

Memorandum

CITY OF DALLAS

DATE December 23, 2021

TO Honorable Mayor and Members of the City Council

SUBJECT **Office of Homeless Solutions – Holiday Street Charity**

The purpose of this memorandum is to provide information on OHS' activities concerning street charity, ways to report events, and ways to redirect these requests to more sustainable methods of engagement.

'Tis The Season!

Per the Panhandling Deflection Initiative presentation to the Government Performance and Finance Management Committee on October 25, 2021 street charity is defined as the donation and distribution of food, beverages, money, household items, clothing and footwear to persons experiencing homelessness by members of the general public. While this compassionate act is extremely valuable and appreciated, OHS requests that entities wishing to provide these gifts, partner with existing charities and homeless service providers to ensure that the engagement has a longer-term impact. The most prevalent street charity event is street feeding and these events often take place next to area shelters, resulting in mass amounts of trash, the blocking of traffic, and bringing together of new encampments in areas where these events are frequent. The aftermath of these events is left for the nearby shelters to clean up on Monday mornings. Instead of these events happening in parallel with the aforementioned, unintended consequences, we and our partnering providers and non-profits ask that interested parties reach out to us for ways to get involved that provides not only food but services like showers, laundry, hygiene kits, employment training, and more. This partnership transforms the one-time service into a longer conversation, offering the opportunity for recipients to receive far more than one meal or item.

What Can You Do?

The attached flyers in English and Spanish have been shared with your offices and the public for this purpose. As a result, OHS has already received several requests for partnership and are busily connecting them with the appropriate partners. We are also partnering with Code Compliance, Sanitation, and Downtown Dallas Inc. this week to place 40 roll carts in the Downtown District and 20 roll carts near The Bridge and Austin Street Shelters, where we know many of these events take place. These will be deployed on Wednesday with Code's Illegal Dumping Team taking the lead on this.

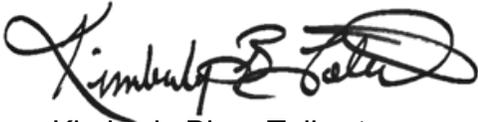

If you are aware of a street charity event, please direct them to contact OHS or an area homeless service provider per the resources in the flyer. The goal is to create

partnerships around these events, so they do not take place on the street, with no additional services offered or plan for waste management and flow of traffic.

Should you have any questions or concerns, please contact me or Christine Crossley, Director of Office of Homeless Solutions.

En estas Fiestas

AYUDA RESPONSABLEMENTE

¿Quieres ayudar a aquellos vecinos que no tienen un hogar en estas fiestas? Haz que tu tiempo o tu dinero valga ofreciéndote como voluntario o donando directamente a las organizaciones que cuidan y sirven a los residentes sin hogar de Dallas todos los días del año.

Contacta a estos proveedores de servicios para personas sin hogar para conocer las oportunidades de voluntariado y programar donaciones no sólo en estas fiestas, sino durante todo el año.

¿Qué es la Caridad en la Calle?

Son las donaciones y distribución de comida, bebidas, dinero, artículos del hogar, ropa y calzado a personas sin hogar que hacen los miembros del público en general.

Consecuencias no Deseadas de la Caridad en la Calle

- Desechos alimenticios que atraen roedores y animales sueltos.
- Basura dispuesta inapropiadamente que termina en los drenajes y que aumenta la carga de propietarios y vecindarios donde ocurre la caridad en la calle.

¿Sabías que...?

- The Bridge ofrece comida gratis tres veces al día, todos los días del año.
- Los proveedores de servicios para personas sin hogar distribuyen calzados y ropa sin costo alguno.
- Hay varios lugares disponibles gratis para lavar la ropa y obtener suministros.
- La caridad en la calle hace que las personas sin hogar permanezcan en la calle en lugar de ir a un refugio para obtener los servicios necesarios para salir del sinhogarismo.

Tis the Season FOR RESPONSIBLE GIVING

Interested in helping neighbors experiencing homelessness this holiday season? Make your gift of time and money count by volunteering or giving directly to the organizations who care for and serve the unsheltered residents of Dallas every day of the year!

Contact these homeless services providers for volunteer opportunities and to schedule donations not just this holiday season but throughout the year.

What is Street Charity?

The donation and distribution of food, beverages, money, household items, clothing and footwear to persons experiencing homelessness by members of the general public.

The Unintended Consequences of Street Charity

- Discarded food attracts rodents and stray animals.
- Improperly disposed litter ends up in storm drains and unfairly burdens property owners and neighborhoods where street charity occurs.

Did You Know?

- The Bridge provides free meals three times per day, every day of the year.
- Homeless services providers distribute shoes and clothing free of charge.
- Free laundry facilities and supplies are available at various locations.
- Street charity encourages persons experiencing homelessness to remain on the street instead of going to a shelter to obtain the services necessary to exit homelessness.
