Boarding Home Facilities Update

Presented to the Housing Committee
January 6, 2014
Purpose of Briefing

- Provide an update on regulation and enforcement of Chapter 8A “Boarding Home Facilities”
- Discuss proposed amendments to Chapter 8A
Boarding Home Facilities Ordinance

- Adopted by City Council on June 27, 2012 to ensure that:
  - residents live in safe, sanitary, and decent housing
  - residents are not abused, neglected, or exploited by owners, operators, or employees
  - adequate fire-rescue and police personnel and vehicles are available to serve these residents
  - the city can identify and facilitate appropriate responses for residents who may require special assistance during an emergency or at any other time
Boarding Home Facilities Definition

- Furnishes lodging to 3 or more persons who are unrelated to the owner of the establishment by blood or marriage.
- Provides assistance with daily living activities, including meals, housework, transportation, money management, etc.
- Does not provide personal care services, such as feeding, dressing, movement assistance, bathing, or the administration of medication.
- Exemptions for various entities licensed by the State, monasteries, dorms, etc.
Boarding Home Facility Location

- A Boarding Home Facility can be located in areas where residential uses are allowed
  - Similar to a single family resident designation
    - Up to 5 unrelated persons constitute a “family”
- Boarding Home Facilities that house handicapped may have up to 8 persons
  - Would meet the definition of a handicapped group dwelling unit (HGDU) under the City’s zoning law
  - Must be located at least 1,000 feet from all other HGDU or Group Residential Facilities
Boarding Home Facility Ordinance

- New ordinance adopted, with certain modifications, model standards by the Texas Health & Human Services Commission that set requirements for:
  - Written policies and procedures for resident health, safety
  - Specific record keeping and postings
  - Cleanliness and sanitary conditions
  - Assistance with self-administration of medication
  - Reporting and investigation of injuries, incidents, accidents
  - Construction/remodeling
  - Requirements for in-service education of facility staff
  - Criminal background history checks for operators and staff
  - Assessment and periodic monitoring of residents
Boarding Home Facility Ordinance

- Other key requirements in the ordinance
  - Annual registration and $500 licensing fee
  - Annual interior/exterior inspections
  - Applicants must provide documentation that all ad valorem taxes, fees, fines and penalties owed to the City are current and paid in full

- Owners/operators must also meet other applicable City Code regulations
Implementation Actions to Date

- **October 2012**
  - Ordinance took effect October 1, 2012
  - Application and pertinent information posted on the city’s website
  - 311 call center staff trained to provide and gather information based on new requirements for boarding home facilities
  - Staff provided ordinance information and registration forms through on-site visits to known facilities

- **November 2012**
  - Training Conference held at Fair Park Music Hall with participation of 125 boarding home facilities
Implementation Actions to Date

- **December/January 2013**
  - 226 notices issued to previously identified facilities to initiate the licensing process

- **Spring 2013**
  - Follow-up notices sent to 88 non-responsive facilities
  - Determined that the ordinance did not apply to a number of these facilities
    - Facilities providing personal care services, licensed by the State, less than 3 residents, etc.
  - On-site inspection revealed 158 facilities in operation that are required to adhere to the ordinance
Results to Date

- The following is the status of the 158 facilities:
  - 16 facilities have voluntarily closed
  - 27 facilities have been licensed to date
  - 98 facilities have submitted licensing applications and are in various stages of review and/or inspections (applications are pending)
  - 16 facilities have not submitted applications
  - 1 application has been denied
Results to Date

- 896 inspections and re-inspections have been conducted
- 39 Citations have been issued
  - 24 Operating without a license
  - 1 Electrical hazard (exposed wiring)
  - 2 Plumbing violations (leaky faucets, clogged drains)
  - 1 Illegal fence
  - 2 No building permit
  - 3 Structure not weather/water tight (leaky roof, weather stripping)
  - 6 Failure to protect exterior surface (peeling paint, exposed wood)
Observations

- Operators are not completing the licensing application in a timely manner
- Owners are not aware that leased properties are being used for Boarding Home Facilities
- Certain documents required by the ordinance may not be applicable in all instances
- The current ordinance
  - may adversely affect some residents and operators
  - limits the ability to effectively enforce
  - is alleged to violate owners and residents’ rights to privacy about their disabilities and medical condition
Proposed Ordinance Amendments

- Add time limit for completion of a pending application after an applicant is made aware of deficiencies
  - Currently it is a defense to prosecution for operating without a license if an application is pending

- Require proof of authorization by the property owner to use property as a Boarding Home Facility
  - Currently property owner may be unaware that renter is using the residence as a Boarding Home Facility
Proposed Ordinance Amendments

- Change current requirement for zoning verification letters
  - Delete requirement for facilities with 5 or fewer residents
  - Instead, require distance verification letters for Boarding Home Facilities that meet the definition of a Handicapped Group Dwelling Unit
    - Facilities with 6 to 8 residents
    - Verification that the facility satisfies the 1,000 ft. spacing requirement
Proposed Ordinance Amendments

- Amend conflict of interest provisions
  - Ordinance currently prohibits owners/operators from:
    - Employing residents outside the Boarding Home Facility
    - Going into business with residents
    - Co-mingling funds with residents
  - These provisions may limit residents’ ability to earn income and secure housing
  - Allow residents to work on-site or off-site in exchange for rent
  - Add provisions to protect residents who choose this option
Proposed Ordinance Amendments

- Definitions
  - “Boarding Home Facility” – delete reference to Sec. 8A-5 exemptions to clarify burden of proof
  - “Licensee” – include “applicant” to increase enforcement opportunities

- Clarify that facilities that have not sought licenses may be prosecuted to the same extent as licensees for violations of Chapter 8A

- Amend various sections to better address privacy concerns regarding disability-related information
Proposed Ordinance Amendments

- Clarify that Boarding Home Facility license applications require criminal background checks for employees as well.

- Reduce lifetime ban on potential residents with certain drug convictions to a 10-year ban.
Next Steps

- Continue enforcement efforts to identify, inspect, and license Boarding Home Facilities
- Submit ordinance revisions for approval by the City Council
- Provide quarterly status reports to City Council
