Office of Homeless Solutions Updates

The Dallas Real Time Rapid Rehousing (D.R.T.R.R.) team of homeless service providers, co-led by the Office of Homeless Solutions (OHS) and Metro Dallas Homeless Alliance (MDHA), is currently targeting several encampments, which will result in closure through the housing of those unsheltered individuals throughout the year. The team will outreach to these sites and meet with various persons experiencing homelessness to assess their needs in preparation for site closure via housing. During this time, the OHS Street Outreach Team will continue to engage with unsheltered residents through normal street outreach, connecting people with the needed resources, such as: getting IDs, working with Community Courts on expunging eligible tickets and offenses from their records, identifying medical needs, and getting them access to the Coordinated Access System (CAS). The DRTRR Community Dashboard is live and may be found [here](#).

Please see the below schedule for homeless encampment cleaning the week of October 31 through November 4, 2022. Please note that these will be for debris removal and outreach only. All encampment cleaning requests are resolved as time and weather allows. We appreciate everyone's patience.
