

Memorandum

CITY OF DALLAS

DATE October 21, 2022

TO Honorable Mayor and Members of the City Council

SUBJECT **Shared Dockless Vehicle Program: Call for Permit Applications Now Open**

The purpose of this memorandum is to notify the Mayor and City Council, Shared Dockless vehicle operators, and the public that the Fiscal Year 2022-2023 Shared Dockless Vehicle Call for Permit Applications opened on Wednesday, October 19, 2022. Operators wishing to have a Shared Dockless vehicle service in the City of Dallas—that is, to rent, lease or sell electric and motor-assisted scooters and electric bicycles in the public right-of-way—during the Fiscal Year 2022-2023 permit cycle must submit an application and permit fee to the Department of Transportation by 5:00 pm on Friday, November 4, 2022.

The City intends to issue permits to the three top-scoring operators, with each operator allowed to deploy up to 500 Shared Dockless vehicle units at service launch, as authorized in the Shared Dockless Vehicle Program Rules. The criteria that will be used to score the operators was reviewed by the City’s Micromobility Working Group.
