwest Highway and Shady Brook, is across the street from the company’s flagship store. Current uses are a Starbucks and a vacant commercial building.

Half Price Books has prepared a multi-phase plan for redeveloping this 5.7 acre site which it owns. The first phase is under way and consists of converting a vacant warehouse into a REI sporting goods store that will contain approximately 35,000 square feet of retail space. The total estimated private investment for the project is approximately $8.1 million, including an investment of approximately $4.8 million for the first phase. The project’s anticipated build-out includes 49,000 square feet of retail/restaurant space and 356 parking spaces. The first phase is scheduled to be completed in March 2015. TIF assistance is not required for the first phase of the project. The property owner anticipates that TIF assistance will be needed for the second phase retail which is anticipated to commence in October 2014. Any specific support for this project will require review by the Vickery Meadow TIF Board of Directors and the City Council.

The completed project will help satisfy the District’s Final Plan objective of diversifying its economy, eliminating unemployment or underemployment and developing or expanding commercial activity within the area. In addition, it provides an attractive gateway to the Vickery Meadow area from the south. It would also increase the taxable value of the properties that comprise the project site and encourage redevelopment activity at the District’s southern gateway.

SUBJECT: Resolution Amendment for Victory South Parking Garage (Sports Arena TIF District), Victory Park UST Joint Venture I, LP

On September 10, 2014, City Council will consider various amendments to Resolution No. 13-0324 approved by City Council on February 13, 2013. The resolution authorized a grant agreement with Victory Park UST Joint Venture I, LP, ("UST") to provide American Airlines Center ("AAC") event parking and public transient parking within UST's 629-space garage (the "South Parking Garage") located in Block D at the northwest corner of Victory Park Lane and Museum Way in the Sports Arena TIF District. The grant was to be made in installments of $855,000 annually based on the appraised market rent for the entire garage, for a total incentive not to exceed $12,825,000.

UST is currently under contract with the Anland Companies ("Hillwood") to provide 602 parking spaces on various surface lots for AAC event parking. Block D (consisting of both the garage and a surface lot) is not currently encumbered by the Parking Rights Agreement ("PRA") between Hillwood and the AAC operator, Center Operating Company ("COC"). The purpose of the grant was to incentivize UST to unencumber 425 of the parking spaces from UST's surface lots and to encumber instead UST's South Parking Garage for both AAC event parking and public transient parking so that certain surface parking lots could be released for vertical development. To ensure development on the surface lots released, the grant agreement further required UST to guarantee a minimum increase of $100M in DCAD appraised value between the 2012 and 2020 tax year on undeveloped tracts owned by UST within the Sports Arena TIF District including Blocks D and N, as shown on the attached map.

The proposed changes to the grant agreement are summarized as follows:

1. Not all 425 Arena Parking Spaces will be available in the garage. UST currently has existing office and valet leases for 354 spaces in the South Parking Garage; accordingly, only 359 parking spaces can be reserved during Arena events for AAC event parking within the garage. The shortfall of 66 spaces will be provided on Block D on UST's adjoining surface parking lot ("Block D-surface lot"). Accordingly, the Block D-surface lot will now also be encumbered under the PRA.

2. The guaranteed minimum increase from the 2012 DCAD-appraised value of UST owned development tracts will be reduced from $100M to $50M and the time frame to achieve this increase is now 2014 to 2020. The base year for measuring the added appraised value will now be 2014.

"Dallas – Together, we do it better"
UST's commitment to increase DCAD appraised values on its parcels will be limited to Blocks D, K and M which are undeveloped or underdeveloped, as in the case of Block D. The development parcels are shown on the attached Location Map.

Prior to this amendment, UST has completed construction for one property (Block N) and currently has another parcel under contract for development (Block G). Although these properties will generate approximately $60M in increased property appraised value and approximately $9.3M in TIF increment for the sub-district, Blocks N and G will not count towards UST's amended increased value commitment.

3. To the extent development of Blocks D, K and M are counted towards the $50M commitment and such tracts are developed as a residential or mixed-use residential project, UST shall contractually ensure such residential or mixed-use residential project satisfies the 20% set aside of the units in compliance with the Mixed-Income Housing policy for the Sports Arena TIF District. Failure to comply with such Mixed-Income Housing requirement for residential or mixed-use residential development on any development block counted towards UST's commitment shall result in the total recapture of the TIF grant funds paid under the grant agreement.

4. Design review is now required for any improvements made to any of the remaining undeveloped or underdeveloped blocks (Blocks D, G, K and M).

5. The TIF Grant amount for this project was based on the value of the parking being provided in the South Parking Garage (approximately $5.9), the increase in sub-district value and the resulting TIF increment (approximately $15M) generated by the development of undeveloped/underdeveloped tracts (Blocks D, K and M) during the remaining term of the sub-district, and not the rent or lease value of the entire garage.

UST must still secure 204 public transient parking spaces in the garage during AAC event times while COC operates the garage and 275 public transient parking spaces during non-event times, 24 hours a day and 7 days a week, excluding AAC event times and 75% of the revenues from the public parking must still be paid to the city.

Redline of Proposed Revisions to Resolution No. 13-0324

Section 2. That the Sports Arena TIF District Board of Directors is authorized to dedicate future Sports Arena TIF District revenues, attributable to the Victory Sub-district in an amount not to exceed $12,825,000, in the form of an annual Economic Development TIF Grant in an amount not to exceed $855,000 for providing public parking in the private Victory South Parking Garage in the Victory Sub-district of the Sports Arena TIF District. The annual TIF Grant amount is based on the appraised market rent of the entire garage.

Section 6. That in addition to the conditions set out in the Sections above, the Grant Agreement is hereby expressly made subject to all of the following contingencies which must be provided, performed and/or occur:

A. A minimum of 629 public parking spaces shall be made available, as follows: 426 public parking spaces and 204 public transient parking spaces for all American Airlines Center (AAC) events and general transient parking during non-AAC event times. A minimum of 359 parking spaces shall be reserved for American Airlines Center (AAC) event parking, with up to an additional 66 unreserved parking spaces available for AAC event parking in the garage or on the adjoining surface lot and 204 parking spaces for public/transient parking during AAC event times. An event time is defined as the period of time commencing 2 hours before an AAC event and continuing until 2 hours after the conclusion of the event;

B. At the AAC/Event Parking operator's discretion, 50% of the 359 spaces reserved for AAC event parking may be provided on the surface parking lot adjacent to the garage;

C. A minimum of 275 parking spaces for public/transient parking during non-event times. A non-event time is defined as 24 hours a day and 7 days a week, excluding AAC event times, as defined above;

D. If during any year, the City is not able to pay the entire TIF Grant payment, Owner may elect to (i) maintain the TIF Grant and defer unpaid amounts without interest until TIF funds become available, or (ii) reduce the number or Public Parking Spaces made available for AAC event and transient parking on a pro-rata basis;

E. In addition to the other stated conditions, the first TIF Grant payment shall be conditioned on Owner having provided documentation of approval and acceptance by the Center Operating Company and Lender of the 425 AAC event parking spaces made available for AAC event parking in the Victory South Parking Garage (or other garages or the adjoining surface lot)

"Dallas – Together, we do it better"
pursuant to Subparagraph 5.G. below) by the Center Operating Company and Lender as required under the Parking Rights Agreements (PRAs) for the District and that these event parking spaces count towards a total credit of not less than 359 spaces against the minimum parking requirement for the American Airlines Center under the Parking Rights Agreements—(the first TIF Grant payment is scheduled to occur on July 31, 2013);

F. Owner shall certify in a written letter to the City by May 31st of each year throughout the term of the TIF Grant that 425 the parking spaces will be made available for AAC event parking in the Victory South Parking Garage (or other garages pursuant to Subparagraph 5.E. below) and these 425 event parking spaces count towards a total credit of not less than 359 spaces against the 602 parking space obligation of the Owner. Failure of Owner to submit annual certification letter may result in the loss of the TIF Grant payment for the year. Owner will have a 10 day right to cure a failure to provide written certification after receipt of notice by the City that it did not receive such certification;

G. Owner shall reserve the right to relocate the 425 359 public-reserved parking spaces for AAC event parking from the Victory South Parking Garage in accordance with the PRAs to other parking garages which have been developed subsequent to the TIF Grant. Upon relocation, terms of this TIF Grant will survive as long as the relocated spaces continue to count towards the parking space obligation of the Owner under the PRAs;

H. Approval from the Director of the Office of Economic Development (Director) is required prior to relocation of the 425 359 reserved parking spaces and Owner shall provide documentation the relocated spaces continue to count towards the parking space obligation of the Owner under the PRAs;

I. The City will retain 75% of net revenues from transient parking in the Victory South Parking Garage;

J. Owner must keep full and complete records of parking operations satisfactory to the City, including the development of a parking control system to prevent valet parkers or other contract parkers from using parking spaces to the detriment of the required minimum AAC event parking and transient parking;

K. Owner shall submit a monthly report of AAC event parking and transient parking so long as and to the extent such data has been provided to Owner by AAC;

"Dallas – Together, we do it better"
L. The Victory South Parking Garage shall be managed and operated in cooperation with the owners of the AAC during AAC events and with the Owner at all other times;

M. Without prior commercially reasonable approval from the Director, Owner shall not enter into additional parking agreements with other companies that affect the current 629 parking spaces in the Victory South Parking Garage, including valet companies, so as to ensure parking spaces are available for AAC event and transient parking;

N. Design Review. The Urban Design Peer Review Panel (UDPRP), an independent group of design, engineering, and/or planning professionals selected by the Dallas City Manager, shall review and make recommendations on the preliminary design plans for any improvements on undeveloped property owned by Victory Park UST Joint Venture I, LP, including, in particular, blocks referred to as Block D, Block G, Block K and Block M located within the Sports Arena TIF District and provide their recommendations for the Director’s consideration. Grantee commits to use commercially reasonable efforts to submit or cause to be submitted to the Director the following preliminary design plans for UDPRP review.

a. Site Plan. The site plan shall show the location of parcel boundaries and site improvements.

b. Streetscape/Sidewalk Plan. The sidewalk plan shall show the dimension of the sidewalks adjacent to the private property, location and type of all landscape materials, pedestrian lighting and other streetscape. Sidewalks within the site with high anticipated levels of pedestrian traffic shall be designed to accommodate the traffic. The sidewalks shall have a minimum 12 foot walking zone and a minimum 3 foot landscaping and lighting zone, where possible. Landscaping and pedestrian lights shall be placed in the area closest to the back of curb for the length of the sidewalk.

c. Elevations/Materials. Plans shall show the elevations and building materials for all sides of the building visible from the public right of way, focusing on the ground floor.

d. Colored Renderings. Renderings shall show the proposed development and its relationship to the adjacent area.

The Director shall review and approve the preliminary design plans after receiving recommendations from the UDPRP;

"Dallas – Together, we do it Better"
Q. Mixed Income Housing Requirement. If Blocks D, K and/or M are developed into a residential or mixed use (with residential space) project and the value of the developed blocks are used to meet the Owner's property value increase requirement for the TIF Grant (as defined in Section 8.), Owner shall contractually ensure such residential or mixed-use residential project satisfies the 20% set aside of the units in compliance with the Mixed-Income Housing policy for the Sports Arena TIF District. Failure to comply with such Mixed-Income Housing requirement for residential or mixed use residential development on any development block counted towards Owner's commitment shall result in the total recapture of the TIF grant funds paid under the grant agreement.

Section 8. That should the 2012 assessed value of undeveloped property owned by Victory Park UST Joint Venture I, LP, including, not increase by $100,000,000 $50,000,000 from the 2012 tax year to the 2020 tax year, the annual TIF Grant amount of $855,000 shall be reduced by the percentage of which the properties' assessed value did not reach $100,000,000 $50,000,000, with a floor TIF Grant amount of $500,000. If the minimum assessed value of the properties is not reached by tax year 2020, adjustments to the base TIF Grant amount of $855,000 shall commence tax year 2021 and the grant amount shall be reevaluated annually.

SUBJECT Amendment to Loan Agreement for GBG BDM, LLC (Belinda Marsaw, DDS-Dental Delite Project)

On Wednesday, August 27, 2014, City Council will be asked to consider authorizing an amendment to Resolution No. 13-1865, previously approved on October 23, 2013, to: (1) further subordinate the City’s lien position to accommodate all Lenders providing construction financing; and (2) correct the terms for the Deed Restrictions.

The City’s loan of $150,000 approved by CR 13-1865 is contingent upon approval of $900K of financing from a conventional bank loan and the Small Business Administration (SBA) 504 Loan Guaranty Program. It is fully subordinated during the construction period and fully forgiven upon completion of construction and the issuance of the Certificate of Occupancy. SBA requires priority liens for all funders during construction and the release of all liens, covenants and restrictions for any non-guaranteed financing of term debt.

Dr. Belinda Marsaw is a dental practitioner, serving southern Dallas since 1984. Her practice, Dental Delite is located at 8228 Bruton Road, Dallas in the Pleasant Grove area. Her business has outgrown its existing facilities and she needs to expand to accommodate an increasing patient load. She has purchased a vacant lot next to her current location for expansion.

The project will add 10,000 square feet of space to the existing Dental Delite facility, improve a vacant lot, improve the efficiency and productivity of her practice, increase revenue and add 20 jobs. Total project cost is $1,512,000. Dr. Marsaw will bring $460K of equity to the project.

The development of the Property will further the City’s goals for development in the Southern Sector. Completion of the redevelopment and expansion at the subject must be within three (3) years from the date of the first draw under the loan agreement.

          Tennell Atkins (Chair), Rick Callahan (Vice Chair), Adam Medrano, Scott
          Griggs, Lee Kleinman, Jerry R. Allen
SUBJECT  Stoneridge Distribution Center

On Wednesday, August 27, 2014, City Council will be asked to consider
economic development incentives for Stoneridge Distribution Center. For the
past several months, City staff has been in discussions with Holt Lunsford
Commercial and Frontier Equity regarding a potential three-building distribution
center totaling 690,000 sq. ft. to be located on land at the Northwest corner of
Hampton and Danieldale Roads in Dallas. The proposed facilities would be
constructed concurrently and include individual buildings of 400,000, 150,000
and 140,000 square feet respectively. The ownership entity is Stoneridge Fund
X, LLC. They will invest approximately $25,000,000 in construction and related
costs to build the three facilities. Holt Lunsford Commercial will be the
development partner on the project and manage the property going forward.

Holt Lunsford Commercial, founded in May 1993 by Holt Lunsford, CEO, is a
Dallas-based commercial real estate service and investment company. The
company’s core lines of business include development, construction
management, leasing, property management, insurance consulting as well as
investments in office, industrial, land and retail sectors. Holt Lunsford
Commercial is the third largest commercial real estate provider in the Dallas/Fort
Metroplex, overseeing over 47 million square feet in Dallas, Fort Worth and
Houston for private and institutional owners.

The developer plans to build all three buildings at the same time and anticipates
construction will begin in September 2014 and be completed by the end of 2015.
The City has worked with Holt Lunsford Commercial for several years on a
number of different projects.

In order to develop this project, Council is requested to consider the following:
1. A 90 percent Real Property Tax Abatement for ten years on added value of
   Building One (Stoneridge XI - approximately 400,000 sq. ft.)
2. A 75 percent Real Property Tax Abatement for eight years on added value
   of improvements of Buildings Two and Three (Stoneridge XII and XIII -
totaling approximately 290,000 sq. ft.)
This incentive will help offset costs associated with developing the site and allow the project to compete with other developments in Southern Dallas County, including sites in DeSoto, Lancaster, Wilmer and Hutchins.

In consideration of the tax abatements proposed, Stoneridge Fund X, LLC will: 1) Invest a minimum of $20,000,000 in real property improvements and other related project costs such as design, engineering, architects, etc. and 2) Obtain substantial completion of all three building shells by December 31, 2015.

Forgone revenue associated with the abatements is $1,175,771. The 10-year net estimated fiscal impact, net of incentives is $314,032. This fiscal impact estimate does not reflect potential value of jobs created because of the speculative nature of the project. Staff recommends the proposed incentives.
