2014 Low Income Housing Tax Credit Projects for Dallas

A Briefing To The Housing Committee

Housing/Community Services Department
February 18, 2014
Purpose

- Review the Texas Department of Housing & Community Affairs (TDHCA) Low Income Housing Tax Credit (LIHTC) Program
- Review the key decisions requested from TDHCA
- Provide information regarding three Low Income Housing Tax Credit (LIHTC) Projects submitted to the City of Dallas
- Present the interdepartmental review committee’s findings
- Receive Housing Committee recommendations for the 9% LIHTC applications

Note: 4% LIHTCs are not part of recommendation and will be presented if and when funds are identified to meet GAP needs
The Housing Tax Credit (HTC) Program was created by the Tax Reform Act of 1986. Section 42 of the Internal Revenue Code of 1986, as amended (the Code), is the federal law that governs the HTC program.

The Texas Department of Housing and Community Affairs (TDHCA) is the only entity in the state of Texas with the authority to allocate tax credits under this program.

The tax credit program is one of the primary means of incentivizing investment toward the creation of affordable rental housing.

Investors use the tax credits to offset a portion of their federal tax liability.

TDHCA approved LIHTC projects must have a minimum of 35 years affordability.
Tax Credit Funds Available for 2014

- The State is broken into 13 Urban Regions and 13 Rural Regions
  - Each region has a set amount of tax credits
  - Applicants compete for funding in their respective regions
  - The LIHTC program is extremely competitive

- The State also has an “At-Risk” category which is a state-wide competition for existing developments at risk of losing affordable units

- The Dallas/Fort Worth Urban Region includes:
  - Dallas, Denton, Collin, Tarrant, and Grayson Counties
  - Approximately $10.6 million in tax credits are available
  - As of January 16, 2014, 39 developments submitted for 9% LIHTC program consideration in the region
  - The City of Dallas received 5 applications for the 2014 round
TDHCA 9% LIHTC Timeline for 2014

- December 2013: Texas Department of Housing & Community Affairs (TDHCA) released the Qualified Allocation Plan and Rules to allow for developers to apply for 2014 Low Income Housing Tax Credits (LIHTCs)
- January 16, 2014: Preapplications from developers were due to TDHCA
- February 28, 2014: Full applications from developers must be submitted to TDHCA
- April 1, 2014: Input from State Representatives due to TDHCA
- May 7, 2014: Application challenges are due to TDHCA
- Mid-May: Final scoring notices will be issued
- Late July: TDHCA Board will make final awards
- December 31, 2016: Developments must be complete to place units in service
Waiver Decisions for Concentration

- TDHCA requires the Governing Body to provide the following approvals for any proposed project located within the boundaries of the jurisdiction:
  - When the number of tax credit units previously approved exceeds two times the state average
    - At this time, Dallas does not exceed two times the state average
  - When projects involving new construction or adaptive reuse are located less than a mile from another project funded within the prior 3 years and serving the same type of household
    - Wynnewood Sr. Housing II will need this waiver from the City of Dallas
  - When a proposed project is to be located in a census tract that has more than 20% Housing Tax Credit Units per total households in the census tract
    - Wynnewood Sr. Housing II will need this waiver from the City of Dallas
Decisions for “Support” and “Funding”

- Local Government Support
  - Resolution expressly supporting the Development (17 pts)
  - Resolution setting forth that the municipality has no objection to the Development (14 pts)

Note: Points are awarded by TDHCA
Community Revitalization Plans (CRP)
