Authorize (1) an extension of the development loan agreement with Builders of Hope CDC, West Dallas Project to December 31, 2015, for acquisition and related acquisition costs of 22 unimproved properties; and (2) a development loan in the amount of $521,400 for the construction of the final eleven homes – Financing: 2013-14 HOME Investment Partnership Program Grant Funds

BACKGROUND

In August 2009, Builders of Hope CDC (BOH) and the City of Dallas entered into a loan agreement for funding for the West Dallas Project for $500,000 to acquire 22 improved and unimproved properties for construction of single family homes available to low-to-moderate income families scattered throughout West Dallas.

Pursuant to the CHDO Program Statement for June 27, 2001, Council Resolution No. 01-2049, the City of Dallas Housing Director was authorized to approve development funding for projects with fewer than 100 units. The West Dallas Project was approved by this method. As of the notice from the City Manager dated February 28, 2014 requiring more transparency, this and similar projects must now be presented for City Council approval.

As of August 1, 2014, BOH has built or rehabilitated and sold eleven single family homes to low-to-moderate income families at or below 80% AMFI. Eleven homes remain to be built. The total approximate cost of development per unit is $157,879 for a 1,350 square foot home. The recent sales are valued at $100,000. BOH has obtained private financing for a portion of the construction costs with Inwood Bank and has requested a $521,400 development loan from the City. The City funds will be used to pay for a portion of the total development costs including soft costs, construction costs and developer fee. The average subsidy is anticipated to be $57,879 per unit.
BACKGROUND (continued)

The loan terms will be zero percent interest with a maturity date of December 31, 2015. BOH will be forgiven a prorated portion of the loan as homes are sold. Homebuyers will assume a 15-year resale restriction. Proceeds from the sale of units will be repaid to the first lender then the City less related and approved closing costs.
