Parking Pilot Program
Parking Pilot Program Goals

The success of new development downtown and other economic centers of our City has accelerated the need for parking modernization.

Parking Pilot Program Goals:

• Address current challenges
• Minimize/avoid future parking pressures
• Change the visibility and atmosphere of parking

The Pilot Program will test both:

• New equipment, services, and applications
• New operational procedures

PayByPhone Update
Paying for parking just got easier…..
Want to park at a meter? Have your smart phone?
No Coins. No Cash… No Problem
You can pay for ANY parking meter in Dallas with your smart phone

4 easy steps to pay by phone – Call 1-888-680-7275

1. Call the number Posted on meter
   Phone number for PayByPhone service is on each parking meter.

2. Respond to the prompts
   Prompted to enter the location number and parking time required. Any new users will be guided through a registration process.

3. Wait to hear that parking has started
   Once you hear confirmation that your parking has started, you may leave your vehicle.

4. Extend parking anytime
   To extend time call the number you dialed in Step 1. Your account will be recognized and you can extend your parking session or to start a new one.

The Meter will still show expired but your vehicle will now appear as having paid for parking on the Parking Enforcement Officers handheld patrol units.
Introducing Pay by App...

Set up text reminders to alert you when to return to your car or top up your parking
Set up email receipts to your inbox
Add or remove vehicle registration numbers
Update your payment card
Manage your security settings

It is easy to pay by app – paybyphone.com

Search “paybyphone” in your app store
Fill in your location
Select vehicle
Choose duration
Click Confirm
Any new users will be guided through a registration process.

Once you see the confirmation message that your parking has started, you may leave your vehicle.

The Meter will still show expired but your vehicle will now appear as having paid for parking on the Parking Enforcement Officers handheld patrol units.

A text reminder message will alert you your parking is about to expire.

To extend time go to the paybyphone app. Your account will be recognized and you can extend your parking session or to start a new one.
Next Steps

• Notify adjacent property owner

• Pilot Analysis
  – Online surveys
  – Street teams
  – Pilot Partner Reports

• End of Pilot Report back to committee

Because only five (5) (re)nominees were submitted, there will be changes to the appointment process as there is no longer a need for the Transportation and Trinity River Project Committee (TTRPC) on Monday, May 12, 2014, to select six (6) individuals to interview. Instead, the TTRPC will discuss DART issues, rules, and procedures. Once all background checks are complete, notebooks to the entire City Council will be distributed on or before Friday, June 6, 2014. These notebooks will contain all information on each (re)nominee.

As you know, TTRPC will interview only nominees that have cleared the background check. A revised timeline is attached for your convenience. Please let me know if you have any questions.

DATE 9 May 2014

TO The Honorable Members of the Transportation and Trinity River Project Committee: Vonciel Jones Hill (Chair), Lee Kleinman (Vice Chair), Deputy Mayor Pro Tem Monica Alonzo, Mayor Pro Tem Tennell Atkins, Sandy Greyson, Sheffie Kadane

SUBJECT Trinity River Wind Festival – Saturday, 17 May 2014

The fourth year of the Trinity River Wind Festival will be held on Saturday, 17 May 2014, in the Dallas Floodway between Commerce Street and IH-30, from 11:00 a.m. to 5:00 p.m. Parking is available for the festival in the surface lots and parking garages at the corner of Riverfront Boulevard and Commerce Street (146 Commerce Street, Dallas, 75207).

The Trinity River Wind Festival focuses on families having fun outdoors and celebrating the beauty and spirit of the wide open spaces along the Trinity River. A flyer and schedule are attached to provide additional details of the day’s wind-driven action. You can access the area through the paid parking lot by walking up and over the east levee.

We encourage you to attend and enjoy the wind-driven recreational showcase of fun and adventure. This is an opportunity for thousands of people to visit the Dallas Floodway to see giant show kites, international stunt kite flyers, kite making with kite masters from Sendai, Japan; experience the beauty and history of Dragon Kites coming to Dallas from Weifang, China; visit the Girl Scout Zone; and participate in many other free activities. In addition, the general public may bring a kite, pinwheel, whistle, or other wind driven toy to engage in the simple joy of playing in the wind.

Please let me know if you have any questions or need additional information.

Subject: Authorize a contract with DCI Contracting, Inc., lowest responsible bidder of five, for closed landfill improvements associated with the Simpkins Remediation located at 5950 Elam Road, 6300 Great Trinity Forest Way Boulevard, and 811 Pemberton Hill Road - Not to exceed $2,371,711 - Financing: Stormwater Drainage Management Capital Construction Funds ($2,000,000) and Company of Trinity Forest Golfers Funds ($371,711) (to be reimbursed by the Company of Trinity Forest Golfer's, Inc.)

Background:

This item was placed on the addendum to assist with the completion schedule for golf course related improvements. Having this construction contractor, DCI Contracting, Inc., work concurrently with the remediation contractor, L. D. Kemp Excavating, will address stormwater, erosion and vegetative support layer construction issues.

The Elam and South Loop 12 Landfills, also known as Simpkins Landfills, were issued a Municipal Solid Waste (MSW) Permit No. 88 on August 29, 1975, by the Texas State Department of Health. Both landfills are located in the vicinity of Great Trinity Forest Way (also known as Loop 12) and Pemberton Hill Road. The total permitted landfill area is approximately 340 acres; 85 acres for Elam and 255 acres for South Loop.

On May 15, 2013, Council authorized a lease agreement with the nonprofit corporation, Company of Trinity Forest Golfers, Inc. (CTFG) responsible for development, management and operation of a championship golf course. As part of the agreement, the City agreed to pursue certain infrastructure improvements. On April 9, 2014, Council approved a remediation contract with L.D. Kemp Excavating to obtain a permit from the Texas Commission on Environmental Quality (TCEQ). Additionally, Council approved an engineering design contract with Pacheco Koch Consulting for golf course related improvements. The construction contract will be conducted concurrently with the L.D. Kemp Excavating contract.
BACKGROUND (Continued)

Based on prior environmental investigations, remediation efforts are to be made for environmental conditions at the site to be in compliance with regulations by the state regulatory agency, TCEQ. The Elam and South Loop Landfills require additional fill to be placed on top of this remediation area to preserve the existing landfill cap as the remediation work will restore the clay cap to the 2-foot minimum clay cap. Additional fill will ensure that this clay cap within the Simpkins Remediation area is not disturbed or structural integrity damaged due to future golf course related improvements. In addition, structural fill is necessary for the golf course's clubhouse, entrance and parking lot area.

This action will authorize a construction contract with DCI Contracting, Inc. for the additional fill for the Simpkins Remediation area and the structural fill for the golf course's clubhouse, entrance and parking lot area. The Company of Trinity Forest Golfer's, Inc. will reimburse the City in the amount of $371,711 for the structural fill.

KEY FOCUS AREA: Economic Vibrancy

AGENDA DATE: May 14, 2014

COUNCIL DISTRICT(S): 5

DEPARTMENT: Trinity Watershed Management

CMO: Jill A. Jordan, P.E., 670-5299

MAPSCO: 57Q

SUBJECT

Authorize modifications to the Development and Operations Agreement with Equest for the Texas Horse Park to: (1) allow for a line of credit for Equest’s operating account balance; (2) reduce the operating balance from three month average to one month average; and (3) strengthen the termination clauses - Financing: No cost consideration to the City

BACKGROUND

This action would approve modifications to the development and operations agreement with Equest approved on December 12, 2012, where the City is constructing a facility at the Texas Horse Park and Equest, a non-profit corporation, will operate a therapeutic riding program as more fully described in the agreement between the City of Dallas and Equest. The Texas Horse Park has long been part of the Dallas’ Trinity River Project vision. Equest operates in Wylie, Texas, providing therapeutic riding for children and adults with physical, cognitive, emotional and learning disabilities. To operate at the Horse Park, Equest agreed to the following terms as part of the original agreement:

A six-year agreement with five 5-year renewal options with mutual consent subject to City approval.

Equest is responsible for all operating and maintenance costs, including major maintenance and utilities, associated with the facilities and portion of the site that they utilize.

A minimum of 75% of Equest’s patrons at the Texas Horse Park location shall be residents of the city of Dallas.

Equest will endeavor to host the Special Olympics and other similar events at the Texas Horse Park site, including charity fund-raising events.

City reserves the right to reserve the event portion (including ancillary components, such as restrooms, visitor center, etc.) of the facility at no charge up to six dates per year, if not previously reserved, on mutually agreed upon terms and conditions.
BACKGROUND (Continued)

The modifications to the Development and Operations Agreement are as follows:
Requested clarification in Section 4.1 to address operating account balances, which clarifies the ability to use a line of credit and reduces number of months from three to one:

"Equest shall maintain a one-month balance equivalent to its one-month average operating costs either; 1) in cash deposited in an insured depository institution within the city limits of Dallas or; 2) through a line of credit; beginning upon City Council award of the construction contract and during the remaining Term of this Agreement."

Requested clarification to Exhibit C (Insurance Requirements) to include a schedule of activities. Insurance cannot be obtained for some items until actual activities begin.

Addition of Section 9.1(f) and 9.1(g) to address default in the event of moral turpitude, which requires conviction. This provides for Equest remedies to personnel issues prior to default:

"(f) conviction or a plea of nolo contendere (no contest) of Equest, or a then-serving member of Equest's Board of Directors, executive officers, or senior management, of any felony criminal statute(s) involving moral turpitude, or the harming of, or the intent to harm, persons or animals;
(g) conviction or a plea of nolo contendere (no contest) of Equest, or a then-serving member of Equest's Board of Directors, executive officers, or senior management, of any misdemeanor criminal statute(s) involving moral turpitude, or the harming of, or the intent to harm, persons or animals provided that Equest does not take immediate and decisive action to 1) remedy the harm caused by the violation; and 2) to take steps to City's (through its Director) reasonable satisfaction to ensure that future misdemeanor violations of a similar nature will not occur; and"

Addition of Section 9.1(h) to address default in the event of accreditation of therapeutic services is not maintained:

"(h) failure of Equest to maintain its status as an "Accredited Center" as determined by the Professional Association of Therapeutic Horsemanship International ("PATH"). Alternatively, should PATH cease offering this accreditation, the failure of Equest to maintain an accreditation, if available, at a level commensurate with the standards set forth in the most current PATH-issued Standards of Certification and Accreditation Manual."

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On November 7, 2012, City Council was briefed on the Horse Park and Equest Educational Charities.
PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS) (Continued)

On December 12, 2012, City Council approved Resolution No. 12-3068, authorizing a six-year development and operations agreement, with five five-year renewal options, with Equest, for the Texas Horse Park.

On May 7, 2014, the Transportation and Trinity River Project Committee was briefed on the Texas Horse Park update.
